WARNING: READ BEFORE USING YOUR PLAYSTATION®2 COMPUTER ENTERTAINMENT SYSTEM.

A very small percentage of individuals may experience epileptic seizures when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a television screen or while playing video games, including games played on the PlayStation 2 console, may induce an epileptic seizure in these individuals. Certain conditions may induce previously undetected epileptic symptoms even in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition, consult your physician prior to playing. If you experience any of the following symptoms while playing a video game—dizziness, altered vision, eye or muscle twitches, loss of awareness, disorientation, any involuntary movement, or convulsions—IMMEDIATELY discontinue use and consult your physician before resuming play.

WARNING TO OWNERS OF PROJECTION TELEVISIONS:

Do not connect your PlayStation 2 console to a projection TV without first consulting the user manual for your projection TV, unless it is of the LCD type. Otherwise, it may permanently damage your TV screen.

USE OF UNAUTHORIZED PRODUCT:

The use of software or peripherals not authorized by Sony Computer Entertainment America may damage your console and/or invalidate your warranty. Only official or licensed peripherals should be used in the controller ports or memory card slots.

HANDLING YOUR PLAYSTATION® 2 FORMAT DISC:

- This disc is intended for use only with PlayStation 2 consoles with the NTSC U/C designation.
- Do not bend it, crush it or submerge it in liquids.
- Do not leave it in direct sunlight or near a radiator or other source of heat.
- Be sure to take an occasional rest break during extended play.
- Keep this compact disc clean. Always hold the disc by the edges and keep it in its protective case when not in use. Clean the disc with a lint-free, soft, dry cloth, wiping in straight lines from center to outer edge. Never use solvents or abrasive cleaners.

GETTING STARTED

Set up your PlayStation®2 computer entertainment system according to the instructions in its Instruction Manual. Make sure the MAIN POWER switch (located on the back of the console) is turned on. Press the RESET button. When the power indicator lights up, press the OPEN button and the disc tray will open. Place the Hot Shots Golf 3 disc on the disc tray with the label side facing up. Press the OPEN button again and the disc tray will close. Attach game controllers and other peripherals, as appropriate. Follow on-screen instructions and refer to this manual for information on using the software.

PLAYING FOR THE FIRST TIME

When playing for the first time, create Play Data to track your progress and scores. When saving Play Data, insert a memory card (8MB)(for PlayStation 2) with 800 KB or more free space into memory card slot 1. If you don't have a memory card, you will not be able to save your HSG3 data.

From the Title Screen, select New Game and then select a file to store your data. Once you've selected a file, you can create a file name. Use the directional buttons to enter a name and select OK.

CONTINUING A SAVED GAME

To continue with your current HSG3 progress, insert the memory card containing the saved Play Data into memory card slot 1 and select Continue from the Title Screen. Once you select a file the Main Menu will appear.

HOW TO PLAY HOT SHOTS GOLF 3

Golf is one of the easiest sports to understand. Just put a little white dimpled golf ball into a hole, right? Just wait...you'll be asking yourself that in a few minutes.

Hot Shots Golf 3 delivers simple controls, easy-to-read menus & user-friendly caddies. The following pages will walk you through the basics of getting on the course and swinging away!

1. Pick a game mode

First you have to select the type of game you'd like to play. There are a few modes to choose from depending on how many people are playing (see page 20).

2. Select the number of players

In any of the Multi-Player Modes, you'll first have to set the number of players and select the controllers for each player. Use the up & down directional buttons to assign controllers and the right & left directional buttons to set the number of players. If you only have one controller and four friends want to play, you can set all the players to play on one controller, just watch out for that friend with the sweaty palms. If you have NO friends, you can also set the players to be controlled by the computer.

Setting up the Multitap (for PlayStation 2)

The Multitap allows up to four players to play with separate controllers. Connect the Multitap to the PlayStation 2 Controller Port 1 or 2, and then connect your controllers to controller ports 1-A or 2-A before connecting additional controllers to the controller ports on the Multitap.

Also, for loading and saving purposes, when a Multitap is connected to controller port 1 be sure to insert your memory card into memory card slot 1-A. When connected to controller port 2 insert a memory card into memory card slot 1.

3. Pick your character

This is where everyone gets to pick his or her favorite character. Each character has different attributes including Power, Control, Impact, Spin and Trajectory. You can press the  button to view your character. Choose a golfer that best matches your style or good looks.

To unlock more characters, you have to challenge and defeat them in VS Mode (see page 21).

Customizing your character

Golf Duds

To avoid stinkin' up the joint, each character has different clothes that they can change into. Press the SELECT button to change the highlighted character's outfit.

Gear

Once you've spent some time on the course you'll no doubt win some new golf equipment or earn enough Hot Shots Points to buy some. Once you have your new gear, press the **L1**, **L2**, **R1** or **R2** buttons to cycle through your new equipment. Changing clubs and golf balls will improve certain attributes (but at the same time change other attributes).

Switch-hitting

For the 13% of people in the world who are lefties, there is finally a golf game for you. To change your favorite character into a left-handed swinger, highlight the character and press the START button.

4. Choosing the course

You probably don't get out much, but get ready to travel to lands near and far as you play the most exotic courses in the U.S. mainland and Hawaii, Japan, and Scotland.

On the Course Selection Screen, use the left and right directional buttons to select a course.

For added challenge, several conditions will change randomly throughout the course. Ever changing elements of wind and rain will present themselves, courses will feature different pin locations from time to time and divots won't be replaced until you select Repair Divots in the Options Menu.

Course Options

Seasons

Golf is a sport for all seasons...if you don't mind the blistering cold, hurricane winds and knee deep puddles. In any case press the **R1** or **R2** buttons to select the season in which you wish to play.

Poor-man's golf

In Multi-Player Mode you'll be able to shorten your round of 18 holes by playing a random set of 3, 6 or 9 holes. Use the **L1** & **L2** buttons to select the number of holes.

Back Tee

As you gain more experience you'll earn the right to play off the back tee. Once you've obtained the right, use the left and right directional buttons to scroll through the courses until the Back Tee icon appears.

Round Settings

Handicap

When playing with friends in either the Short Course or Stroke Play (in Multi-Player Mode), you can set a handicap number for the "not-so-great golfers." At the end of the round, the handicap is subtracted from the player's total number of strokes. This allows golf rookies to be more competitive against seasoned golf pros.

Caddy

Let the trash-talking begin...select a caddy that will carry your equipment, provide moral support or verbally abuse you after a bad shot.

Weather

Do you know how many golfers wish they could control the weather? If you obtain the item "Weather Switcher" you'll be the envy of all your friends. (Note: This feature only works in multi-player games.)

Free Round

Once you win or earn a "Pinch Hit Coupon" with your Hot Shots Points, use it to have the computer play for you to defeat a difficult character in VS Mode.

5. Learning how to swing

Now that you're on the tee, let's see what you can do...

Fundamentals of the Hot Shots Swing Meter

Swinging a club HSG3 style, is as easy as one, two, and three. THREE, being the number of times you'll have to press the  button to hit the ball.

1. The first press starts the SWING METER. Once the SWING METER starts, the gauge will begin to move to the left.
2. The second press measures the strength of your swing. As the gauge moves toward the left side of the meter, the strength of your swing increases. Carefully time your button press to set the strength of your swing to get the desired distance. Use the PERCENTAGE/DISTANCE NUMBERS on the meter as a guide.
3. The third press determines an effective hit on the golf ball. Pressing the button when the gauge is in the IMPACT ZONE will result in a well hit ball. Learn to time your button press when the gauge is at the SWEET SPOT for a perfect hit. Setting the gauge left or right of the SWEET SPOT will result in a slice or pull.

Putting spin on the ball

Once you develop an understanding for the HSG3 golf swing, you'll be ready to add spin to the ball. Pressing any of the directional buttons during the third button press moves the point of impact on the ball. The point of impact can also be changed in a diagonal direction. The effects of the impact point are as follows:

Up	Puts a forward spin on the ball and lowers its trajectory height
Down	Applies backspin on the ball and makes its trajectory higher
Left	Causes the ball to fly to the left then curve, or "fade" right
Right	Causes the ball to fly to the right then curve, or "draw" left

Setting up your shot

While anyone can learn to hit the ball, the best golfers know how the ball is going to fly before they hit it. Use the left or right directional buttons to align your shot. But before you take aim, consider the following:

Club selection

Several variables below will help you determine which club works best for each situation.

Type of shot

Pressing the  button during set-up allows you to select different shot modes. The icon at the right of the swing meter indicates the current shot mode.

Power Mode

Power Mode allows you to boost a bit more yardage out of each club. You're only given a certain number of Power Mode shots shown by the number in the Power Mode icon.

Approach Mode

Depending on your remaining distance to the hole, you can select from one of the following Approach modes to adjust your swing more easily for distance.

For shots under 60y

For shots under 30y

For shots under 15y

Elevation

If the location of the hole is higher or lower than your current swing location, it will change the effectiveness of each club. The diagram to the right shows how elevation influences the ball's landing point.

Terrain

Always pay close attention to surrounding hazards. Learn to set up your next shot by avoiding landing in or landing too close to hazards such as sand traps, lakes and out-of-bounds areas.

Wind

Pay close attention to the strength and direction of the wind as it will influence the flight of the ball.

Rain

Rain not only decreases the distance for each of your clubs, but also makes the putting greens very slow.

Lie Condition

Better to learn this now - you're not always going to hit fairways and greens. If you're in the rough or a sand trap, you won't get clean contact on the ball, which results in a shorter distance. The percentage numbers represent a power range for each club.

Slope

The slope of the ground where the ball is located will influence the flight of the ball. If the ground under a golf ball is sloping left to right, the ball, when hit, will curve towards the right. Uphill and downhill slopes will increase or decrease the height of the ball's trajectory, respectively.

6. Learning how to putt

Now that you're on the 'dance-floor' we can show you how to putt.

Fundamentals of the Putting Meter

Swinging your HSG3 putter is simple. When putting, only two button presses are required.

1. The first button press starts the PUTTING METER.
2. The second button press sets the strength of your swing. Use the DISTANCE NUMBERS to help control your swing.

Reading the Green

The putting grid allows you to read the slopes of the green before putting. The grid displays higher areas in red and the lower areas in blue, while the areas at roughly the same height are displayed in green. The white dots on the grid show that the green is inclined in the direction in which the dots move. The greater the incline, the faster the dots move. You can also use the Cross Section Display above the PUTTING METER to check out the ups and downs in the direction you are putting.

Putting Strength

Pressing the  button on the putting green changes the maximum strength of your putt. Below are the two types putting modes.

 For putts under 70 ft

 For putts under 40 ft

Stroke											POINTS	510
HOLE	1	2	3	4	5	6	7	8	9	OUT	HD	
H.C.	15	13	5	9	11	17	7	1	3

 Switch Symbols

7. Reading your scorecard

The scorecard appears on the screen after finishing each hole. Use the up and down directional buttons to switch between numbers and symbols. Of the two numbers in each box, the large number indicates the total number of strokes on that hole, while the smaller number indicates the number of putts.

If switching the scorecard to symbols, the symbols have the following meanings:

★	-3 (Double eagle/albatross)
◎	-2 (Eagle/hole-in-one)
○	-1 (Birdie)
—	±0 (Par)
△	+1 (Bogey)
□	+2 (Double bogey)
×	+3 and up (Triple bogey or worse)

When the "interrupt" appears at the bottom right of the scorecard screen, you can press the SELECT button to suspend your round. The number of times you can suspend a round differs depending on the mode. "Interrupt" can be resumed using CONTINUE on the MAIN MENU.

8. Ending a round of golf

At the end of each round, your score, rank and other information are displayed. In certain modes, the number of Hot Shots Points earned is multiplied by the course difficulty and added to your point total so far. You can use the accumulated points to buy items at the Shop. See page 25. In Tournament Mode, you'll have a chance at the "Item Slot Machine." Press the  button to stop the spinning wheels. Line up "WIN" symbols to win an item.

MAIN MENU

Now that you've learned how to play the HOT SHOTS GOLF 3 way, you can begin playing. From the Main Menu, you can select the following items to get started.

Single-Player Golf

This mode is for the lone golfer looking for self-improvement. Your statistics and progress will be kept in Status in the Data Menu. (See page 25)

Short Course

Get a quick fix for that golf itch on the HSG3 Short Course. Up to four players can play these nine par-3's.

Continue

When you gotta go, you gotta go. Luckily you'll be able to save your progress in-between holes without having to start the course all over. To save mid-round, simply press the SELECT button on the Scorecard Screen. To pick up where you left off, go here.

Multi-Player Golf

Hack it up with your buddies in these two modes. Up to four players can swing away at Stroke Play* or Match Play**.

*In Stroke Play, the player with the lowest score for the whole course is the winner.

**In Match Play, the winner is the player that wins the most holes. Holes are won by getting the lowest score on each hole.

Data

This is your shop, trophy room, diary, stat book, character file & video library, all in one place. (See page 25)

Options

More options than you can shake a stick at. You'll be able to adjust different settings here as well as save & load games. As you progress, you'll be able to unlock more options. (See page 26)

SINGLE PLAYER GOLF MENU

You can select the items below from the SINGLE-PLAYER GOLF Menu. All of your stats in SINGLE-PLAYER GOLF (except for TRAINING) are recorded in STATUS. In these modes you can earn "Hot Shots Points," prizes or unlocked characters.

Stroke Play

This is a mode that lets you pick your favorite course and play a round. Your score will be indicated by the total strokes on the course.

*In this mode, you can interrupt your round only once.

Tournament Mode

Enter a variety of events to win items, trophies and improve your player ranking. As you achieve higher rankings, more courses will be unlocked. (See page 22)

VS Mode

Unlock all of the HSG3 characters in VS Mode. All you have to do is defeat each character in a head-to-head match.

Training

This mode lets you pick your favorite hole and practice as much as you want. Press the SELECT button before taking a swing to change the current hole settings. You cannot earn Hot Shots Points in Training.

National Tournaments

In this mode, you can get a password over the Internet and enter the national tournaments. Anyone can easily enter as long as they have an e-mail address and meet the restrictions on page 23.

TOURNAMENT MODE

In Tournament Mode, you can enter events in different seasons. In order to enter an event you must achieve a specific ranking. Below is a chart to guide you through the Tour.

1	Enter a tour event Select an event to enter from the list. On the right side of the screen you will see information about the course and available prizes.
2	Select your character Select the character you want to use in the event.
3	Review the course Check out the course where the event is being held.
4	Start the round The current standings of the event are displayed on the Scorecard Screen in-between holes.
5	End of the Event At the post-event celebration, scores are announced and experience points (EXP) for the Tour and prizes are awarded. Once you earn enough EXP, you'll advance to the next Tour ranking, opening more events.

HOT SHOTS GOLF 3 NATIONAL TOURNAMENT

OFFICIAL RULES

These rules apply to six separate tournament contests. The first tournament contest begins on March 12, 2002 and ends on April 30, 2002, with a new tournament contest each month thereafter until September 30, 2002. You may participate in each contest as you wish, with no obligation to participate in other contests. The level of difficulty will vary with each contest. Subsequent contests may be easier or harder. With the exception of the first contest, each contest will be held on the first day of each month and will end at 11:59 p.m. on the last day of that particular month.

HOW TO ENTER: Go to the Hot Shots Golf 3 National Tournament website at <http://www.hotshotsgolf3.scea.com> and begin registration by submitting your email address and date of birth. Shortly thereafter, you will receive an email verification with a link to a website to complete your registration. Once the registration form is completed and submitted, you will have access to the National Tournaments Events Page where you may obtain an "Entry Password". You enter the "Entry Password" in the National Tournaments Mode of Hot Shots Golf 3 software to play a predetermined golf course, player, weather conditions and number of rounds. The "Entry Password" changes each month for each new contest held. Once you have completed the tournament round, you will receive a password that identifies your score, the new "Tournament Password". Tournament Passwords are specially programmed by Sony Computer Entertainment America Inc. (the "Sponsor"), and can be decoded online to provide us with your actual score and Hot Shots Points. Enter the Tournament Password at <http://www.hotshotsgolf3.scea.com> and your score will be posted online amongst other contestants. The site will be updated daily. You may play the "tournament round" more than once and may obtain a different Tournament Password each time. You may enter a new Tournament Password online as often as you wish, but only one score will be recorded, which will be the last score recorded prior to the end of that month's contest. The contestant with the lowest score will be determined the winner. To be valid, entries must be received no later than 11:59 p.m. at the end of each month. Sponsor is not responsible for technical, hardware or software failures of any kind, lost or unavailable network connections or failed, fraud, incomplete, garbled or delayed computer transmissions, whether caused by Sponsor, users or by any equipment or programming associated with or utilized in the promotion or by any technical or human error which may occur in processing of submissions which may damage a user's system or limit an contestant's ability to participate in the contest. Sponsor reserves the right, in its sole discretion, to cancel or suspend part or all of this Contest should virus, bugs, non-authorized human intervention or other causes beyond the control of Sponsor corrupt or impair the administration, security, fairness or proper play of this contest. Entries not satisfying these Official Rules will be automatically disqualified.

JUDGING: The three (3) contestants with the lowest scores from all valid entries received by the end of each separate contest will be the winners. In the event of a tie, the contestant with the highest Hot Shots Points will determine the winner. Hot Shots Points can be earned or taken away for different actions in contestant's game play (e.g. points can be earned by getting PAR on the hole; points can be taken away by hitting the ball out of bounds). A complete chart of the Hot Shots Points system is available online at <http://www.hotshotsgolf3.scea.com>. Sponsor will contact the prospective winner by email and/or telephone within seven (7) business days after the end of each separate tournament. If you have been contacted as a possible winner, you will be asked to submit a Memory Card (8MB) (for

PlayStation®2) to verify your score within fourteen (14) days of notification. The failure to submit the Memory Card within fourteen (14) days of notification will result in forfeiture. Send the Memory Card with your name, address, phone number and date of birth to: Hot Shots Golf 3 National Tournament, Attn: Promotions Department, 919 E. Hillsdale Boulevard, Foster City, CA 94404. You may wish to send your Memory Card registered mail, return receipt requested, but it is not required. Memory Card is subject to verification. Proof of mailing does not constitute proof of delivery. You are not a winner until your Memory Card has been timely received and verified by Sponsor. The submission of the Memory Card is the sole responsibility of the participant, who assumes all risk of loss, damage, destruction, delay and/or misdirection to Sponsor. All Memory Cards will be returned. Sponsor is not responsible for lost, late, or misdirected Memory Cards to contestant. The final decision will be made within seven (7) days of receipt of Memory Card. The decision of Sponsor will be final and binding in all respects. By participating, contestants agree to be bound by these Official Rules.

PRIZES: One (1) first prizewinner will receive a \$100.00 gift certificate to an online toy store (approximate retail value of \$100.00). One (1) second prizewinner will receive a \$75.00 gift certificate to an online toy store (approximate retail value of \$75.00). One (1) third prizewinner will receive a Hot Shots Golf 3 branded visor (approximate retail value of \$13.99). Sponsor reserves the right to substitute prize of equal value if prize is unavailable. Prizes are non-transferable and no substitutions allowed. Winner shall be notified by mail and/or telephone. Once notified, please allow six (6) to ten (10) weeks for delivery of prizes.

ODDS OF WINNING: Odds of winning depends on number of valid entries received.

ELIGIBILITY: Promotion is open to legal residents of United States (except Colorado, Maryland, Florida, Illinois, New Jersey, North Dakota, Vermont and Minnesota) who are 13 years of age and over. Return of any prize/prize notification as undeliverable will result in disqualification and an alternate winner will be selected. Where permitted by law, winner may be required to sign an affidavit of eligibility/release of liability/prize acceptance within 14 days of receipt or forfeit prize. If the winner is a minor, then prize may be awarded to winner's parent or legal guardian. By acceptance of prize, winners agree that Sony Computer Entertainment America Inc., and their affiliate companies, subsidiaries, parent companies, advertising and promotion agencies, and their respective officers, directors, employees, representatives and agents will have no liability whatsoever for and will be held harmless against any injuries, losses and damages of any kind alleged to or resulting in whole or in part, directly or indirectly, from acceptance, possession, misuse or use of any prize or participation in this game. Winners agree to the use of their name and/or likeness for purposes of advertising, trade, or promotion without further compensation, unless prohibited by law. Employees of the Sponsor and its parent and affiliated companies and their families are not eligible. Neither the Sponsor nor its affiliates, subsidiaries, division or related companies are responsible for any damages, taxes (federal, state or local if any), or expenses that winners might incur as a result of this contest or receipt of prize.

WINNERS LIST: To get a list of winners, visit <http://www.hotshotsgolf3.scea.com>, or send a stamped, self-addressed envelope to: Hot Shots Golf 3 Winners, SCEA, Attn.: Promotions Department, 919 East Hillsdale Blvd., Foster City, CA 94404. Please allow four (4) weeks for delivery of winners list. Winners list requests will be fulfilled within four weeks after all prizes have been awarded. Mailed requests for winners' list must be received by October 15, 2002.

RESTRICTIONS: Void in Colorado, Maryland, Florida, Illinois, New Jersey, North Dakota, Vermont, Minnesota and where prohibited or restricted by law.

SPONSOR: Sony Computer Entertainment America Inc., 919 E. Hillsdale Boulevard, Foster City, CA 94404.

Limited Warranty

Sony Computer Entertainment America (SCEA) warrants to the original purchaser of this SCEA product that this software is free from defects in material and workmanship for a period of ninety (90) days from the original date of purchase. SCEA agrees for a period of ninety (90) days to either repair or replace, at its option, the SCEA product. You must call 1-800-345-SONY to receive instructions to obtain repair/replacement services.

This warranty shall not be applicable and shall be void if the defect in the SCEA product has arisen through abuse, unreasonable use, mistreatment or neglect. THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES AND NO OTHER REPRESENTATIONS OR CLAIMS OF ANY NATURE SHALL BE BINDING ON OR OBLIGATE SCEA. ANY IMPLIED WARRANTIES APPLICABLE TO THIS SOFTWARE PRODUCT, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ARE LIMITED TO THE NINETY (90) DAY PERIOD DESCRIBED ABOVE. IN NO EVENT WILL SCEA BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES RESULTING FROM POSSESSION, USE OR MALFUNCTION OF THE SCEA SOFTWARE PRODUCT.

Some states do not allow limitations as to how long an implied warranty lasts and/or exclusions or limitations of consequential damages, so the above limitations and/or exclusions of liability may not apply to you. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

Calling all Pros!

Test your golf skills in the Hot Shots Golf 3 National Tournament Mode and win valuable prizes.

To enter:

1. Log onto the Hot Shots Golf 3 National Tournament website at www.hotshotsgolf3.scea.com and begin registration by providing your e-mail address and date of birth.
2. You will receive an e-mail verification with a link to complete your registration. Once the registration form is completed and submitted, you will have access to the National Tournament's Events Page.
3. An "Entry Password" will be available at the National Tournament's Event Page for the tournament contest being held each month. There are six different tournaments, each with a different "entry password". The first tournament will end on April 30, 2002, with a new tournament contest each month thereafter until September 30, 2002. Use the "Entry Password" to access the event in the National Tournaments Mode in Hot Shots Golf 3.
4. Once you've completed the event, you will receive a "Tournament Password". Use this "Tournament Password" to enter your score at www.hotshotsgolf3.scea.com. Scores will be posted online from all of the HSG3 players across the nation.
5. Prizes will be awarded to the 3 lowest scores for each month's contest.

See official rules on page 30 for full details.
