

SEGA®

Let's Go JUNGLE!

LOST ON THE ISLAND OF SPICE

A THRILLING SHOOTING GAME WITH
5 ACTION-PACKED ADVENTURES IN ONE CABINET!

SUITABLE FOR ALL AGES

**A FAST TEMPO, THRILLING
AND SIMPLE EXPERIENCE
FEATURED ON SEGA'S
INCREDIBLE LINDBERGH
HARDWARE SYSTEM.**

Ben and Norah sign up for a cheap tour on an uninhabited island in South East Asia. Their excursion to the orient takes a turn for the worse when they are faced with a series of unpredictable obstacles of monstrous proportions. Herds of giant mutant life forms stage an all out attack on any trespassing tourists. Ben and Norah will be forced to find any means possible to get to safe ground and survive the ride of a lifetime, but it's not just the technology of modern machinery that can get them through. As a couple, they will need to use their mind and physical strength to endure the unforgivable jungle.

SINGLE PLAY OR 2-PLAYER TEAM PLAY

Double the players is double the fun. In Team Play, players sit as pair and defeat each stage by using teamwork. The object is to protect one another!

5 LUSH STAGES TO SURVIVE

River Rapids, Cavern Ruins, Bluffs, the Village and the Channel

LURKING VILLAINS

Giant Spiders, Ravenous Piranha, Mutant Frogs, Blood-sucking Leaches, a Towering Praying Mantis and more

SURVIVAL ACTION COMMAND (START BUTTONS)

The Action Button can be hit repeatedly to fight through obstacles. In Team Play, both players must communicate and time their actions together to succeed.

**PRIVATE, VEHICLE-STYLE CABINET
WITH A BENCH SEAT AND THEATRICAL SCREEN DISPLAY**

EASY MACHINE GUN CONTROLLER

- Fixed to the cabinet with pivot and tilt maneuverability
- Reactionary, recoil feedback
- Players aim by sighting an on-screen cursor
- Easy, rapid firing controls for all skill levels
- Navigate by pointing the controller in the direction of the on-screen arrows
