INSTRUCTION BOOKLET

WARNING: PLEASE CAREFULLY READ THE PRECAUTIONS BOOKLET INCLUDED WITH THIS PRODUCT BEFORE USING YOUR NINTENDO® HARDWARE SYSTEM, GAME PAK OR ACCESSORY. THIS BOOKLET CONTAINS IMPORTANT SAFETY INFORMATION.

IMPORTANT SAFETY INFORMATION: READ THE FOLLOWING WARNINGS BEFORE YOU OR YOUR CHILD PLAY VIDEO GAMES

▲ WARNING - Seizures

- Some people (about 1 in 4000) may have seizures or blackouts triggered by light flashes, such as while watching TV or playing video games, even if they have never had a seizure before.
- Anyone who has had a seizure, loss of awareness, or other symptom linked to an epileptic condition should consult a doctor before playing a video game.
- Parents should watch when their children play video games. Stop playing and consult a doctor if you or your child have any of the following symptoms:

Convulsions	Eye or muscle twitching	Loss of awareness
Altered vision	Involuntary movements	Disorientation

To reduce the likelihood of a seizure when playing video games:

1. Sit or stand as far from the screen as possible.
2. Play video games on the smallest available television screen.
3. Do not play if you are tired or need sleep.
4. Play in a well-lit room.
5. Take a 10 to 15 minute break every hour.

▲ WARNING - Repetitive Motion Injuries

Playing video games can make your muscles, joints or skin hurt after a few hours. Follow these instructions to avoid problems such as Tendonitis, Carpal Tunnel Syndrome or skin irritation:

- Take a 10 to 15 minute break every hour, even if you don't think you need it.
- If your hands, wrists or arms become tired or sore while playing, stop and rest them for several hours before playing again.
- If you continue to have sore hands, wrists or arms during or after play, stop playing and see a doctor.

▲ WARNING - Electric Shock

To avoid electric shock when you use this system:

- Use only the AC adapter that comes with your system.
- Do not use the AC adapter if it has damaged, split or broken cords or wires.
- Make sure that the AC adapter cord is fully inserted into the wall outlet or extension cord.
- Always carefully disconnect all plugs by pulling on the plug and not on the cord.
- Make sure the Nintendo GameCube power switch is turned OFF before removing the AC adapter cord from an outlet.

▲ CAUTION - Motion Sickness

Playing video games can cause motion sickness. If you or your child feel dizzy or nauseous when playing video games with this system, stop playing and rest. Do not drive or engage in other demanding activity until you feel better.

▲ CAUTION - Laser Device

This is a Class I laser product. Do not attempt to disassemble the Nintendo GameCube. Refer servicing to qualified personnel only.

Caution - Use of controls or adjustments or procedures other than those specified herein may result in hazardous radiation exposure.

CONTROLLER NEUTRAL POSITION RESET

If the L or R Buttons are pressed or the Control Stick or C Stick are moved out of neutral position when the power is turned ON, those positions will be set as the neutral position, causing incorrect game control during game play.

To reset the controller, release all buttons and sticks to allow them to return to the correct neutral position, then hold down the X, Y and START/PAUSE Buttons simultaneously for 3 seconds.

GAME CONTROLS

Speed Attack	A Button or C Stick ↔
Fierce Attack	Y Button or C Stick ↓
Knock Back	X Button
Parry	B Button
Killing Move	R Button
Jump Back	Z Button
Equip Ranged Weapon	L Button (hold)
Fire Ranged Weapon (while equipped)	A Button or C Stick ↔ (release to fire)

SPEED ATTACK Take a very quick swipe at your foe.
FIERCE ATTACK Strike your enemy a solid blow that can shatter the stoutest shield.

RANGED WEAPONS Prepare to fire an arrow or throw an axe by activating your ranged weapon. Press and hold the **A** Button or the **C** Stick \leftrightarrow or \downarrow longer for a more powerful shot.

To aim the ranged weapon, press and hold the **L** Button and aim by pressing the Control Stick. A small glowing light appears above the head of the currently targeted enemy.

KILLING MOVE Finish off a fallen enemy with this forceful, fatal blow.

PARRY Defend yourself against enemy attacks and arrows with a well-timed parry.

KNOCK BACK Push enemies away from you to avoid their attacks.

JUMP BACK Escape painful blows by jumping backwards out of harms way.

BASIC COMBINATION MOVES

Your character begins the game with two simple combination moves.

Three hit Speed Combo **A** Button, **A** Button, then **A** Button

Double hit Fierce Combo **Y** Button then **Y** Button

Many advanced moves can be purchased as skill upgrades. When some combos are successfully executed, the power of the attack will harm all enemies in the immediate area, often knocking them down.

Linked Attack Successful Parry, then **A** Button, then **R** Button

Shoulder Rush **A** Button + **X** Button

Devastating Attack **Y** Button or **C** stick \downarrow (hold and release)

NOTE: These attacks must be purchased before they are available for use.

LINKED ATTACK A Linked Attack instantly kills an enemy, but must begin with a successful parry.

SHOULDER RUSH Charge forward and drive enemies to the ground.

DEVASTATING ATTACK Press and hold the **Y** Button or the **C** Stick \downarrow . This attack takes time, and your character remains in place while charging up the necessary power to pull it off. Once fully charged let go of the **Y** Button or the **C** Stick to unleash the attack.

Anyone can swing a sword or axe, but very few will ever master their weapons against foes of all speeds, sizes and types. Upgrading your skills not only improves your prowess on the battlefield, it also increases your experience point earnings. Each character learns their own specific combination moves by upgrading their skills. (► *Skill Upgrades* on p. 15)

THE LEGEND OF THE RING

ONE RING TO RULE THEM ALL. ONE RING TO FIND THEM,
ONE RING TO BRING THEM ALL AND IN THE DARKNESS BIND THEM

It began with the forging of the great rings.

Three were given to the elves — immortal, wisest, and fairest of all beings. Seven to the dwarf lords — great miners and craftsmen of the mountain halls. And nine, nine rings were gifted to the race of men, who, above all else, desire power.

For within these rings was bound the strength and will to govern each race. But they were all of them deceived. For another ring was made.

In the land of Mordor, in the fires of Mount Doom, the Dark Lord Sauron forged, in secret, a master ring to control all others. And into this ring he poured his cruelty, his malice, and his will to dominate all life.

THE ONE RING™

The One Ring, an innocent-looking golden band, is by far the most powerful object in all of Middle-earth. Put it on, and the wearer becomes completely invisible. Using its powers of invisibility draws the attention of the Dark Lord Sauron, who may dispatch sinister creatures to retrieve The One Ring.

The One Ring has a strange corruptive influence, causing greed and powerlust in many who are exposed to it. Possessing The One Ring can prolong the life of its keeper, but corruption from The One Ring will eventually transform a normal hobbit into a selfish, hideous monster.

The One Ring was forged thousands of years ago by Sauron in the fires of Mount Doom. He was close to using The One Ring's full powers to dominate Middle-earth when it was cut from his hand in battle. Sauron has been trying to reclaim The

One Ring ever since losing it, and if he does, Middle-earth will be plunged into darkness and sorrow.

To prevent Sauron from possessing The One Ring, it must be destroyed forever, and this can be accomplished only by throwing it back into the fiery chasm of Mount Doom. Frodo shows a remarkable resistance to The One Ring's evil influence, so he volunteers to carry it on the perilous journey to Mount Doom.

MIDDLE-EARTH

Middle-earth is, by and large, a pleasant place. Hobbits, Men, Elves, and Dwarves live in peace with one another despite their obvious cultural differences. Lately, however, there have been signs of darkness rising throughout the land.

Hobbits inhabit an idyllic agricultural valley called the Shire, where they live in underground houses and have little to worry about besides nosy family members. Hobbits are very small, with big hairy feet, and they have never been known for their courage or adventurous natures. Frodo's improbable journey shows that hobbits can be the bravest and boldest of all creatures.

The Men of Middle-earth are heroic but not entirely trustworthy. They are known to be selfish and have difficulty controlling their desires. Even the beloved wizard Gandalf is afraid to handle The One Ring for fear of its corruptive powers. Still, Aragorn shows himself to be the best of men in terms of bravery, dedication, and valor in battle.

Elves are gentle, graceful creatures that live in harmony with nature. They are immortal unless killed in battle, and they conduct themselves with the wisdom and calm of the millennia they have lived. Legolas is a prince of the Elves, possessing keen eyesight, and remarkable bravery and skill with a bow.

Dwarves are short, strong, and often grumpy creatures that excel in underground endeavors like tunneling and mining for jewels and precious metals. Their prickly dispositions can often mask the deep bonds that they develop with relatives and friends. Gimli is a proud dwarf, and he wields his axe with skill and might that strikes fear in the hearts of much larger enemies.

THE FELLOWSHIP

Gandalf discovers the true nature of the magical ring Frodo possesses and urges him to leave the Shire. Learning of Sauron's efforts to recover The One Ring, Frodo quickly escaped the Shire, dodged numerous Ringwraiths, and made his way toward the Elven stronghold of Rivendell. Here, the great leaders of Middle-earth discussed the problem of The One Ring and Sauron's recent activities. It was agreed that The One Ring must be taken to Mount Doom to be destroyed. After some debate (and an energetic but fruitless attempt by Gimli to destroy The One Ring with his axe) it was decided that Frodo would bear the burden of The One Ring. Several agreed to accompany and protect him, including Gandalf, Aragorn, Legolas, Gimli, Boromir, Sam, Merry, and Pippin. Together they formed the Fellowship of the Ring, and set off toward Mount Doom on their epic adventure.

GETTING STARTED

The Lord of the Rings, The Two Towers is based closely on the plot of the first two blockbuster *The Lord of the Rings* movies. Yet The One Ring is now in your friend's hands and you have many choices to make. What character will you choose? What tactics will help you survive against the overwhelming forces of the Dark Lord Sauron and Saruman? These decisions are yours to make, and yours to live with. So choose carefully, and whatever you do, don't let your guard down.

- To start a new game, select **NEW GAME** from the Main menu.

MAIN MENU

Begin a new game, load an existing game, change game settings or view credits from this screen.

OPTIONS MENU

The options menu adjusts audio levels, subtitles, Rumble features and difficulty settings for the entire game.

- MUSIC VOLUME** Adjust the volume of game music using a slider bar.
- GAME VOLUME** Adjust the overall game volume using a slider bar.
- SOUND** Set the sound mode to **MONO**, **STEREO**, or **SURROUND**.
- SUBTITLES** Turn text subtitles **ON** or **OFF**.
- RUMBLE** Turn Rumble features **ON** or **OFF**.
- DIFFICULTY** Set the difficulty of your Middle-earth journey to **EASY**, **NORMAL** or **EXPERT**.

- Press the **Control Pad** \uparrow to move between options and **Left/Right** to make adjustments to the selected option.

- Press the **Y** Button to return to the Main menu, temporarily saving any changes you've made. Changes are stored until the Nintendo GameCube is switched OFF.
- To highlight an option, press the **+**Control Pad \uparrow .
- To adjust the highlighted option, press the **+**Control Pad \leftrightarrow .
- To accept all option settings and leave the Options menu, press the **Y** Button.
- To open the Help menu, press the **B** Button.

PAUSE MENU

- To pause the game in mid-battle, press **START/PAUSE**.
- To resume the game, press **START/PAUSE** again.

OPTIONS

Go directly to the Options menu without exiting the current battle. See p. 11.

EXIT TO MENU

Quit the current battle and go to the Mission Selection Screen.

SHOW UPGRADES

Check your upgraded skills and the corresponding Button combinations.

PLAYING THE GAME

Venturing into Middle-earth is no longer safe for any man, elf, dwarf, or hobbit. The ghoulish armies of the Dark Lord Sauron threaten to overwhelm everything in their path. Yet there is no choice. The armies must be stopped, and it is you who must stop them.

GAMEPLAY SCREEN

Mastering the gameplay screen is the first step in saving Middle-earth.

HEALTH GAUGE

Let this gauge run dry and you're dead. Parrying and jumping back can help you keep the health you already have. Walking over potions can restore lost health.

EXPERIENCE METER

Fill this gauge to the top to gain a level. When a new level is reached a ***** appears at the top of the meter.

SKILL METER

Experience and Upgrade points are scored each time you kill one of Sauron's minions. There are four ratings of kills: Fair, Good, Excellent and Perfect. The higher the skill meter, the better the kill rating, and the more points you gain. Use advanced combinations and avoid being hit by enemies to fill up the Skill Meter to earn the highest rating. Once a Perfect rating is achieved, all of your attacks cause additional damage for a brief period of time and the experience received for each kill is doubled.

RANGED WEAPON This gauge indicates the number of arrows left in your quiver (or throwing axes remaining if you're playing as Gimli).

CRUCIAL INFORMATION

One or more gauges can appear in the upper right corner of the screen. These gauges often represent the health of friends or structures you are defending. Do not let your friends die, or the cause is lost. At times gauges will also appear to indicate the number of enemies present or an enemy's health.

MISSION RESULTS SCREEN

At the end of each mission this screen will appear to summarize your accomplishments.

Kills are broken down into four ratings and the resulting experience points are tallied on this screen.

- To replay the last mission, press the **+**Control Pad **↑** to select **REPLAY**, then press the **A** Button.
- To accept the experience points for the last battle and move on to the Skill Upgrade screen, press the **+**Control Pad **↓** to select **CONTINUE**, then press the **A** Button.

You may return later to replay any mission from the Mission Selection screen once you complete the game with any character.

SKILL UPGRADES

Acquire skill upgrades as you earn upgrade points to improve your combat abilities.

Press the **+**Control Pad **↓** to highlight a skill upgrade. Your character performs each highlighted skill. The upgrade points required to obtain each upgrade are listed to the right.

To purchase a skill upgrade:

1. Highlight the desired skill.
2. Make sure that you have enough upgrade points.
3. Press the **A** Button.
4. Confirm by selecting **YES**.

MISSION SELECTION

Choose any unlocked battle from the Mission Selection Screen as you make your way toward Mordor. Unlock new battles by winning the previous battle or advancing characters to higher levels.

Many extras are also available from the Mission Selection screen including interviews, the making of the video game, secret missions and even a secret character. The more achievements you make in the game, the more extras you unlock.

- Highlight missions or extras by pressing the **+**Control Pad.
- Select the highlighted item by pressing the **A** Button.

CHARACTER SELECTION

Choose a worthy character for the next mission.

To select a character:

1. Press the C Stick or +Control Pad ←→ to highlight a character.
2. Press the A Button to select the highlighted character.
3. Press the A Button again to begin battle.

SAVING AND LOADING

NOTE: Never insert or remove a Nintendo GameCube™ Memory Card when loading or saving files.

Games can be saved at the end of any mission or when returning to the main menu and can be loaded from the Main menu. Each saved game contains the adventures of all characters that have been used before in that game.

To save a game:

1. Select CONTINUE from the Skill Upgrades Screen.
2. Confirm that you would like to continue by selecting YES.
3. When asked if you would like to save your game, select YES.
4. Select the location into which you will be saving the game.
5. Confirm your selection by selecting YES.

To load a game:

1. Select LOAD GAME from the Main menu.
2. Press the +Control Pad ↑ to select the desired game and press the A Button. The selected game will load to the Mission Selection Screen.

CHARACTERS

The future of Middle-earth is in the hands of a few brave adventurers who have chosen to help Frodo destroy The One Ring. Each is a credit to his or her race, and if they are successful they can return their peoples to the peaceful lives they once knew. There are four playable characters: Aragorn, Legolas, Gimli, and a secret character who can be unlocked.

ARAGORN

Men are weak, or at least this is the commonly held belief in Middle-earth. Three thousand years ago, Isildur, King of the Men of Gondor, gained great renown when he cut The One Ring from the hand of Sauron, ending his villainous reign. Soon after, however, he chose not to destroy The One Ring when he had the chance to cast it into the fires of Mount Doom, and thus Men are known to be weak in character and not entirely trustworthy.

Aragorn can change all of that. He is a ranger, a strong man skilled in the use of many weapons including swords. Aragorn is trained to survive in every situation. Many know him as Strider, but few are aware of his true identity as son of Arathorn and heir to Isildur's throne. He is the rightful king of Gondor, and a force to be reckoned with.

LEGOLAS

Legolas is a noble Elven prince, deadly accurate with his Elven bow and knowledgeable in wilderness lore. Because he is an elf, Legolas has exceptional sight and hearing, and although he will never die of old age, he can be hurt or killed in battle. Legolas is kind and graceful, and he has a deep love for the peaceful side of nature. He and his valuable bow attack are great assets to the Fellowship.

GIMLI

Gimli is a stubborn dwarf who makes up for his lack of height and grace with great strength, bravery, and tenacity. Gimli fears nothing when he has his trusty axe in hand, and his temper makes him formidable when angry. His gruff disposition keeps him from making friends easily, but as a member of the Fellowship he is a tough and loyal ally. Gimli especially dislikes elves, however during his adventures with the Fellowship he develops an unlikely friendship with Legolas. Gimli is very proud of his heritage, and looks forward to seeing his cousin Balin in the Mines of Moria.

FRODO

Frodo is the Ringbearer, a brave hobbit whose cleverness keeps him alive in the face of tremendous danger. His adventurous uncle Bilbo left him The One Ring, along with the troubles that accompany it. However, Frodo shows great resistance to the sinister powers of The One Ring and has volunteered to take it to Mount Doom and destroy it forever for the good of Middle-earth. There could not be a more difficult task.

GANDALF

Gandalf the Grey is known and respected throughout Middle-earth as a great conjurer and a genuinely wise man. He is not young, but he can use staves and swords skillfully in combat. Nevertheless, Gandalf's true strength lies in his vast repertoire of magic spells and abilities. He is the only character capable of using magic, and he uses it well.

Gandalf serves as a father figure to Frodo, providing leadership and protection to the young Hobbit. He would carry The One Ring himself, but his knowledge of magic is too dangerous to expose to the corruptive powers of The One Ring.

FORGES OF EVIL

No warrior takes Middle-earth's evil creatures lightly, and as Sauron grows in strength so do his armies of sinister creations. It is wise to learn the ways of these creatures, for knowing their weaknesses is your only hope against them.

CAVE TROLL™

Big, slow-witted, and dangerous, the cave troll is an awkward brute that might not be taken seriously if it weren't so horrifying. Its strength is legendary, its speed deceptively fast, and its thick hide and strong constitution make fighting one an epic event. Thankfully, its decision-making skills are lacking, and Cave Trolls despise direct sunlight.

ORCS™

The footsoldiers of Sauron's evil forces, Orcs can be found throughout Middle-earth. Although mutated from Elves, Orcs are corrupted forms that stand just over five feet tall. Taking their strength and determination for less than full-size can be a deadly mistake, however, especially when multiple Orcs are involved in battle. Capable of melee attacks as well as ranged attacks with bows, Orcs have no obvious weaknesses.

LURTZ™

At Amon Hen, the Fellowship fights to protect Frodo from the Uruk-Hai. Lurtz, their leader, is bigger and more fierce than the rest of his army, and slaying him will prove no easy task.

RINGWRAITHS (NAZGUL)

The nine Dark Riders were once great kings, hellishly corrupted to the point of no return. They fell victim to Sauron when he gifted them rings of power, which slowly turned them to wraiths. They are now completely under the Dark Lord's control and he dispatches them throughout Middle-earth in attempts to recover The One Ring. They appear in hooded black robes, usually when the Eye of Sauron is fully fixed upon The One Ring's wearer.

SARUMAN THE WHITE™

Once a trusted friend and advisor to Gandalf, Saruman betrayed all he once stood for to join the sinister cause of the Dark Lord Sauron. His powerful magic inspires fear in all those who oppose him, and his fortress in Isengard is home to a vast army of his own foul creation: the Uruk-Hai. One cannot hope to overpower Saruman, for merely surviving any confrontation with this brilliant wizard is considered a true victory.

SAURON™

The Dark Lord himself has not been physically present on Middle-earth for some time. In fact, it was over 3,000 years ago that Isildur cut The One Ring from Sauron's hand, ending his last evil reign. Today however, Sauron grows more powerful with every passing minute. His vile armies are spreading throughout Middle-earth in an ever-expanding search for The One Ring. If he gets it, Middle-earth will be plunged into an age of unimaginable terror and violence, and Sauron will take physical form once again.

URUK-HAI™

Saruman has succeeded in crossbreeding Men and Orcs. The result is an army of stronger, faster Orcs that do not weaken in sunlight. They are capable of melee attacks, ranged attacks with bows, and pike attacks. Genetic enhancement makes the Uruk-Hai larger, stronger, and far more dangerous than their standard Orc counterparts.

WARGS™

The great Wargs are a terrifying breed of huge wolf-like carnivores, driven by a hunger for blood and predatory intelligence. Saruman recruits Wargs, and Orcs skilled in riding them, in his campaign to crush the nation of Rohan. Worked into a killing frenzy by the murderous Orcs, the Wargs fall upon ruined Rohan refugees as they flee their burning homes.

THE WATCHER

The Mines of Moria rarely sees visitors, and the Watcher is one of the main reasons why. This multi-tentacled behemoth waits patiently for prey just outside the entrance to the mines, and very rarely does a man-sized meal escape its writhing grasp.

LIMITED 90-DAY WARRANTY

ELECTRONIC ARTS™ LIMITED WARRANTY

Electronic Arts warrants to the original purchaser of this product that the recording medium on which the software program(s) are recorded (the "Recording Medium") and the documentation that is included with this product (the "Manual") are free from defects in materials and workmanship for a period of 90 days from the date of purchase. If the Recording Medium or the Manual are found to be defective within the 90 days from the date of purchase, Electronic Arts agrees to replace the Recording Medium or Manual free of charge upon receipt of the Recording Medium or Manual at its service center, postage paid, with proof of purchase. This warranty is limited to the Recording Medium containing the software program and the Manual that were originally provided by Electronic Arts. This warranty shall not be applicable and shall be void if, in the judgment of Electronic Arts, the defect has arisen through abuse, mistreatment or neglect.

This limited warranty is in lieu of all other warranties, whether oral or written, express or implied, including any warranty of merchantability or fitness for a particular purpose, and no other representation of any nature shall be binding upon or obligate Electronic Arts. If any such warranties are incapable of exclusion, then any such warranties applicable to this product, including implied warranties of merchantability and fitness for a particular purpose, are limited to the 90-day period described above. In no event will Electronic Arts be liable for any special, incidental, or consequential damages resulting from possession, use or malfunction of this Electronic Arts product, including damage to property, and to the extent permitted by law, damages for personal injury, even if Electronic Arts has been advised of the possibility of such damages. Some states do not allow limitation as to how long an implied warranty lasts and/or exclusions or limitation of incidental or consequential damages so the above limitations and/or exclusion of liability may not apply to you. In such jurisdictions, the Electronic Arts' liability shall be limited to the fullest extent permitted by law. This warranty gives you specific rights. You may also have other rights that vary from state to state.

RETURNS WITHIN THE 90-DAY WARRANTY PERIOD

Please return the product along with (1) a copy of the original sales receipt, showing the date of purchase, (2) a brief description of the difficulty you are experiencing and (3) your name, address and phone number to the address below and Electronic Arts will mail a replacement Recording Medium and/or Manual to you. If the product was damaged through misuse or accident, this 90-day warranty is rendered void and you will need to follow the instructions for returns after the 90-day warranty period. We strongly recommend that you send your product using a traceable delivery method. Electronic Arts is not responsible for products not in its possession.

RETURNS AFTER THE 90-DAY WARRANTY PERIOD

If the defect in the Recording Medium or Manual resulted from abuse, mistreatment or neglect, or if the Recording Medium or Manual is found to be defective after 90 days from the date of purchase, please return the product along with (1) a check or money order for \$15 made payable to Electronic Arts, (2) a brief description of the difficulty you are experiencing and (3) your name, address and phone number to the address below, and Electronic Arts will mail a replacement Recording Medium and/or Manual to you. For The Lord of The Rings range Games Workshop has recreated in fine detail all the major characters and races in the film, for you to collect.

Painting

Games Workshop also produces a range of paints to recreate the beautiful colours and textures of the film and to make your models uniquely yours.

Gaming

Recreate the action and adventure of The Lord of The Rings film trilogy. Can you lead the armies of The Last Alliance to victory over the Dark Lord Sauron?

These finely detailed pewter metal miniatures come complete with a floor plan to represent Saruman's palantir chamber on your tabletop and rules to re-enact their magical duel. To obtain your own Wizards' Duel (for \$15 plus \$4 packaging and handling) call:
