Operation G.H.O.S.T.

## THE GHOSTS ARE BACK!

Sega's realistic tactical arcade light gun shooter is back. Operation G.H.O.S.T. puts players in the shoes of highly trained special force agents. They must use precision shooting and quick reactions to complete the mission whilst using some of the brand new tools at their disposal!

As well as new weapons, gadgets and equipment, Operation Ghost features a full coloured LED monitor surround which is synced with the in game action. This, combined with a gun mounted speaker, as well as the return of the popular challenge sections, provides a game play experience that will really immerse players in to the intense world of the G.H.O.S.T.'s.
