INSTRUCTION MANUAL

WARNING: READ BEFORE USING YOUR PLAYSTATION®2 COMPUTER ENTERTAINMENT SYSTEM.

A very small percentage of individuals may experience epileptic seizures when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a television screen or while playing video games, including games played on the PlayStation 2 console, may induce an epileptic seizure in these individuals. Certain conditions may induce previously undetected epileptic symptoms even in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition, consult your physician prior to playing. If you experience any of the following symptoms while playing a video game — dizziness, altered vision, eye or muscle twitches, loss of awareness, disorientation, any involuntary movement, or convulsions — **IMMEDIATELY** discontinue use and consult your physician before resuming play.

WARNING TO OWNERS OF PROJECTION TELEVISIONS:

Do not connect your PlayStation 2 console to a projection TV without first consulting the user manual for your projection TV, unless it is of the LCD type. Otherwise, it may permanently damage your TV screen.

USE OF UNAUTHORIZED PRODUCT:

The use of software or peripherals not authorized by Sony Computer Entertainment America may damage your console and/or invalidate your warranty. Only official or licensed peripherals should be used in the controller ports or memory card slots.

HANDLING YOUR PLAYSTATION 2 FORMAT DISC:

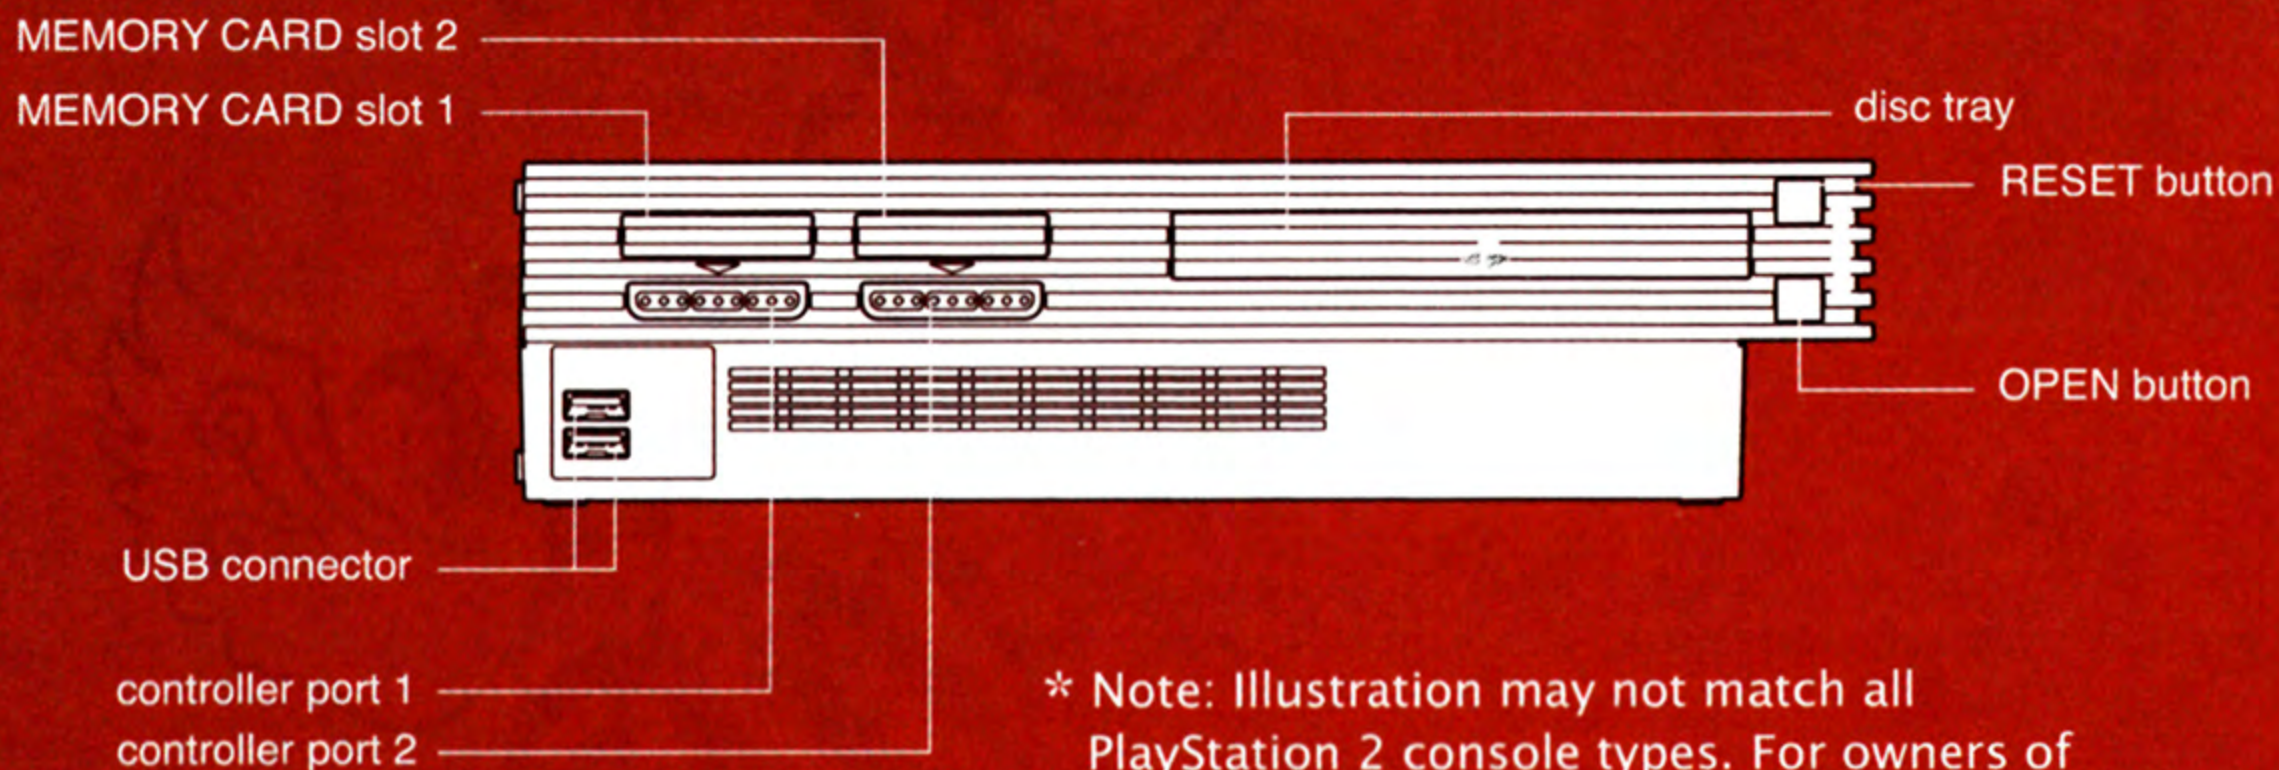

- This disc is intended for use only with PlayStation 2 consoles with the NTSC U/C designation.
- Do not bend it, crush it or submerge it in liquids.
- Do not leave it in direct sunlight or near a radiator or other source of heat.
- Be sure to take an occasional rest break during extended play.
- Keep this compact disc clean. Always hold the disc by the edges and keep it in its protective case when not in use. Clean the disc with a lint-free, soft, dry cloth, wiping in straight lines from center to outer edge. Never use solvents or abrasive cleaners.

Shop at the mall, jet off to London or Paris and rock the universe! But watch out, 'cuz old Burdine Maxwell and the Tweevils at Your Thing magazine will go to any lengths to stop the Bratz from being a success!

BEGINNING A NEW GAME

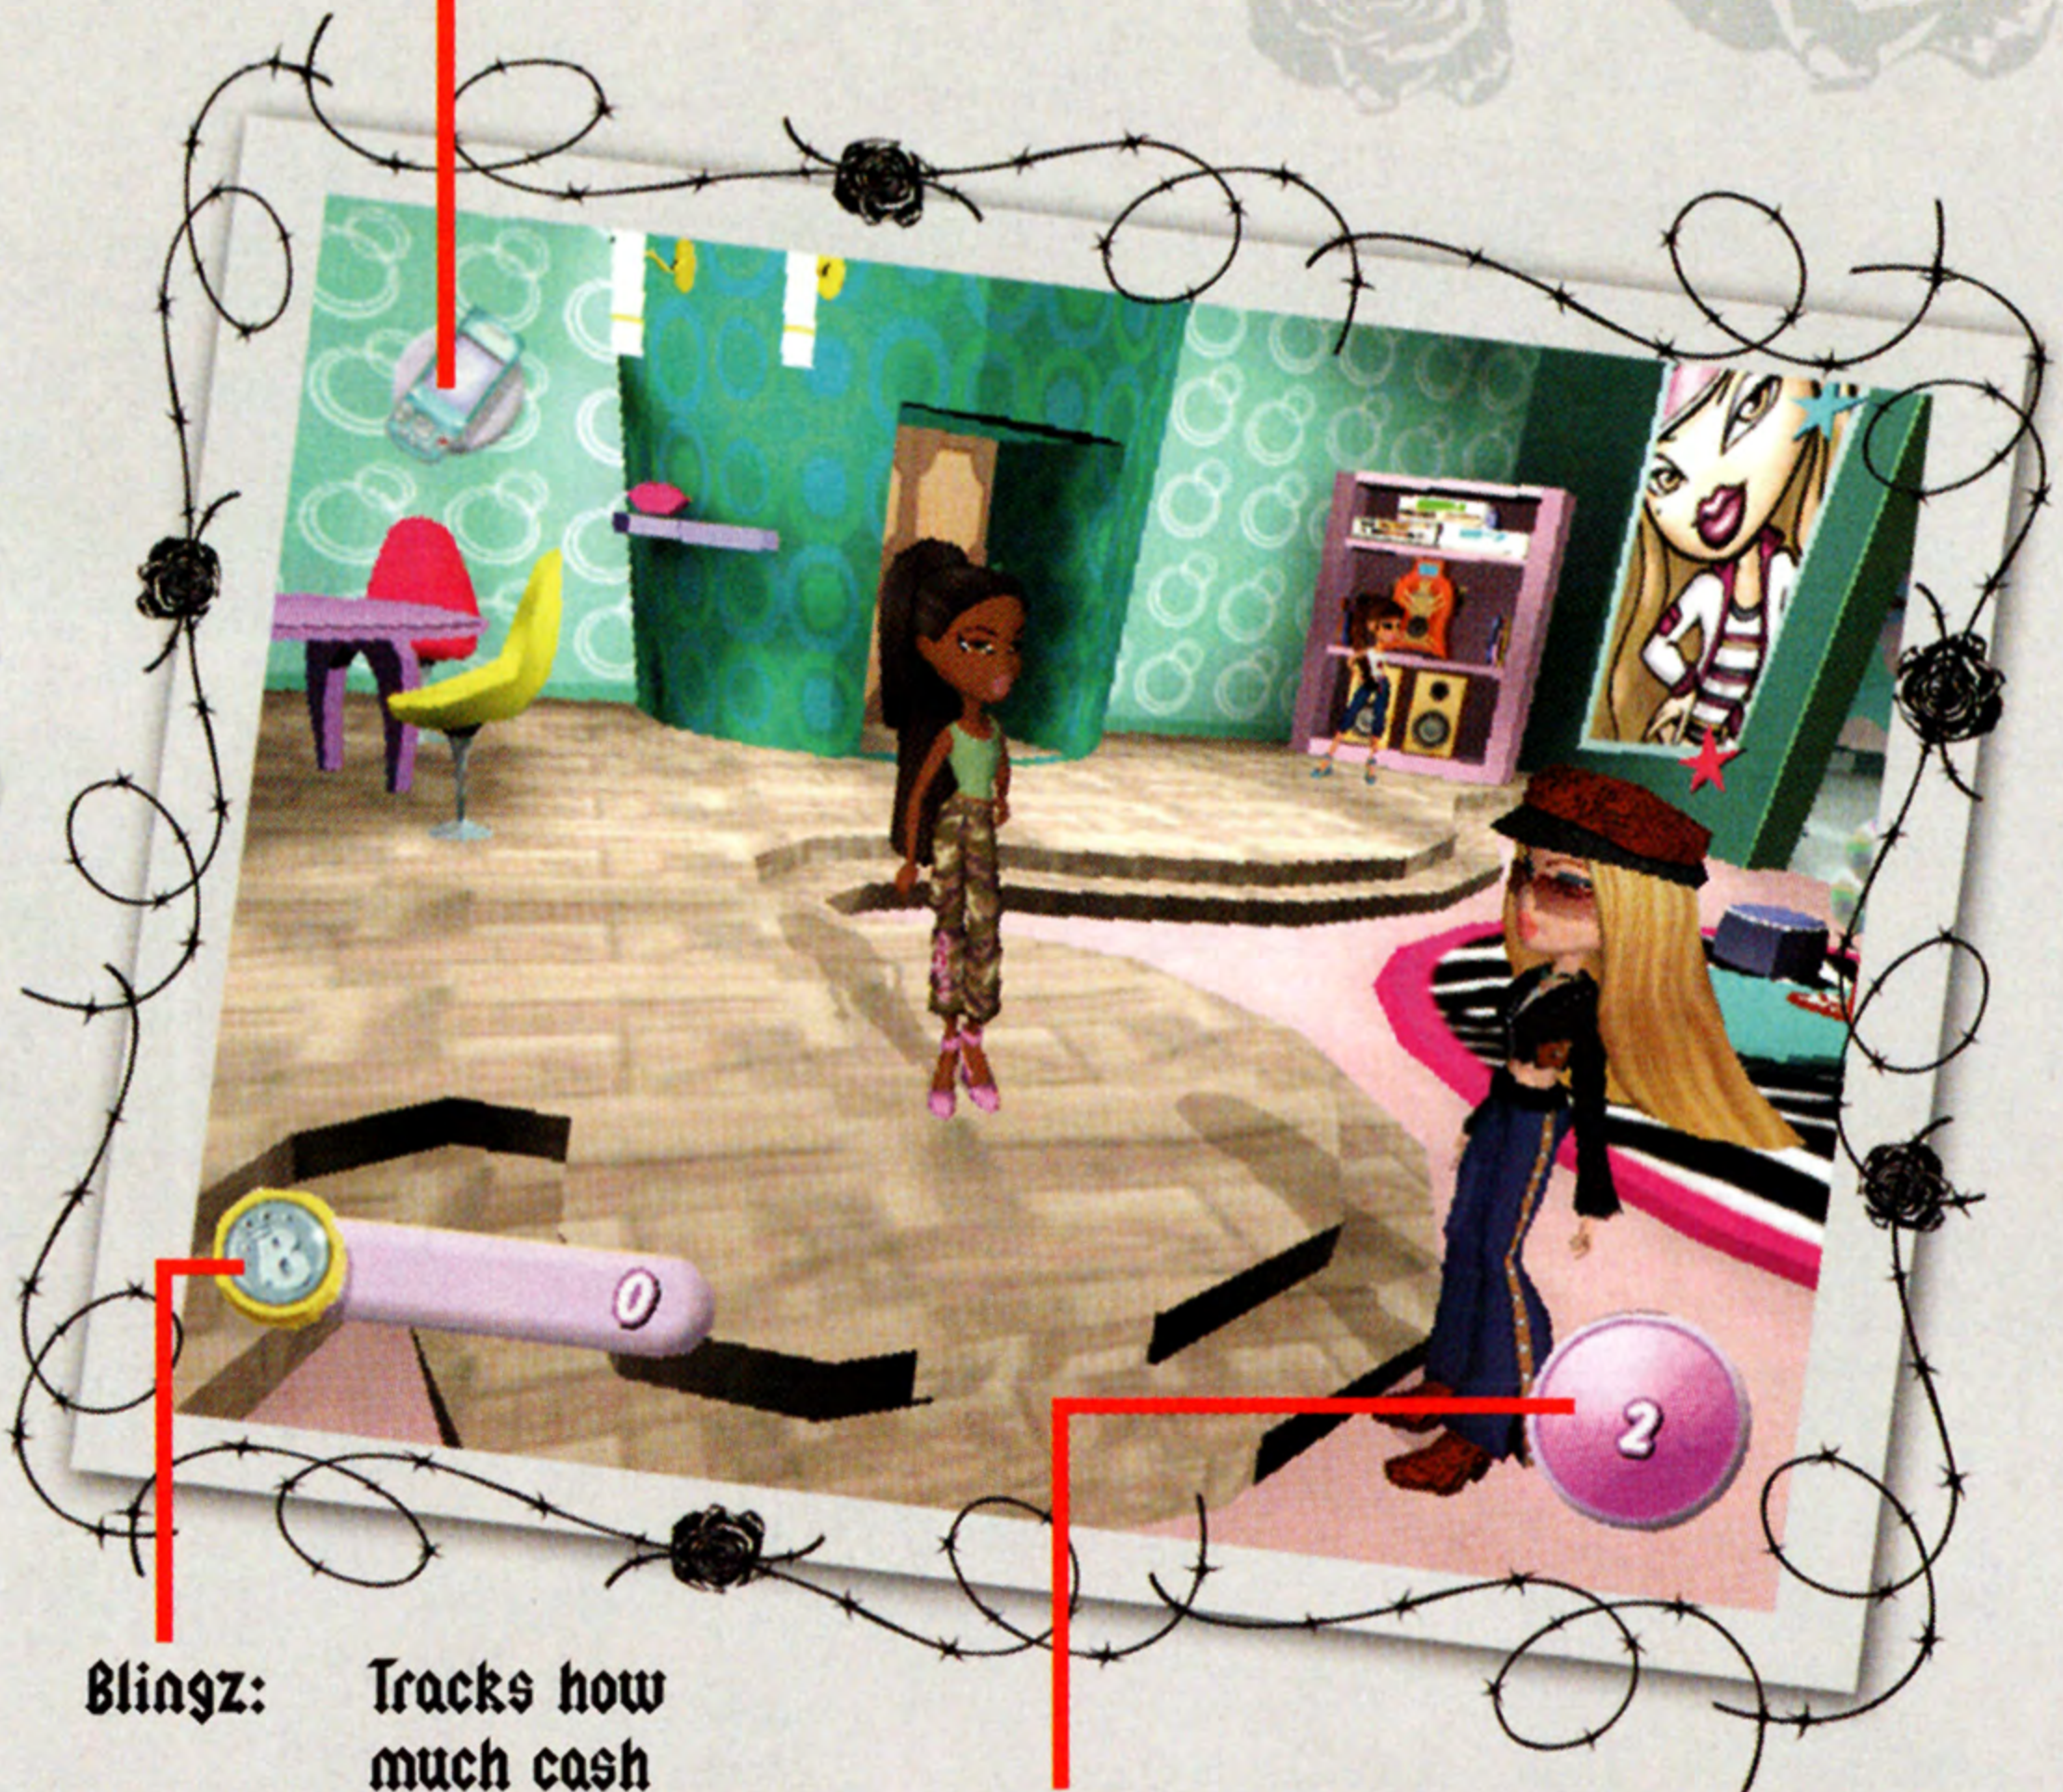

After the power is turned on, the title screen appears. Press the START button to go to the Main Menu. The Main Menu has three choices: New Game, Load Game, and Options. The Options Menu lets you adjust the Music, SFX, and Speech Volume, as well as Vibration and Subtitles.

BRATZ GOT THE 'LOOK'

Cell: Lets you know you've got a message.

Blingz: Tracks how much cash you've earned.

Tokens: Shows how many specialty tokens you've collected, which lets you see cool Bratz artwork and videos in the gallery and cinemas.

BRATZ GIRLS IN THE PLACE TO BE!

"It's my
total biggest
dream and it's
coming true!"
- Jade

The Bratz magazine
office is where you'll
find your assignments,
design the latest
rockin' issue and
hang with the Girls.

When this icon appears over one of the Bratz computers, that means there's an awesome new assignment waiting! If you don't see one, swap to another Girl. Each Girl has an assignment dreamed up just for her.

Want to see how many articles you need for the next issue? Click on this icon and check out the latest layout! When you've got all the main features done, the magazine will be sent to print.

Keep the office rockin' by heading over to the stereo and dropping the latest beats!

Fashion waits for no one. Click on this and change outfits from the Bratz shared wardrobe.

Click on this and punch in codes to get Blingz, new clothes, and full access to special characters.

Click on this and save your progress to a Memory Card. These are found in the Bratz magazine office, as well as hotels around the world.

HOOKED UP 24/7

Attention Mall Customers: You've GOT to check out the new fashions on sale at **Funky Fashion...**

The hottest, latest cell phone lets you stay hooked up with the Bratz, keep track of assignments, take cool pictures and also comes with a bunch of stylish covers and ringtones.

This checks any messages you might have.

The Contacts section lets you text message your friends.

The Planner tells you what task or assignment you're on.

The Photos option takes you to the photo gallery where you can look at stored pictures.

This changes the cover or ringtones on your cell.

Info shows you what tokens the Girls have collected.

You can use the  button to select highlighted options and lock or unlock up to three photos in your gallery. To get out of the phone, press the  button.

The best thing about the cell phone is the phat digital camera. It lets you take pictures for fashion layouts and travelogues. You can even keep extra pictures of hot guys and cool outfits to show them off to your friends! Just remember to 'lock' them if you want to save the pix for later.

WHEN THE ANGELZ PLAY

Throughout the game, each of the Bratz gets assignments for their magazine. Every time one of the Girls finishes an assignment, they get some Blingz to spend on clothes, music and accessories to ensure the Bratz stay on fashion's cutting edge!

All the Boyz go 'Hey' when the Angelz play and the Girls go 'Hey' when the Angelz play ...

But just 'cuz you gotta work don't mean you can't have a little fun. Whether you're racing around the mall on skates, having a dance-off at The Limelight or posing for a shoot at Picture This!, you can earn some extra Blingz as well as have a killer time.

Hint: Look for information booths if you need help to get where you need to go: just look for a Circle with an 'i' in it.

Also, if you see Meygan, Fianna, Koby, Cameron or any of the Bratz' friends, make sure you stop and chat. Maybe you can write them up in a bonus article!

Hint: When you see an Exclamation Point over somebody's head, it means they have a task for you. You can also text your friends to find out who needs the help.

TIPS ON LIVIN' LARGE WITH THE BRATZ

Here are some icons you'll run into as you go through the mall:

Get the Girls' new hairstyles to go with that new dress.

Think you've got a passion for fashion? Shop off the rack or search the bargain bins for great deals!

You're going to need shoes with that new ensemble.

A little jewelry would really make that outfit sizzle.

Nothing like a little makeup to complete a look! You can use the game controls to totally customize your style.

Strike a pose, show your stuff and collect mad Blingz!

Here's where you can put together your own T-shirts or posters.

Buy the latest hits for your boom box or ringtones for the cell. You can also find new make-up compacts and face painting decals!

SAVING & LOADING

At the end of each task, you can save the game from the save game computers that can be found in the office and hotels around the world. To save your game, insert a Memory Card (8MB) (for PlayStation®2) into MEMORY CARD Slot 1 of the console before starting play. You select from

any of the save slots to either load or save games. You can play your saved games from the same Memory Card (8MB) (for PlayStation®2) or from any Memory Card (8MB) (for PlayStation®2) with previously saved BRATZ™ – Rock Angelz™ games.

You can access a saved game from the Main Menu. Just highlight the Load option and press the  button to confirm.
