GAME DESCRIPTION

Welcome to The Guy Game's Spring Break!

Fill up a cooler, grab some sun tan lotion and a beach towel! The Guy Game puts you right in the middle of the steamiest Spring Break action at South Padre Island, Texas -- one of the world's wildest and most popular party spots for one week of debauchery where inhibitions get lowered and hell gets raised!

It was a tough job, but we spent weeks "Guy Gaming" with over 200 hot co-eds for all of your video gaming pleasure. We combed the beaches for the sweetest of Honeys, now it's your turn to enjoy the cream of the crop!

Think you're smarter than a half-naked, party-crazy co-ed, do ya? Don't be so cocky. Scare up some friends and see who among you is a genius and which one of you is the *dumbass*. Wrap your cerebral cortex around our Guy Game trivia, or flex your hand-eye skills with one of the fast-action mini-games. Play your cards right, and you just might go all the way to the **Hottie Challenge**, where you'll get to ogle some smokin' babes competing tooth and press-on nail for Spring Break Supremacy.

Ranks (Multi-Player Only)

Just like the drinking game you remember from college...and if you don't remember, you were playing it right! Ahh, sweet blackouts.

Start things out with a quick game of High Card. If you're the player who draws the highest card, you're the President. Draw the lowest, you're the Asshole. It's just that simple, no re-counting necessary.

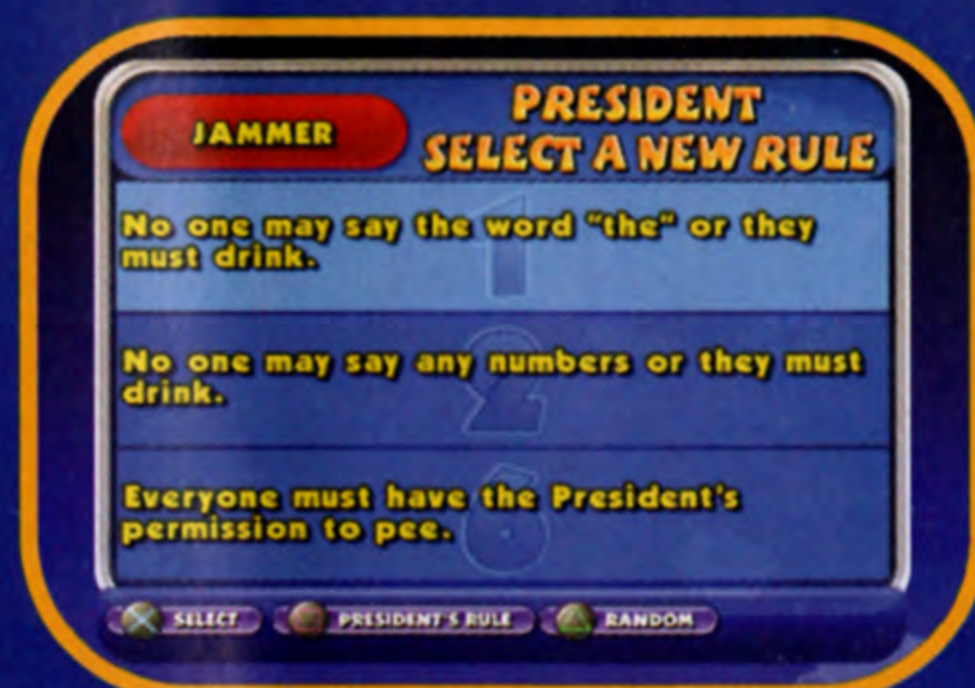

Any additional players fall somewhere in between (Maximum 4 players). Once the ranks are determined, the President makes the rules. He can pick from the provided list of rules, or players can create their own customized list of rules for the President to choose from. If you're not the President, be prepared to suffer the consequences!

Your Guy Game Travel Guides

Take some time to meet some of the people who will guide you through this tour of depravity...

MATT SADLER-YOUR HOST

Armed with a quiver of questions and a thirst for fun, Guy Game Host, MATT SADLER leads the way like the Pied Piper of Spring Break Partying. If the Hotties miss any of his questions, they have to show their assets...sorry, ladies, it's the law.

DICK & STEVE

Dick and Steve are The Guy Game's announcers and have between them over 50 years of deftly calling topless athletics. Remember Co-Ed Naked Lacrosse? These guys coined the phrase, "rough, tough and in the buff." After a lengthy, worldwide search, they were discovered in a dive bar in the Philippines, hosed off, dried out and sent to South Padre Island to be the virtual tour guides for The Guy Game.

LUCKY LACY

She's sassy, she's spunky and she doesn't pull punches. The irrepressible Lucky Lacy dishes out tips and virtual pats on the back when you're kickin' ass. However, she can also serve up a verbal wedgie at the drop of a g-string when you're sucking. Either way, pay close attention to Lacy, as she's known for slipping in a hint or two when it really counts!

Your Cheerleaders

Imagine how well you would've done in school if you had your own personal cheerleader... disrobing for every good grade you got.

Kick off The Guy Game by selecting one of four luscious babes to represent you and be your virtual cheerleader throughout the game. The more you know, the more you see! But watch out! The worse you do, the more clothes she puts back on and the more pissed off she becomes. If you start doing really badly, she might even give you the finger! And we don't mean the index finger.

The more episodes you're able to unlock, the more cheerleaders become available for you to choose.

Knowledge is indeed power, my friend.

SUCK!**

**YOU'RE

The Guy Game Hotties

Sure, there are lots of bells and whistles, but the meat of the game is the Spring Break girls! Over 200 Hotties made a huge sacrifice and subjected

as a double team, some played solo, but they all had to show their boobs!

themselves to the perils of being contestants on The Guy Game.

Some girls paired up to play

STARTING THE GAME

Main Menu

START GAME - Guess what this does? That's correct, Mensa®, it starts the game. Make your way to a selection screen that allows for fine-tuning of aspects such as number of players, rule sets and the Ballz Games.

OPTIONS - Allows for pre-game management of features like rules, profiles, music and vibrations.

PLAY A QUICKIE - If foreplay isn't your thing, a Quickie will take you directly to the Ballz Games, where you can compete against your friends or just practice playing with your Ballz all by yourself!

MEET THE BABES - Quick introductions for The Guy Game Babes, their stats, bios and quotes from each of the eight cheerleaders.

ADDITIONAL STUFF - This is where you can find credits, unlocked videos and pictures for all of your drooling needs.

STARTING THE GAME

#1 Select Your Episode

Start out by playing the episodes in the first set. Once you've unlocked them all, you move on to Set 2. Keep at it until you've unlocked all 20 episodes!

Remember: your progress is only saved once you make it to an episode's Final Scoreboard!

#2 Select Your Cheerleader

Pick the girl you want to represent you as you play The Guy Game. Wanna see more of your babe? Use the right trigger once the game gets underway for a full-length view (on Scoreboard only)!

#3 Choose Profile

Choose from a list of nicknames to make it easy, or enter in your own. The Guy Game will remember you and keep track of your scores.

#4 Play for Your Rank

(Multi-Player Only)

Whether you play with two, three or four guys, every game's gotta start with a President. Pick a card, any card...if it's the highest, you're the Prez. If it's the lowest, you're the Asshole. (Guys, doesn't it suck when you lose your election?)

Once this happens, the President gets to make the first rule. Choose one from the list provided or make up your own!

Wanna Go Solo?

If you insist on playing with yourself, there are a few things you should know. First off, there are no ranks, which means no high card to choose, no President, and no rules to create. You cannot steal or give headbutts. And you will only get to play BallzShotz.

PLAYING THE GAME - TRIVIA ROUNDS

Meet the Hottie

At the beginning of each game, you'll have an opportunity to meet each of the contestants and umm, *uncover* various facts and figures *about* the hotties...including facts about their figures such as measurements, majors, as well as their likes and dislikes. And pay close attention to the mini-interviews during "Meet the Hotties". Be a private dick and use the glimpses of the girls' personalities as clues to figure out their possible strengths in specific fields of knowledge. When it's time to wager whether or not a cutie will give the right response, you may have an inside advantage.

Meet a contestant in pre-med who gets quizzed on anatomy; does she have the confidence to answer correctly? Or is she more nervous than a Chihuahua in a dentist's chair after a triple espresso?

PLAYING THE GAME - TRIVIA ROUNDS

Round 1 - The Foreplay Round

It's trivia time, losers! In this round, you'll be asked six trivia questions. After each question, you'll see a Spring Break Sweetie being asked the same stumper. This is your bonus question. Now pay attention, private, this is also your key to unlocking her bra-strap: you will gamble on

whether or not she gets the right answer. Correct guesses for the bonus heat up the Flash-O-Meter and make for better and more visible flashes.

There are several ways to score big-time in this round, so stay on your toes. Anything can happen. Just as history has taught us time and again, Assholes can easily become Presidents, and Presidents

can turn into colossal Assholes!

Each question starts out with a value of \$800. You best answer quickly, 'cos that dollar amount will begin to drop until it bottoms out at \$0. If you answer correctly, the dollar amount you landed on will be added to your total score. However, if your answer is incorrect, that amount will be *subtracted* from your total score.

Keep in mind that you can change your answer more than once. You'll notice that during the countdown, incorrect selections will disappear at intervals. If you notice that your selection has disappeared, you're wrong. Make another selection quickly before time runs out!

PLAYING THE GAME - TRIVIA ROUNDS

The Flash-O-Meter

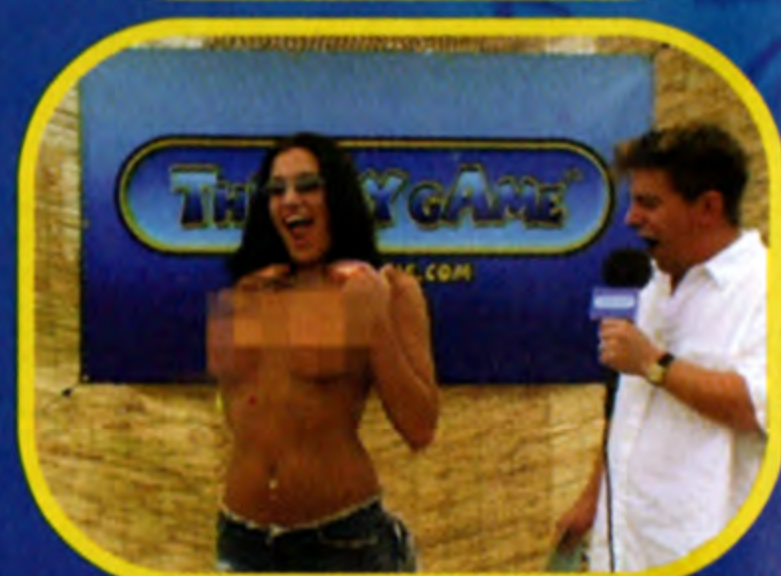

The Flash-O-Meter (pronounced Flash-O-Meter) is a gauge of how well or how sucky players are doing in a given episode. It lets players know how close they are to coming...to totally exposed flashes and the Pinnacle of Sporting Events, the Hottie Challenge. Correct guesses in the bonus section are what fuel the Flash-O-Meter. If you wanna get these hotties undressed in a hurry, work as a unit with the other players.

You guessed it, detective; the point of The Guy Game is to unlock all 20 episodes. The only way to unlock an episode is to drive the Flash-O-Meter all the way to Super-Stiff. (continued, p. 20)

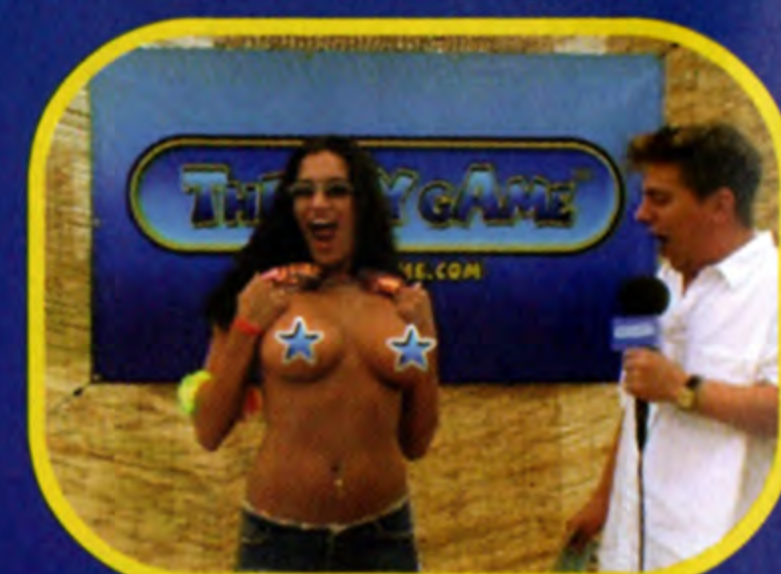

Level • 1 • Flash Soft-n-Squishy

In this stage, the knocker blocker is in place and the girls' goodies are completely covered.

Level • 2 • Flash Sorta Chubby

Now the blocker is gone, but the boobs are partially obscured by pixels. Wait...do I see a nipple??

Level • 3 • Flash Super Stiff

At this stage, the episode is completely unlocked and it's boobs-a-go-go!

No free boobs here!
You're gonna have to earn 'em!

PLAYING THE GAME - TRIVIA ROUNDS

(continued) The Flash-O-Meter

Sometimes it's necessary to play a particular episode more than once to unlock it. Unless you have the memory of a goldfish with a stroke, bonuses become easier the second time around. What's more, when you replay an unlocked game, there's no more Flash-O-Meter and that means that all of the flashes are totally unobscured...lucky you!

Of course, if you prefer a challenge, you may elect to play the Alternate Trivia when you replay an unlocked game. This is done beforehand, during the game setup. The Guy Game comes well endowed with around a thousand extra questions that are not in the standard episodes. They are divided into four categories: *TV/Movie*, *Music*, *Sports*, and *General*. When players opt for this alternative trivia, the President chooses the category at the beginning of each question.

YOUR ENEMY!

**BYE BYE,
FLASH-O-METER!**

Each time an episode is unlocked, players are rewarded with either a new set of episodes, a new Cheerleader to choose from, pictures or special video content. What special video content?

Keep your pants on. You'll see.

PLAYING THE GAME - TRIVIA ROUNDS

Ass Savers

No, it's not some hard candy for your rectum; Ass Savers can cover your worthless butt when you're feeling a little unsure of yourself. And what if you get a question that you've known the answer to by heart since you were twelve years old? Ass Savers can give you a boost.

Here's how it works: Each player is given Ass Savers at the start of each episode; to be used whenever they choose. Ass Savers may *only* be selected while Lucky Lacy is reading the question. **BE QUICK!** Before the possible answers appear onscreen, use the L1 Button call up the Ass Savers menu, then use the D-PAD to highlight your intended action. For Double-Up or Immunity press the Cross button to select. For Headbutts, press the answer button that corresponds to

the player number you wish to Headbutt.

For example: Press the Answer 1 **BUTTON**  to Headbutt Player 1.

DOUBLE-UP Select a Double-Up when you're absolutely positive you know the right answer to a question. Whatever score you achieve for answering a trivia question will be automatically doubled.

But you better be sure! Selecting the Double-Up and subsequently answering *incorrectly* will double the amount of cash taken away from you!

HEADBUTT (Multi-Player only) You don't have to be the Asshole to act like one. And it's not too often that you can say, *"I gave the President a headbutt!"*

When you see a question and you're certain that one of the other players doesn't know the answer, laying down a Headbutt is a perfect way to put the screws on him. The Headbutt acts to double what the player is risking on the question. If a player receives a Headbutt and answers incorrectly, he loses double the amount he would have ordinarily lost. However, just like the Double-Up, a Headbutt can backfire. If your intended victim answers correctly, he is rewarded with double the cash. Each player is allowed to give out two Headbutts per episode, and only one will work on any one player at any given time.

IMMUNITY The most powerful Ass Saver of all. This one comes in handy for questions that leave you utterly clueless. Selecting Immunity grants the player an automatic full \$800 score on a question.

This Ass Saver also puts the brakes on any Headbutts that another player tries to dish out. Immunity is great way to get someone to waste one of his Headbutts, but each player gets only one Immunity per game, so use it wisely!

PLAYING THE GAME - TRIVIA ROUNDS

Coins

Everyone likes free stuff. After a question is asked and the multiple choices are revealed, you might see a spinning coin in the top right area of the screen. To snatch one of these coins, press any direction on the D-Pad. Catching a coin *usually* adds cash to your score...but beware, my greedy globs of testosterone! Sometimes coins will actually take cash away from you.

In addition to the standard coins, there are several special coins that will appear infrequently:

GG-Spot Coin - Appears as a compass with four directional points. These directional points are lit up in a specific sequence and the order is then repeated. Simon sez: Be the first player to mimic the sequence successfully for extra cash.

Roulette Coin - Appears as a ball spinning on a roulette wheel.

Try to guess where the ball will fall. Each player's guess for the ball's destination is unique. You cannot choose a destination that another player has already chosen. It's just like Vegas...without all them pesky hookers.

Number Match - During the countdown, you will spot a randomly selected Number right below the time counter. A Number will accompany every question. Any player able to Match their score on a single question with this Number receives an extra \$2000. Grease up them fingers, Cooter, those Numbers fly by faster than you can say "carpal tunnel syndrome."

PLAYING THE GAME - BALLZ GAMES

Round 2 - The Ballz Games

In Round Two we find out who's got the biggest Ballz. The player who holds the office of President at the end of Round One will decide which of the Ballz games will be played. Then, everyone gets to show off their hand-eye coordination in a 3-D mini game that will make your eyes cross and ballz bounce!

BallzOut Go BallzOut and compete by using your ball to knock all the other balls off of the platform. Watch for random "Power Up" icons. Most of the Power Ups give a player an advantage, but some can leave you downright impotent.

BallzIn Select BallzIn and do your best to fire the shot ball through other players' goals while protecting your own goal from penetration. Kinda like soccer, only it won't take four hours to score. For extra cash, try a long shot or banking the ball off one or more walls and then into a goal.

BallzShotz Opt in for BallShotz and try your hand at shooting free-throws into moving targets. The turbo boost can really launch a ball, but be careful; the baskets get harder and harder to hit! In Single-Player mode, you must reach a target score of 100,000 points to grab that extra cash, since there are no other players to challenge.

Round 3 - The Titwitz Round

You've heard it all your life: two wrongs don't make a right. Right? Wrong. In the TitWitz round, one wrong *is* right. Let me explain. Just like in the Foreplay Round, you'll get six trivia questions. Then you'll have to bet on how the Hottie answers.

GUESS THEIR WRONG ANSWER!!

The biggest difference here is that *all* of the Hotties' responses are incorrect. It's up to you to figure out which of the two wrong answers provided is the answer she gives.

And watch your step, boys, some of these are doozies. The best thing about the TitWitz Round is that since all of the Hottie responses are wrong, all six questions show a flash. That's nearly a baker's dozen of sweater muffins, which should have you poppin' fresh in no time.

Hopefully by now your Flash-O-Meter is at the Super Stiff Level!

PLAYING THE GAME - TRIVIA ROUNDS

MAKE OTHERS MISERABLE!

You can really screw with other players during The Guy Game, (especially if you're the President!)

The following moves work whenever the game is on the scoreboard screen:

SLAP - Hold down the **SELECT BUTTON** and then press the button of another player to deliver a virtual SLAP to that player! (*Only Players You Outrank*) Refer to Controls Chart.

FATBOY - Hold down the **L1 BUTTON** and press the button of another player to replace his sexy cheerleader with a very unsexy fat guy. (*President Only*)

TAUNT - Hold down the **L2 BUTTON** and press the button of another player to hear Lucky Lacy make fun of that player. Or if you're the President, do this to yourself to hear Lacy virtually stroke your...ego. (*President Only*)

SHOW GIRL - Use the **R1 BUTTON** to get a full-length view of your Babe. Three cheers for voyeurism! (*All Players*)

FART-O-MATIC - By pressing the **D-PAD**, you can make a really gut-wrenching fart sound that will send all other players running to light a match. You can use the **RIGHT ANALOG STICK** to control the pitch of the fart to produce one that would make your uncle blush! (*Asshole Only!*)

*Don't forget your most powerful weapon- your own imagination! In The Guy Game, you can make up your own rules to torture and humiliate your fellow players.

PLAYING THE GAME - TRIVIA ROUNDS

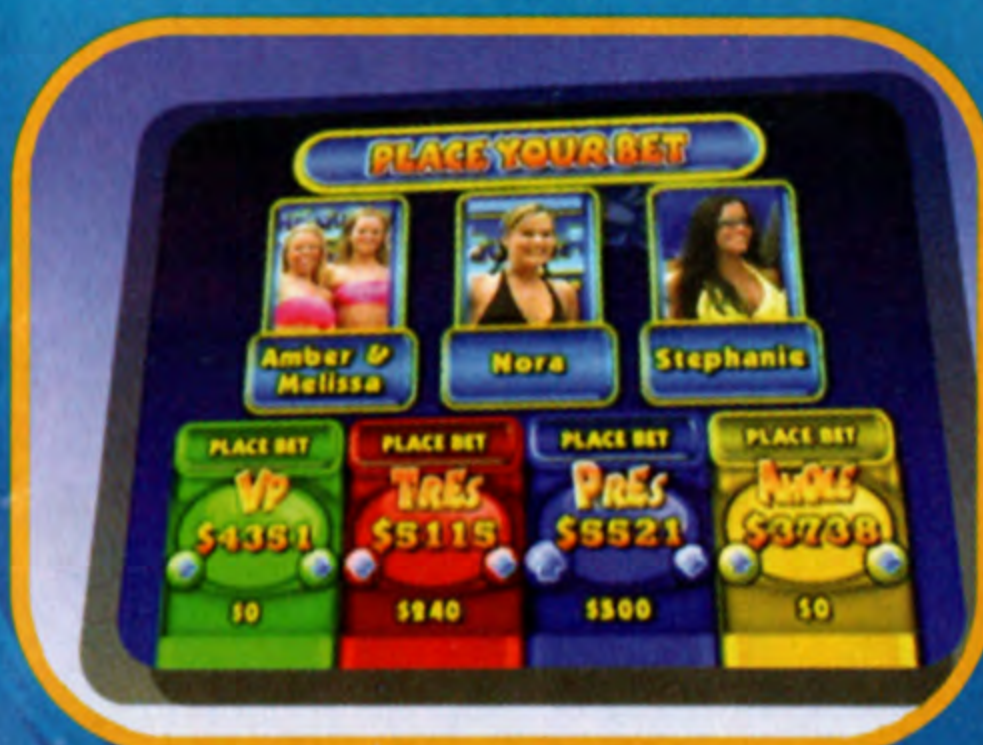

Round 4 - The Hottie Challenge

When an episode is unlocked by the end of TitWitz, players are treated to the Sporting Event of All Sporting Events, the Hottie Challenge. Three Hotties are pitted against one another in various, playful competitions, and are given either a head start or a time bonus for competing topless. It's a good old-fashioned Clash of Tit-ans, a Battle for your Bulge, a scuffle for... okay, I'll stop.

Whether it's Topless Jump Rope, Topless Hula Hoop, Topless Sack Race, etc., it's up to you to size up the girls who are competing. Does one girl look like she could easily bounce her way to victory?

CHOOSE YOUR HOTTIE

BET YOUR WAGER ON YOUR HOTTIE!!!

Place a wager on the girl you think has the best chance of winning, then sit back and cheer for your thoroughbred Hottie!

The player with the most cash at the end of this round is the winner of The Guy Game!

GAME HINTS & TIPS

"SO...HOW DO I SAVE MY OWN ASS?!"

Don't blow your **ASS SAVERS** too early. They may come in handy at a crucial point late in the game.

Use the **DOUBLE-UP** when you're positive you know the right answer.

Use **IMMUNITY** when you're positive you don't know it.

If you don't know the answer to a particular question, it's a good idea to wait until the last second to answer or STEAL from your opponent! You won't win much cash, but you won't lose much, either. Be careful, if you don't answer at all, you'll lose an additional \$800!

Try not to go blind!!!
