* The "IW" sign in the list means that a weapon is required to perform the Special Move

* **Hidden Moves** are powerful moves not listed in the manual that some characters can perform

* **Super Deformation Moves** changes your character into a doll-like version. You cannot move or attack normally, and you cannot be thrown. You CAN be hit. You return to normal if 1) you perform a Special Move, 2) you are hit, 3) after about 10 seconds have passed

* **Power Specials** can be done only when the POWER Gauge is full. If Power Special hits, opponent's weapon is broken
