

EVIL DEAD

REGENERATION

INSTRUCTION MANUAL

**WARNING: READ BEFORE USING YOUR PLAYSTATION®2
COMPUTER ENTERTAINMENT SYSTEM.**

A very small percentage of individuals may experience epileptic seizures when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a television screen or while playing video games, including games played on the PlayStation 2 console, may induce an epileptic seizure in these individuals. Certain conditions may trigger previously undetected epileptic symptoms even in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition, consult your physician prior to playing. If you experience any of the following symptoms while playing a video game – dizziness, altered vision, eye or muscle twitches, loss of awareness, disorientation, any involuntary movement, or convulsions – **IMMEDIATELY** discontinue use and consult your physician before resuming play.

WARNING TO OWNERS OF PROJECTION TELEVISIONS:

Do not connect your PlayStation 2 console to a projection TV without first consulting the user manual for your projection TV, unless it is of the LCD type. Otherwise, it may permanently damage your TV screen.

USE OF UNAUTHORIZED PRODUCT:

The use of software or peripherals not authorized by Sony Computer Entertainment America may damage your console and/or invalidate your warranty. Only official or licensed peripherals should be used in the controller ports or memory card slots.

HANDLING YOUR PLAYSTATION 2 FORMAT DISC:

- This disc is intended for use only with PlayStation 2 consoles with the NTSC U/C designation.
- Do not bend it, crush it or submerge it in liquids.
- Do not leave it in direct sunlight or near a radiator or other source of heat.
- Be sure to take an occasional rest break during extended play.
- Keep this compact disc clean. Always hold the disc by the edges and keep it in its protective case when not in use. Clean the disc with a lint-free, soft, dry cloth, wiping in straight lines from center to outer edge. Never use solvents or abrasive cleaners.

GETTING STARTED

* Note: Illustration may not match all PlayStation 2 console types. For owners of SCPH-70000 series PlayStation 2 systems, refer to the setup instructions supplied with your system.

Set up your PlayStation®2 console according to the instructions in the manual. Make sure the MAIN POWER switch (located in the back of the console) is turned ON. Press the [RESET] button. When the [POWER ICON] indicator turns green, press the [OPEN ICON] button and the disc tray will open. Place the **EVIL DEAD REGENERATION** disc on the disc tray with the label side facing up. Press the [OPEN ICON] button again and the disc tray will close. Attach a DUALSHOCK 2 analog controller and other peripherals, as appropriate. Follow on-screen instructions and refer to this manual for information on using the software.

MEMORY CARD (8MB)(FOR PLAYSTATION®2)

To save game settings and progress, insert a memory card (8MB)(for PlayStation®2) into MEMORY CARD slot 1 of your PlayStation®2 console. You can load saved game data from the same card or any memory card (8MB)(for PlayStation®2) containing previously saved games.

CONTROLS

Button Press

Description

Left analog stick	Move Ash or Sam in the desired direction
Right analog stick	Move the camera left, right, up and down (can be inverted in the options menu)
X button	Execute a Jump
Circle button	Use Ash's Prosthetic Weapon (Chainsaw, Harpoon Gun, Flamethrower)
Sam's Punch	
Square button	Use Ash's Firearms (Pistol, Shotgun, Bomb-lance)
Sam throws Spirit Stun	
Triangle button	Perform Action (appropriate to situation)
	Perform Finishing Move on Stunned Deadite

L1 button

Block

R1 button

Press and hold for Manual Targeting mode.

Use Right Analog Stick to Change Targets in this Mode.

L2 button

Press to change Firearm (Pistol, Shotgun, etc.).

End Sam Possession.

R2 button

Press to switch Prosthetic Weapon (Chainsaw, etc.).

R3 button

Press to center the camera behind Ash, when in an area that allows the camera to follow behind Ash.

↑ directional button

Press **↑** to Kick Sam.

Press and Hold to channel Ash's Inner Evil into Sam and kick him, detonating him on impact.

↓ directional button

Press **↓** to temporarily turn into Evil Ash.

Press again to return to normal.

▶ button
START

Pauses the game and brings up the Pause Menu.

■ button
SELECT

Pauses the game and brings up the Abilities Screen.

INTRO

ASHLY J. WILLIAMS NEVER BELIEVED IN TRUE EVIL...until that night at the cabin in the woods. That's where he and his friends found the Necronomicon Ex Mortis, the Book of the Dead.

The book awakened a dark, infectious evil. It got into Ash's hand and turned it against him, so he cut it off. It got to the others, too, twisting them into something less than human, forcing Ash to butcher them to survive.

Unable to provide a believable explanation for the killings, Ash has since been confined at Sunny Meadows Asylum for the Criminally Insane under the watchful eyes of the fiendish Dr. Vladimir Reinhard. But his luck begins to change when Sally, his determined lawyer, finds evidence in Dr. Reinhard's office that proves Ash is not insane.

Meanwhile Dr. Reinhard is conducting secret experiments on Sam, one of the Asylum's inmates, to infuse him with the power of the book while keeping his soul intact.

Confident with his success, Reinhard performs the experiment on himself. However, things go awry and the evil overtakes Reinhard, the inmates of the Asylum, and the very building itself. And it won't stop there.

Now Dr. Reinhard has vanished, along with the Necronomicon—and Sally. All that stands between the unsuspecting world and unimaginable evil are Ash, with his trusty chainsaw and shotgun, and Sam, a half-sized, half-Deadite hell bent on revenge. Together they set out to rescue Sally and to close the book on the Evil Dead once and for all.

PLAYING EVIL DEAD REGENERATION

MAIN MENU

NEW GAME

Selecting New Game starts the **Evil Dead Regeneration** adventure from the beginning. Once selected, the opening movie plays, followed by a brief game tutorial.

LOAD SAVED GAME

- Replay previously played levels
- View unlocked extras
- View unlocked cinematics

You may start from a previously saved Sacred Symbol location, or at the beginning of a level that follows a previous end-of-level game save. Files are listed by time stamp.

OPTIONS

Game Options can be accessed under the headings of Game Play, Controls, and Video Calibration.

- **Game Play Settings** - Turn on and off the Vibration, Subtitle, Sound Effects, and Speech functions, and set the Vertical and Horizontal camera control to normal or inverted.
- **Controls** - View the game controls.
- **Video Calibration** - Use your television color and brightness adjustments to maximize the quality of the picture.

THE GAME SCREEN

LIFE BAR OVERLAY

The Life Bar Overlay in the top-left corner of the screen will fade out after a short period of time where the player does not attack or get attacked. It returns when the player attacks or takes damage.

LIFE

A red horizontal bar represents Ash's life. When the player is in control of Sam, his life is represented by a blue horizontal bar below Ash's. When Ash or Sam is taking damage, the skull will change its expression and the life bar will deplete. Collecting Life Essence dropped by enemies, objects in the environment or from special health-giving sacred symbols will refill the life bar.

INNER EVIL

Evil Essence fills the vertical meter, which looks like a spine below the life bar. Evil Essence allows Ash to transform into Evil Ash or to perform a charged kick with Sam turning him into a flying bomb. Ash does not have this ability at the beginning of the game, and must work his way into the game before gaining Evil Essence.

SAVE GAME

The game can be saved at a series of greenish-yellowish Sacred Symbols scattered throughout the levels. Progress can also be saved when a level is completed.

PAUSE MENU

Resume Game – Returns to gameplay from the Pause Menu.

Continue from Save – Loads from a previous save file.

Options - Game Play Settings

- **Vibration** - ON/OFF
- **Subtitles** - ON/OFF
- **Vertical Camera Control** - Toggles between normal or inverted up and down camera movement.
- **Horizontal Camera Control** - Toggles between normal or inverted left and right camera movement.
- **Speech** - ON/OFF
- **Sound Effects** - ON/OFF

Options - Video Calibration

- **Gamma** – Maximize the quality of the picture.

Quit Game

Returns the player to the Main Menu.

SPECIAL MOVES

COMBO MOVES

(WITH CHAINSAW EQUIPPED)

By pressing a series of attack buttons, Ash performs various special attacks or combined attacks with his left and right arm weapons.

Control	Action
○, ○, ○	Triple Slash
○ [press and hold]	Power Blow
×, ○	Jump Slash
○, ○, ×	Chainsaw Chop
○, ○, □	"Tooth & Lead" attack
○, ○ [pause], ○, ○, ○	Chainsaw Finisher
○, ○ [pause], ○, ○, □	Boomstick Finisher
○, ○ [pause], ○, ○, ×	Overhead Finisher
L1 + ○	Whirling Attack
L1 + ○	Counter Attack (immediately following enemy melee attack)
R1 + × + left analog stick, ○	Dodge & Launch
○ [press and hold], □	Hang'em High
○	Beat Down

FINISHING MOVES

When a Deadite is low on health, as indicated by greenish vapor escaping from it, Ash can finish it off by pressing the  button when standing in close proximity. Ash will perform a variety of finishing moves automatically, depending on the type or position of the enemy he is attacking.

TIP: Keep an eye on Sam, as he will often set enemies up for Ash to finish off!

EVIL ASH

Ash gains the ability to turn into Evil Ash in the course of the game. Once this skill is obtained, Ash begins to collect Evil Essence. When Ash collects enough Evil Essence, he can become Evil Ash. He becomes bigger, stronger and faster, and inflicts more damage on enemies. When the Inner Evil meter is flashing, press ↓ on the directional buttons to trigger Evil Ash mode. Evil Ash mode ends when the Inner Evil meter depletes, or when you press ↓ on the directional buttons again.

KICK SAM

Some environmental puzzles require Ash to kick Sam onto a manually targeted object. Sam can also be a weapon for Ash. Sam wants to let out his aggression on Deadites, but literally needs a kick in the pants from Ash to finish them off. He will automatically seek the nearest Deadite to attack when kicked, but manual targeting ensures Sam will attack a specific enemy.

10

TIP: Some larger Deadites are only vulnerable when Ash kicks Sam onto them, but Ash will need to get in close and finish them off. Kicking Sam is also a great way to attack enemies who are out of reach.

POWER BLOW

Holding down the ◎ button when the chainsaw is equipped causes Ash to “wind up” for a strong blow with the chainsaw. This launches enemies into the air.

JUGGLING ENEMIES

Ash can “juggle” enemies that have been launched into the air by shooting them repeatedly with the pistol or shotgun.

TIP: Juggling enemies is a good way to gather extra Life Essence and Evil Essence.

WEAPONS

FIREARMS:

.45 AUTOMATIC

Ash obtains a semi-automatic pistol from a fallen Sunny Meadows security guard. It has a high rate of fire and good range, but Deadites can survive a lot of hits from this gun.

SAWED-OFF 12 GAUGE ["BOOMSTICK"]

Ash's trusty sawed-off 12 gauge double-barreled shotgun packs a powerful punch, but loses accuracy with increased range, and has a longer reload time than the pistol.

BOMB-LANCE

A relic of the golden days of whaling, the Bomb-lance fires an explosive lance with a timed fuse, which sticks into enemies and explodes. Although it has a long reload time, it will finish many enemies with one shot. It is also used to blast through damaged walls or objects.

PROSTHETIC WEAPONS:

CHAINSAW

A custom prosthetic fitting keeps this sturdy chainsaw firmly attached to Ash's right arm. The chainsaw is ideal for close-quarters Deadite slaying, as well as smashing crates and wooden obstacles.

HARPOON GUN

Fires a spike attached to a long cable which impales and reels in enemies for Ash to launch off, or to shoot with a left hand weapon.

FLAMETHROWER

This weapon emits a stream of fire at enemies—or Sam. Ash moves slowly while using this weapon and must use it sparingly as it will overheat with continued use.

ITEMS

LIFE ESSENCE PICK-UP (RED)

Dropped by defeated enemies and certain objects in the environment, Life Essence refills a portion of Ash's health. Life Essence automatically seeks Ash when he is nearby.

EVIL ESSENCE PICK-UP (ORANGE)

Also dropped by defeated enemies and objects in the environment, Evil Essence feeds Ash's Inner Evil. Like Life Essence, Evil Essence automatically seeks Ash when he is nearby.

LIFE BAR / UPGRADE SYMBOL

To increase Ash's Life Bar capacity as well as fill it, locate and activate the red Sacred Symbols placed in the worlds.

INNER EVIL BAR / UPGRADE SYMBOL

To increase Ash's Inner Evil capacity, locate and activate the orange Sacred Symbols placed in the worlds.

SAM POSSESSION SYMBOL

To take possession of Sam, locate and activate the blue Sacred Symbols placed in the worlds.

SAVE GAME

To save game progress, locate and activate the greenish-yellow Sacred Symbols placed in the worlds.

NECRONOMICON PAGES

To unlock bonus content, locate the lost pages of the Necronomicon hidden throughout the environment.

LIMITED WARRANTY

Warranty and Service Information

In the unlikely event of a problem with your product ("Product"), you may only need simple instructions to correct the problem. Please contact the THQ Inc. ("THQ") Customer Service Department at (818) 880-0456 or on the web at <http://www.thq.com> before returning the Product to a retailer. Live Customer Service Representatives are available to help you Monday through Friday 9am to 5pm PST or you can use our automated systems by phone or on the web 24 hours a day, 7 days a week. Please do not send any Product to THQ without contacting us first. Your 5 digit Product Code is **46070**. Please use this code to identify your Product when contacting us.

Limited Warranty

THQ warrants to the best of THQ's ability to the original consumer purchaser of the Product that the medium on which the Product is recorded shall be free from defects in materials and workmanship for a period of ninety (90) days from the original date of purchase. The Product is sold "as is," without express or implied warranty of any kind, and THQ is not responsible for any losses or damages of any kind resulting from use of this Product. If a defect occurs during this ninety (90) day warranty period, THQ will either repair or replace, at THQ's option, the Product free of charge. In the event that the Product is no longer available, THQ may, in its sole discretion, replace the Product with a Product of comparable value. The original purchaser is entitled to this warranty only if the date of purchase is registered at point of sale or the consumer can demonstrate, to THQ's satisfaction, that the product was purchased within the last ninety (90) days.

To receive warranty service:

Notify the THQ Customer Service Department of the problem requiring warranty service by calling (818) 880-0456 or on the web at <http://www.thq.com>. If the THQ service technician is unable to solve the problem by phone or on the web via e-mail, he will authorize you to return the Product, at your risk of damage, freight and insurance prepaid by you, together with your dated sales slip or similar proof-of-purchase within the ninety (90) day warranty period to:

THQ Inc.
Customer Service Department
27001 Agoura Road, Suite 270
Calabasas Hills, CA 91301

THQ is not responsible for unauthorized returns of Product and reserves the right to send such unauthorized returns back to customers.

This warranty shall not be applicable and shall be void if: (a) the defect in the Product has arisen through abuse, unreasonable use, mistreatment or neglect; (b) the Product is used with products not sold or licensed by Sony Computer Entertainment America or THQ (including but not limited to, non-licensed game enhancement and copier devices, adapters and power supplies); (c) the Product is used for commercial purposes (including rental); (d) the Product is modified or tampered with; (e) the Product's serial number has been altered, defaced or removed.

Repairs after Expiration of Warranty

After the ninety (90) day warranty period, defective Product may be replaced in the United States and Canada for US\$25.00. The original purchaser is entitled to the replacement of defective Product for a fee, only if proof of purchase is provided to THQ. Make checks payable to THQ Inc. and return the product along with the original proof of purchase to the address listed above.

Warranty Limitations

THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES AND REPRESENTATIONS. NO OTHER WARRANTIES OR REPRESENTATIONS OR CLAIMS OF ANY NATURE SHALL BE BINDING ON OR OBLIGATE THQ. ANY APPLICABLE IMPLIED WARRANTIES OR REPRESENTATIONS, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE HEREBY LIMITED TO NINETY (90) DAYS FROM THE DATE OF PURCHASE AND ARE SUBJECT TO THE CONDITIONS SET FORTH HEREIN. IN NO EVENT SHALL THQ BE LIABLE FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES RESULTING FROM THE BREACH OF ANY EXPRESS OR IMPLIED WARRANTIES.

The provisions of this warranty are valid in the United States only. Some states do not allow limitations on how long an implied warranty lasts or exclusion of consequential or incidental damages, so the above limitations and exclusions may not apply to you. This warranty gives you specific legal rights, and you may also have other rights, which may vary, from state to state.

Copying of this Product or any of its contents or elements is illegal and is prohibited by United States and international copyright laws. Back-up or archival copies of this Product or any of its contents or elements are not authorized and are not necessary to protect your Product. United States and international copyright laws also protect this manual and other printed matter accompanying this Product. Violators will be prosecuted.
