AFTER BURNER CLIMAXE

**SEE YOUR INCOME
TAKE OFF!!**

Afterburner Climax™ is the jet-fuelled sequel to Sega's 1980's hit **Afterburner™**

AFTER BURNER CLIMAX™

Afterburner Climax™ features TOP fighter planes from the modern age!

Including the:

**F-14 Super Tomcat,
F-15E Strike Eagle &
F/A-19E Super Hornet**

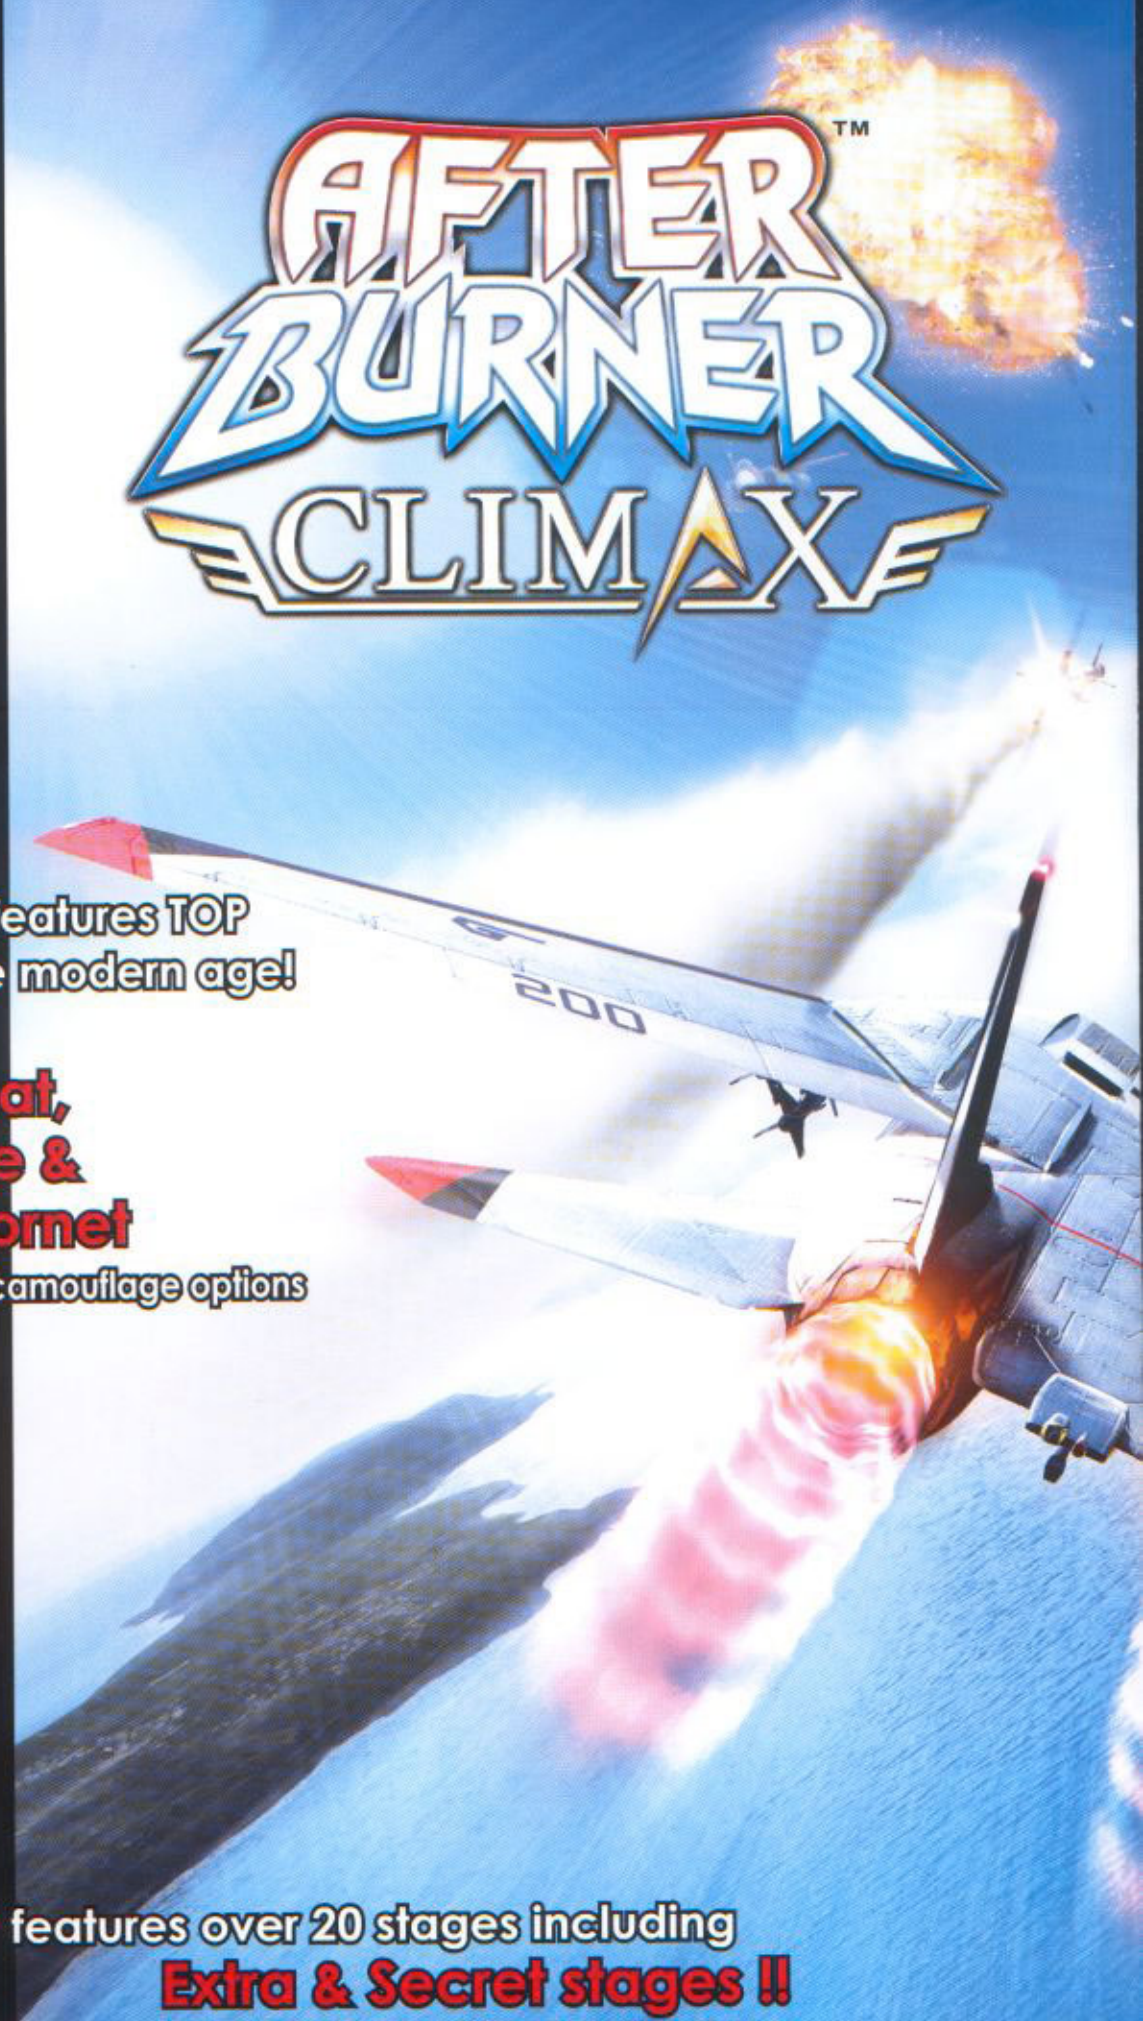

Each available in 4 different camouflage options

Afterburner Climax™ features over 20 stages including

Extra & Secret stages !!

Sega's powerful **LINDBERGH** hardware platform gives greater depths of plays and photorealistic graphics!

Afterburner Climax™ highlights The Brave Fangs Aero Team, part of the G.H.O.S.T. squadron from Sega's popular **Ghost Squad™**

The team have the task of stopping an enemy country from launching all out nuclear war, after all peacekeeping talks have failed. Jaguar Flight, a team within Brave Fangs has 48 hours to stop them!

CLIMAX MODE

enables your aircraft to fly at MACH speed to go beyond the speed of sound!

CLIMAX MODE

When this mode is activated by pushing the lever forward, the enemy aircraft appear to fly in 'slow motion' allowing players to pick them off with ease!

Cooperative linked play lets players enjoy flying side by side to beat the threat of the enemy!

Players get a **DIFFERENT** Game Experience Every time!
