ARMY MEN: WORLD WAR-TEAM ASSAULT

The plastic war is now at a standstill. The Green and Tan armies are locked in a stalemate. Seeking to gain the advantage in this conflict, the Tan have succeeded in developing long-range missiles that will ultimately spell doom for the Green forces. Intelligence agents had determined that these long-range missiles exist, but they had not discovered their location. Until now...

A Green intelligence agent had a lead on the possible whereabouts of these harbingers of doom. Unfortunately, the agent was discovered before he was able to reveal the location of the missile base. In an attempt to rescue this agent and ultimately destroy the hidden base, a crack team of Green commandos has been assembled. Each member of this team is a specialist in a variety of fields ranging from heavy weaponry to linguistics. The fate of the free world depends on the successful completion of this mission. If these brave soldiers fail, the Green Nation will have no defense against this seemingly invincible menace.

BASICS

Most missions will require the expertise of two of the six elite squad members. Choose your two squad members carefully, because successfully completing each mission relies heavily on their specific skills!

As you work your way through each mission, you must switch back and forth between both team members to advance through the level. Both team members must survive and reach each mission's goal in order to succeed.

NAME: XHADO

AGE: N/A

HT: N/A

WT: N/A

SPECIAL SKILLS: Sniper, Mechanic

Not much information can be compiled about this wagger of quiet aggression. Silent and deadly, Xhado's expertise as a hunter means that his targets will most likely never know what hit them.

NAME: DANTE HERNANDEZ

HT: 6'3"

SPECIAL SKILLS: Mechanic, Heavy Weapons

Dante's keen savvy on how anything mechanical works means that there isn't an engine in the world that he can't fix...with the right tools. Long days spent overhauling huge tank engines have also given him an imposing physical presence with outstanding strength and endurance.

NAME: ARMAND "FLAMBÉ" NESTOR

AGE: 24

HT: 5'11"

WT: 165 lbs.

SPECIAL SKILLS: Explosives, Communications

Armand Nestor learned his trade from his family at the young age of eleven. The Nestor Demolition Company is world renowned, and has an impressive wake of dust and debris behind it. Armand's clear understanding of his "art form" (as he describes it) and his confidence in his abilities is often mistaken for a disregard for his own life.

NAME: BJORN "BOOMER" THORSON

AGE: 26

HT: 5'8"

WT: 175 lbs.

SPECIAL SKILLS: Linguist, Explosives

Bjorn Thorson was born to an ambassador and into a household where different languages were spoken daily. This being the case, Bjorn has an aptitude for language. He studied demolitions when he joined the service and often finds himself at odds with his compatriot, Armand, who prefers his instincts to Bjorn's by-the-book approach. This attitude also permeates Thorson's views on personal appearance and social behavior.

NAME: GIB "SQUIRREL" FARRELL

AGE: 21

HT: 5'9"

WT: 165 lbs.

SPECIAL SKILLS: Sniper, Communications

Gib is a self-confessed klutz, except when it comes to his job. "Squirrel", as he is commonly referred to, is a crack shot. However, he'll fumble through everything else he comes in contact with and probably make a lot of noise along the way. He is a competent communications officer, but don't ask him to juggle.

NAME: TYKE "THE TANK" MORGAN

AGE: 28

HT: 7'2"

WT: 302 lbs.

SPECIAL SKILLS: Heavy Weapons, Linguist

Tyke enjoys poetry and long walks on the beach, and you'd do well not to make fun of that fact. Tyke's obvious physical prowess makes him an easy candidate to handle "the heavy stuff". However, he'd prefer a good book to a howitzer any day. Because of this adoration for the written word, "The Tank" has dedicated much of his time to studying foreign languages in order to read these works in their native tongue. When in battle, Tyke wastes little time dispatching the enemy so he can concentrate on "the finer things".
