Disney's

chicken little

Live the hair-raising adventures of Chicken Little and his band of misfit friends - Fish-Out-of-Water, Runt-of-the-Litter and Abby Mallard - as they embark on the adventure of a lifetime. Help them battle to save the town of Oakley Oaks from an alien invasion with an arsenal of cool gadgets. Along the way, you'll find that when it comes to saving the world, it helps to be a little chicken!

THE CHARACTERS

Chicken Little

Chicken Little's life hasn't been the same since that unfortunate "sky falling incident". He's plucky, determined and pretty inventive at dealing with the challenges the world hands you when you're particularly small. Chicken Little seems obsessed with finding an opportunity, a great moment, to prove to everyone that he's something more than that silly little hysterical chicken who thought the sky was falling.

Buck Cluck

Chicken Little's father, Buck Cluck is a loving parent trying his very best to help his only son find his way. He will provide words of wisdom to guide you on your adventure.

Fish-Out-of-Water

Fish-Out-of-Water has an amazing knack for being there at the right time with just the right thing. His friends seem to have no problems understanding his glubs. There's no knowing how much he understands about what's really going on, and yet somehow he always comes through, even if it's only to offer a hug.

Abby Mallard (a.k.a. the Ugly Duckling)

Abby Mallard is Chicken Little's best friend. She's obsessed with Modern Mallard magazine and has some pretty good advice for Chicken Little based on all the quizzes she's taken and articles she's read. Clearly Abby has come to grips with her unattractive appearance. She's the grounded one - wise, pragmatic and a lot of fun to be around. She doesn't always agree with his big plans, but stays positive and supportive. Abby is a loyal friend who's ready to put up a fight in support of her friends.

Runt-of-the-Litter

Runt is a loveable and insecure giant pig with some fairly serious body image problems. Even though he's huge, he thinks of himself as a "wee little pig". Runt experiences large emotional swings and seems to be a classic nervous eater. He could use a huge dose of self-confidence but when things start going horribly wrong, there'll be ample opportunity to rise to the occasion.

Foxy Loxy

Foxy is a sports star and the town darling. She's also Chicken Little's main nemesis and delights in constantly reminding him of that fateful day when he mistakenly thought the sky was falling. She loves the image of being just the sweetest person around, while assigning her bullying tasks to her not-so-bright sidekick, Goosey Loosey.

Goosey Loosey

Goosey is well...not too bright. Her status in life seems completely dependent on hanging around with Foxy. She doesn't speak, but rather communicates in flailing motions and a variety of crazy honks. Left to her own devices, she's not a bad goose, she's just hanging out with the wrong crowd.

Mayor Turkey Lurkey

Mayor Lurkey is your typical politician. He likes to be on the winning side at all times. He flip flops from thinking Chicken Little is the worst thing to ever hit the town, to the best hope for the future of Oakey Oaks, back to the absolute worst thing. He probably means well most of the time - he's just been 'mayoring' a few too many years. In the end, he might have a thing or two to learn about what a very small chicken is capable of doing.

GAME LEVELS

Late For School

Chicken Little is late for school and it's up to you to help him get there. Learn the basic moves of the game as you collect coins to buy a soda to rocket you into a school window.

Dodgeball Hall - Pail Ride

Avoid obstacles by moving left, right or jumping as you roll down the school hallway.

Dodgeball Hall - Dodgeball

It's time for dodgeball! Lead the team of Chicken Little's friends against Foxy Loxy's team. The real rules of dodgeball apply. Catch a ball and the player who threw the ball is out and a member of your team gets to come back in. Hit a player with the ball and they're out. Be sure to dodge so you aren't hit yourself.

Goosey Chase

Goosey Looney is after Chicken Little. Help Chicken Little avoid obstacles, school kids, janitors and most of all, the dodgeballs that Goosey throws as you run down the school hallway. Don't let Goosey get too close!

Uniform Hunt

Foxy Loxy and Goosey Looney have taken Chicken Little's uniform from him and hidden the parts all over Oakey Oaks. Find the uniform pieces throughout the town, including the Theater. You'll need some extra help so there's a yo-yo upgrade to help you with the hard-to-jump gaps.

Baseball Practice / The Big Game

Press the correct buttons in time with the music to improve your chances of hitting the baseball. If you miss something as it crosses home plate or press the wrong button, this will count as a strike. Three strikes and you're out. Now play ball!

Carpool Craze

Chicken Little's friends - Abby, Runt and Fish - need to drive through Oakey Oaks to take care of various errands before stopping at Chicken Little's house.

Backyard Pursuit

Fish is being flown away on an alien hover panel! Chicken Little must run through backyards to try and rescue his friend. There are harder obstacles to break so collect the yo-yo upgrade and hold down the yo-yo button to execute a power shot.

Space Simulator

Before Chicken Little, Abby, and Runt can get into the alien ship to rescue their friend, Chicken Little must pass a space simulator test. Use the missile, rapid fire, double shot and shield power-ups to make it through the level.

Alien Abby

Play as Abby as you explore the inside of the alien ship. Use the Alien Walker to help with the trickier parts of the ship.

Runaway Runt

Runt has been separated from the others and falls head first into an alien bucket. The alien bucket has the ability to shoot energy shots that are used to remove obstacles in the way or hit switches to open doors.

Space Alarm

Chicken Little picks up the slingshot in this level. Use it to hit switches to open doors and to stun robots. Hold down the slingshot button to bring up a first-person mode for accurate aiming.

Space Simulator II

Another test for Chicken Little! This time, you'll have to play the simulator from an overhead view.

Tube Surf

Fish always finds a way to have fun. Help Fish use an alien hover panel to surf the tubes inside the alien ship. Fish can shoot water at security drones to clear paths.

Cornfield Escape

Chicken Little must get his friends and bring them to safety. The safety areas will have a question mark by them. Don't let Chicken Little be seen by a searchlight!

Cannon Chaos

Turkey Lurkey (the town Mayor) is using the town cannon to ward off the alien ships in an effort to protect the town. Hold down the cannon button to charge up a super shot.

Firetruck Frenzy

Drive the firetruck to reunite the alien child with its parents. Drive through the rings on the road to gain more time.

Tube Tumble

Runt has tripped again and this time he's rolling down a tube that's similar to the one Fish was in earlier. Don't forget to jump to avoid obstacles!

Alien Little

It's Chicken Little's turn to use the Alien Walker to explore the ship.

Gravity Grab

Help Chicken Little work his way past drones to a low gravity room where he can leap tall buildings, or at least teleported trees, in a single bound.

Space Simulator III

This time, there won't be much open space as you fly through asteroids and ships.

Final Boss

Chicken Little must defeat the security system's CPU inside the alien ship to rescue his Dad. Use your slingshot and go-go to show the CPU who the real chicken is!

Runt's Escape

Runt is back in the firetruck and this time it's to get back to Oakey Oaks before the alien ship takes off. Collect the time bonuses to give Runt a little more time.

Space Armada

Chicken Little has saved the day! Now play as Chicken Little's movie alter ego, Ace, as you pilot the movie version of a space ship though Hollywood's version of outer space.

MULTIPLAYER MINIGAMES

Drone Dash

One player starts out controlling the cannon while the other controls the drone. If the drone makes it across the finish line without being hit, that player will earn a point. If the drone is hit, the player controlling the cannon will earn a point. Turn about is fair play though and after time is up, players will switch sides.
