A very small percentage of individuals may experience epileptic seizures when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a television screen or while playing video games, including games played on the PlayStation 2 console, may induce an epileptic seizure in these individuals. Certain conditions may induce previously undetected epileptic symptoms even in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition, consult your physician prior to playing. If you experience any of the following symptoms while playing a video game – dizziness, altered vision, eye or muscle twitches, loss of awareness, disorientation, any involuntary movement, or convulsions – **IMMEDIATELY** discontinue use and consult your physician before resuming play.

## **WARNING TO OWNERS OF PROJECTION TELEVISIONS:**

Do not connect your PlayStation 2 console to a projection TV without first consulting the user manual for your projection TV, unless it is of the LCD type. Otherwise, it may permanently damage your TV screen.

## **USE OF UNAUTHORIZED PRODUCT:**

The use of software or peripherals not authorized by Sony Computer Entertainment America may damage your console and/or invalidate your warranty. Only official or licensed peripherals should be used in the controller ports or memory card slots.

### ***PlayStation®2 Headset/Microphone (Required)***

**KARAOKE REVOLUTION™ requires the use of a PlayStation®2 headset/microphone in order to play the game.** If you have purchased the game without a headset, there are several PlayStation®2 headsets available for purchase separately. The game supports headsets/microphones specifically designed to work with the PlayStation®2.

**A PlayStation®2 headset/microphone must be plugged in at all times while playing the game.** Before starting up the game, make sure to plug in a headset. When you first run the game, you will receive a warning if a headset is not detected. The headset connects to either of the USB (Universal Serial Bus) connectors, located on the front of the PlayStation®2. With the USB symbol facing up, insert the headset cable into one of the USB connectors. The game only supports 1 headset at a time.

**For best results, it is important to keep the headset/microphone positioned very close to the front of your mouth (1-3 cm), with the red dot facing your mouth. We recommend that you access the Microphone Setup Screen in Options to adjust the Mic Gain.**

# Introduction

The beat of the drums, the blast of the guitars, the roar of the crowd; you have always dreamed of being a rock star. On any given day, you find yourself singing in the shower, singing with the radio in the car, and you have even sung karaoke. Now you really get to test your singing skills to see if you have what it takes!

**KARAOKE REVOLUTION™** is a unique game that allows you to sing your favorite songs in exciting concert venues in front of a live audience. The game can be played with a group of friends or as a solo activity. Don't worry, if you don't consider yourself a great

singer, you can alter the judging level and the game will become much more forgiving. So don't be shy, put on your headset and start singing!

The main objective of the game is to sing each song exactly like the original version. As you sing the song, your vocal performance is judged by how closely you can match the pitch and rhythm of the original lead vocals. If you sing like a pro, the crowd will cheer you on and you'll rack up the points. If you sing badly, you will lose the crowd and may even get booed off stage.

# Prepare to Sing

## Select Character

When you begin a new game, you will be able to customize your main character.

**USERNAME** Select an existing name or enter a new name. You can delete any name in the list by pressing the  button.

**CHARACTER** There are 8 main characters to choose from, plus additional characters that you can unlock.

**OUTFIT** Select an outfit for your character. New outfits will become available as you play through the game.

When you proceed to the next screen, your username, character and outfit will be autosaved to the memory card.

## Judging Level

In **KARAOKE REVOLUTION™**, there are four different judging levels for each player's vocal performance:

EASY

MEDIUM

HARD

EXPERT

You are able to scale the judging difficulty so that everyone has fun, no matter how well they can sing. At the lower judging levels, the game widens the range of pitch and rhythm that is accepted. It will recognize that you are singing the proper notes even if your pitch or timing is a little off. The phrase meter will be shorter and will fill up quickly, making it easier to get a high rating for the phrase. If you select a higher judging level, you will need to sing much more closely to the original track, and the phrase meter will take longer to fill up.

# How to Play

## GAME SCREEN

### **Music Staff**

The **Music Staff** and **Lyrics** are displayed at the bottom of the screen. The blue bars which scroll across the staff are called **Note Tubes**. Note tubes represent the pitch and length of each note you have to sing during the song. Each word within the song matches up with a corresponding note tube.

As the lyrics scroll across the screen, sing the proper words and try to match the note tubes as they reach the **Now Bar**. The **Pitch Arrow** will appear while you are singing; this represents your current pitch. The arrow will move away from the note tube and tilt slightly up or down if you sing above or below the note. If the arrow flattens out and lines up with the note tube, and green sparks appear, this means that you are hitting the note correctly.

### **Phrases**

A **Phrase** is considered to be one line of lyrics within the song. The end of each phrase is designated by a **Phrase Marker**. When the phrase marker reaches the now bar, you have completed that phrase and a new phrase will begin.

# How to Play

As you sing the correct notes in the phrase, the **Phrase Meter** will fill up and change colors. Try to hit as many notes as you can to fill the phrase meter. At the end of the phrase, your score will increase and you will receive a performance rating of **LOUSY**, **POOR**, **OK**, **GOOD**, or **GREAT**.

## **Crowd Meter**

The **Crowd Meter** represents the excitement level of the crowd. This meter will move up or down after you receive a rating for each phrase. Try to keep the crowd excited throughout the song. If you are able to pin the meter to the maximum level, the meter will flash green and you will receive a special 2X score multiplier, which doubles your score as long as you keep the meter pinned. If the meter drops down to a low position and starts flashing red, this is a warning that you are about to be booed off the stage. If you continue to receive bad ratings, you will eventually get booed off stage and the song will end.

## **Combos**

If you manage to get a "Good" or "Great" rating on three phrases in a row, you will start a **Combo**. During the combo, you will receive a score bonus for every phrase. The number of combos will appear next to the phrase meter while the combo is in effect. As the combo number increases, the score bonus will increase as well. Continue to score "Good" or "Great" to keep the combo going.

## **Crowd Boost**

During random phrases within the song, green sparkling note tubes will appear on the staff. If you hit the notes correctly and get a "Good" or

"Great" rating, you will receive a **Crowd Boost**. The crowd boost will send the crowd meter shooting upwards. The crowd boost can be especially helpful when your crowd meter is really low.

# How to Play

## Final Score

At the end of each song, the Final Score Screen will display your score, with the percentage of each phrase rating listed underneath. The score gauge shows how well you performed overall and how close you were to receiving an award.

Additional information is listed below:

SONG	Name of song performed
PLAYER	Username of current player
HIGH SCORE	Current high score or new high score
HIGHEST COMBO	Highest combo achieved
JUDGING LEVEL	Judging level for song

If you score enough points, you will be awarded a gold or platinum record. After winning awards, you will sometimes unlock special items within the game.

# How to Play

## HINTS & TIPS

**Microphone Placement** – For best results, it is important to keep the headset microphone positioned very close to the front of your mouth (1-3 cm), with the red dot facing your mouth. If you are using a handheld microphone, try to keep the microphone at the same distance from your mouth at all times. We recommend that you access the Microphone Setup Screen in Options to adjust the Mic Gain.

**Practice** – Every song featured in the game includes the lead vocals. In order to learn the songs, you should listen to and sing along with the original vocals. We have included a Karaoke Mode and Showtime Sound Check, which you can use to practice the songs. The song lyrics in the back of this manual will be a useful guide while learning the songs.

**Octaves** – You can sing the songs in any octave without getting penalized. If certain notes are too high or low, try singing them in a different octave; the game system will automatically adjust.

**Holding Notes** – The game system will easily recognize vowel sounds as real notes. For long notes that are held, be sure to hold the vowel within the word, not the consonant. Also, try to sing cleanly without any distortion in your voice.

**Judging Level** – If you are having trouble getting through a song, try selecting a lower judging level.

**Unlocked Items** – All of the items that you unlock within a particular game mode will become globally available in all of the game modes, for all of the players. The unlocked items will be automatically saved to the memory card.

# Game Modes

## SINGLE PLAYER MODES

### Showtime

Put on your favorite outfit, step up to the mic and begin your career as a professional singer. In Showtime Mode, you work your way to the top by singing through all of the venues from a small house party to the ultimate concert in the Enormobowl!

Within each venue, you will be given a selection of 4 songs to choose from. You must complete at least 1 song before moving on to the next stage. If you can make it through all 8 stages, and win some awards along the way, you will unlock all sorts of cool stuff that can be used in any of the game modes.

### Arcade

In Arcade Mode, your main goal is to sing through a set number of rounds without getting booed off stage. There are 3 challenge levels available in Arcade.

CHALLENGE LEVEL	Beginner	3 songs
	Intermediate	4 songs
	Advanced	5 songs

In the earlier rounds, you can choose any song from the song list. As you get to the later rounds, your song selection will be limited to the songs that are more difficult to sing:

Challenge Level	Song 1	Song 2	Song 3	Song 4	Song 5
Beginner					
Intermediate					
Advanced					

# ***Game Modes***

## **RANDOM LAST ROUND**

With Random Last Round set to ON, the last song that you must sing will be randomly selected for you.

At the end of each round, you will be brought to the Round Recap Screen, which has information about your progress in the current game.

## ***Karaoke***

Karaoke Mode is comparable to a normal karaoke machine. Only the lyrics of the song are displayed on screen and there is no scoring involved. On the Venue Selection Screen, there is an additional "Full Screen Lyrics" option which displays stationary lyrics across the entire screen, just like standard karaoke.

## ***MULTI PLAYER MODES***

### ***Arcade***

This is very similar to the single player Arcade Mode, except you are now competing with 2 to 8 singers to see who can get the highest score and win the most rounds. The players take turns singing songs and a final winner is declared at the end of the game. Each player will be able to select their own judging level along with their character, so expert singers can handicap themselves against the novices.

### ***Karaoke Competition***

This is a multiplayer version of Karaoke for 3 to 8 players. Instead of the game system rating your performance, the contestants themselves are the judges. At the end of each song, all other players will get a chance to secretly rate the performance of the singer. The player with the highest overall rating at the end of the final round wins the competition.

# ***Game Modes***

## ***TRAINING***

In Training Mode, you'll learn the basics of the game including the interface, and we'll take you through a few interactive examples. We recommend that you go through Training Mode to get a better handle on how the game works before playing the other game modes.

## ***Extras***

### ***Expansion Discs*** (to be sold separately)

To load an expansion disc, select this option and confirm that you wish to load an expansion disc. When the disc tray opens, remove the game disc, insert the expansion disc and close the disc tray.

### ***High Scores***

Check your high scores for the songs. A high score is displayed for every song at each judging level.

### ***Credits***

Review the list of people who worked hard to bring you **KARAOKE REVOLUTION™**.

### ***Videos***

If you are successful, you can unlock special **KARAOKE REVOLUTION™** videos and view them here.

# Options

## **Microphone Setup**

In Microphone Setup, you can adjust the Mic Gain, which is the input level of the microphone. We recommend using the default setting, unless the microphone does not seem to be picking up your voice properly. You may experience distortion if you turn up the Mic Gain too high.

## **Sound Setup**

Many of these settings can be changed with the controller while a song is playing. See CONTROLS for more details:

MUSIC	Volume level of the background music track.
LEAD VOCALS	Volume level of the original lead vocals in the song.
SOUND FX	Volume level of the sound effects within the game.
MIC VOLUME	Volume level of the microphone playback through the speakers (different than Mic Gain).
EARPIECE	Volume level of the earpiece monitor (listen to your own voice).

## **Display Setup**

MUSIC STAFF	Turn the music staff and the meters ON/OFF.
LYRICS	Turn the lyrics ON/OFF.

## **Memory Card**

Your progress will automatically be saved as you play the game, and loaded each time you boot up the game. However, if you have just inserted a memory card and need to save/load, or you wish to turn off the autosave feature, you can do so here.

SAVE	Save your game to the memory card. NOTE: This will overwrite your existing save game file.
LOAD	Load your game from the memory card.
REFRESH	Refresh the screen if a new memory card has been inserted.
AUTOSAVE	Turn the autosave feature ON/OFF.

I heard you're doing okay  
But I want you to know  
I'm addicted to you  
I can't pretend I don't care  
When you don't think about me  
Do you think, I deserve this  
I tried to make you happy but you left anyway

I'm trying to forget that, I'm addicted to you  
But I want it and I need it, I'm addicted to you  
Now it's over, can't forget what you said  
And I never, wanna do this again  
Heartbreaker, heartbreaker, heartbreaker

Since the day I met you  
And after all we've been through  
I'm addicted to you  
I think you know that it's true  
I'd run a thousand miles to get you  
Do you think, I deserve this

I tried to make you happy, I did all that I could  
Just to keep you, but you left anyway

I'm trying to forget that, I'm addicted to you  
But I want it and I need it, I'm addicted to you  
Now it's over, can't forget what you said  
And I never, wanna do this again  
Heartbreaker, heartbreaker

How long will I be waiting  
Until the end of time  
I don't know why I'm still waiting  
I can't make you mine

I'm trying to forget that, I'm addicted to you  
But I want it and I need it, I'm addicted to you  
I'm trying to forget that, I'm addicted to you  
But I want it and I need it, I'm addicted to you

I wanted to be like you  
I wanted everything  
So I tried to be like you  
And I got swept away  
I didn't know that it was so cold and  
You needed someone to show you the way  
So I took your hand and we figured out that  
When the tide comes I'd take you away

If you want to I can save you  
I can take you away from here  
So lonely inside, so busy out there  
And all you wanted was somebody who cares

I'm sinking slowly so hurry hold me  
Your hand is all I have to keep me hanging on  
Please can you tell me so I can finally see  
Where you go when you're gone

If you want to I can save you  
I can take you away from here  
So lonely inside so busy out there  
And all you wanted was somebody who cares  
All you wanted was somebody who cares  
If you need me you know I'll be there, oh, oh, oh, yeah

If you want to I can save you  
I can take you away from here  
So lonely inside so busy out there  
And all you wanted was somebody who cares  
Oh, oh, oh, oh, yeah, oh

(Repeat Chorus)

Please can you tell me so I can finally see

Now don't just walk away  
Pretending everything's ok  
And you don't care about me  
And I know it's just no use  
When all your lies become your truths  
And I don't care yeah yeah yeah

Could you look me in the eye  
And tell me that you're happy now ooh  
Would you tell it to my face or have I been erased  
Are you happy now?  
Are you happy now?

You took all there was to take  
And left me with an empty plate  
And you don't care about it yeah  
And I am givin' up this game  
And leaving you with all the blame

# Song Lyrics

'Cause I don't care yeah yeah yeah

Could you look me in the eye  
And tell me that you're happy now ooh  
Would you tell it to my face or have I been erased  
Are you happy now? ooh  
Are you happy now?  
Are you happy now? yeah yeah yeah

Do you really have everything you want  
You could never give something you regret  
You can't run away from yourself

Could you look me in the eye  
And tell me that you're happy now yeah  
Come on tell it to my face or have I been replaced  
Are you happy now? yeah yeah oh

Would you look me in the eye  
Could you look me in the eye  
I've had all that I can take, I'm not about to break  
'Cause I'm happy now ooh  
Are you happy now?

No matter how hard I try  
You keep pushing me aside  
And I can't break through  
There's no talking to you  
It's so sad that you're leaving  
Takes time to believe it  
But after all is said and done  
You're going to be the lonely one, oh

Do you believe in life after love  
I can feel something inside me say  
I really don't think you're strong enough, no  
Do you believe in life after love?  
I can feel something inside me say  
I really don't think you're strong enough, no

What am I supposed to do  
Sit around and wait for you  
Well I can't do that  
Well there's no turning back  
I need time to move on  
I need love to feel strong  
'Cause I've had time to think it through  
And maybe I'm too good for you, oh

Do you believe in life after love  
I can feel something inside me say  
I really don't think you're strong enough, no  
Do you believe in life after love  
I can feel something inside me say  
I really don't think you're strong enough, no

Well I know that I'll get through this  
'Cause I know that I am strong  
I don't need you anymore  
I don't need you anymore  
I don't need you anymore  
No, I don't need you anymore

(Repeat Chorus)

She was more like a beauty queen, from a movie scene  
I said don't mind but what do you mean, I am the one  
Who will dance on the floor in the round  
She said I am the one  
Who will dance on the floor in the round

She told me her name was Billie Jean, as she caused a scene  
Then every head turned with eyes that dreamed of being the one  
Who will dance on the floor in the round

People always told me, be careful what you do  
And don't go around breaking young girls' hearts  
And mother always told me, be careful who you love  
Be careful what you do, 'cause the lie becomes the truth, hey hey

Billie Jean is not my lover  
She's just a girl who claims that I am the one  
But the kid is not my son  
She said I am the one, but the kid is not my son

For forty days and for forty nights, the law was on her side  
But who can stand when she's in demand, her schemes and plans  
Cause we danced on the floor in the round  
So take my strong advice  
Just remember to always think twice, do think twice

She told my baby we'd danced 'til three, as she looked at me  
Then showed me photos my baby cried, eyes looked like mine  
Cause we danced on the floor in the round baby

People always told me, be careful what you do  
And don't go around breaking young girls' hearts  
She came and stood right by me, just the smell of sweet perfume  
This happened much too soon, she called me to her room, hey hey

Billie Jean is not my lover  
She's just a girl who claims that I am the one  
But the kid is not my son  
Billie Jean is not my lover  
She's just a girl who claims that I am the one  
But the kid is not my son  
She said I am the one, but the kid is not my son

She says I am the one but the kid is not my son  
Billie Jean is not my lover  
She's just a girl who claims that I am the one  
But the kid is not my son  
She said I am the one, but the kid is not my son  
She said I am the one, she says he is my son  
She said I am the one

Billie Jean is not my lover  
Billie Jean is not my lover  
Billie Jean is not my lover  
Billie Jean is not my lover

Every time I think of you  
I feel shot right through with a bolt of blue  
It's no problem of mine  
But it's a problem I find  
Living a life that I can't leave behind  
There's no sense in telling me  
The wisdom of a fool won't set you free  
But that's the way that it goes  
And it's what nobody knows  
While every day my confusion grows

Every time I see you falling  
I get down on my knees and pray  
I'm waiting for that final moment  
You'll say the words that I can't say

I feel fine and I feel good  
I'm feeling like I never should  
Whenever I get this way  
I just don't know what to say  
Why can't we be ourselves like we were yesterday  
I'm not sure what this could mean  
I don't think you're what you seem  
I do admit to myself  
That if I hurt someone else  
Then I'll never see just what we're meant to be

Every time I see you falling  
I get down on my knees and pray  
I'm waiting for that final moment  
You'll say the words that I can't say  
Every time I see you falling  
I get down on my knees and pray  
I'm waiting for that final moment  
You'll say the words that I can't say

Baby, I don't understand  
Why we can't just hold on, to each other's hands  
This time might be the last, I fear  
Unless I make it all too clear  
I need you so, whoa

Take these broken wings  
And learn to fly again, learn to live so free  
When we hear, the voices sing  
The book of love will open up and let us in  
Take these broken wings

Baby, I think tonight  
We can take what was wrong, make it right, ooh  
Baby, it's all I know  
That you're half of the flesh and blood makes me whole  
Need you so

So take these broken wings  
And learn to fly again, learn to live so free  
And when we hear, the voices sing  
The book of love will open up and let us in  
Take these broken wings  
You got to learn to climb, learn to give, love so free  
And when we hear, the voices sing  
The book of love will open up and let us in, yeah yeah  
Let us in, let us in

Baby, it's all I know  
That you're half of the flesh and that blood makes me whole  
Yeah, Yeah, Yeah, Yeah, Yeah

So take these broken wings  
And learn to fly again, learn to live so free  
And when we hear, the voices sing  
The book of love will open up and let us in  
Take, these broken wings  
You got to learn to fly, learn to give your love so free  
And when we hear, the voices sing  
The book of love will open up for us and let us in  
Yeah yeah, oh yeah, wooh ooh, ahh, ahh

Chain chain chain, chain chain chain  
Chain chain chain, chain of fools

For five long years  
I thought you were my man  
But I found out  
I'm just a link in your chain oh  
You got me where you want me  
I ain't nothin but your fool  
You treated me mean, oh  
You treated me cruel

Chain chain chain, chain of fools

Every chain  
Has got a weak link  
I might be weak child  
But I'll give you strength, oh baby  
You told me to leave you alone  
My father said, come on home  
My doctor said, take it easy  
Oh but your lovin' is much too strong  
I'm added to your

Chain chain chain, chain chain chain  
Chain chain chain, chain of fools

Oh, one of these mornings  
The chain is gonna break  
But up until then yeah  
I'm gonna take all I can take, oh baby

Chain chain chain, chain chain chain  
Chain chain chain, chain of fools  
Chain chain chain, chain chain chain  
Chain chain chain, chain of fools

Chill out whatcha yellin' for  
Lay back it's all been done before  
And if you could only let it be, you will see  
I like you the way you are  
When we're drivin' in your car  
And you're talking to me one on one, but you've become  
Somebody else, round everyone else  
You're watching your back, like you can't relax,  
You're trying to be cool, you look like a fool to me  
Tell me

Why'd you have to go and make things so complicated  
I see the way you're  
Acting like you're somebody else gets me frustrated  
Life's like this you  
you fall and you crawl and you break  
And you take what you get and you turn it into  
Honesty you promise me I'm never gonna find you fake it  
No no no

You come over unannounced  
Dressed up like you're somethin' else  
Where you are and where it's at you see, you're making me  
Laugh out when you strike your pose  
Take off all your preppy clothes  
You know you're not fooling anyone, when you've become  
Somebody else, round everyone else  
You're watching your back, like you can't relax  
You're trying to be cool, you look like a fool to me  
Tell me

Why'd you have to go and make things so complicated  
I see the way you're  
Acting like you're somebody else gets me frustrated  
Life's like this you  
You fall and you crawl and you break  
And you take what you get and you turn it into

I will dedicate, and sacrifice my every  
Thing for just a second's worth, of how my story's ending  
And I wish I could rule, the directions that I take  
And all the choices that I make, won't end up all for nothing

Show me what it's for, make me understand it  
I've been crawling in the dark, looking for the answer  
Is there something more, than what I've been handed  
I've been crawling in the dark, looking for the answer

Help me carry on, show me it's okay to  
Use my heart and not my eyes, to navigate the darkness  
Will the ending be, ever coming suddenly  
Will I ever get to see, the ending to my story

Show me what it's for, make me understand it  
I've been crawling in the dark, looking for the answer  
Is there something more, than what I've been handed  
I've been crawling in the dark, looking for the answer  
So will it come will I know

How much further do I have to go  
And how much longer 'til I finally know  
'Cause I'm looking and I just can't see  
What's in front of me, in front of me

Show me what it's for, make me understand it  
I've been crawling in the dark, looking for the answer  
Is there something more, than what I've been handed  
I've been crawling in the dark, looking for the answer

I waited 'til I saw the sun  
I don't know why I didn't come  
I left you by the house of fun  
I don't know why I didn't come  
I don't know why I didn't come

When I saw the break of day  
I wished that I could fly away  
Instead of kneeling in the sand  
Catching teardrops in my hand

My heart is drenched in wine  
But you'll be on my mind forever

Out across the endless sea  
I would die in ecstasy  
But I'll be a bag of bones  
Driving down the road alone

My heart is drenched in wine  
But you'll be on my mind forever

Something has to make you run  
I don't know why I didn't come  
I feel as empty as a drum  
I don't know why I didn't come  
I don't know why I didn't come  
I don't know why I didn't come

Every morning there's a halo hanging from the  
Corner of my girlfriend's four post bed  
I know it's not mine but I'll see if I can use it  
For the weekend or a one night stand  
Couldn't understand, how to work it out  
Once again, as predicted, left my broken heart open  
And you ripped it out  
Something's got me reeling, stopped me from believing  
Turn me around again  
Said that we can do it, you know I wanna do it again

Every morning, every morning when I wake up  
She always rights the wrong  
She always rights, she always rights

Every morning there's a heartache hanging from the  
Corner of my girlfriend's four post bed  
I know it's not mine and I know she thinks she loves me  
But I never can believe what she said  
Something so deceiving, when you stop believing  
Turn me around again  
Said we couldn't do it, you know I wanna do it again

Every morning, every morning when I wake up  
Every morning, every morning when I wake up  
She always rights the wrong, for me, baby  
She always rights the wrong, for me

Every morning there's a halo hanging from the  
Corner of my girlfriend's four post bed  
I know it's not mine but I'll see if I can use it  
For the weekend or a one night stand  
Turn me around again, do it again

Somewhere there's speaking, it's already coming in  
Oh and it's rising at the back of your mind  
You never could get it, unless you were fed it  
Now you're here and you don't know why  
But under skinned knees and the skid marks  
Past the places where you used to learn  
You howl and listen, listen and wait for the  
Echoes of angels who won't return

He's everything you want, he's everything you need  
He's everything inside of you that you wish you could be  
He says all the right things, at exactly the right time  
But he means nothing to you and you don't know why

You're waiting for someone, to put you together  
You're waiting for someone, to push you away  
There's always another, wound to discover  
There's always something more you wish he'd say

# *Song Lyrics*

He's everything you want, he's everything you need  
He's everything inside of you that you wish you could be  
He says all the right things, at exactly the right time  
But he means nothing to you and you don't know why

But you'll just sit tight and watch it unwind  
It's only what you're asking for  
And you'll be just fine, with all of his time  
It's only what you're waiting for

Out of the island, into the highway  
Past the places where you might have turned  
You never did notice, but you still hide away  
The anger of angels who won't return

He's everything you want, he's everything you need  
He's everything inside of you that you wish you could be  
He says all the right things, at exactly the right time  
But he means nothing to you and you don't know why

I am everything you want, I am everything you need  
I am everything inside of you that you wish you could be  
I say all the right things, at exactly the right times  
But I mean nothing to you and I don't know why  
And I don't know why, why  
I don't know

I come home in the morning light  
My mother says when you gonna live your life right  
Oh mother dear we're not the fortunate ones  
And girls they want to have fun  
Oh girls just want to have fun

The phone rings in the middle of the night  
My father yells what you gonna do with your life  
Oh daddy dear you know you're still number one  
But girls they want to have fun  
Oh girls just want to have

That's all they really want, some fun  
When the working day is done  
Oh girls they want to have fun  
Oh girls just want to have fun

Some boys take a beautiful girl  
And hide her away from the rest of the world  
I want to be the one to walk in the sun  
Oh girls they want to have fun  
Oh girls just want to have

That's all they really want, some fun  
When the working day is done  
Oh girls they want to have fun  
Oh girls just want to have fun  
Wanna have fun, girls, wanna have

They just wanna, they just wanna  
They just wanna, they just wanna  
Oh girls, girls just want to have fun  
They just wanna, they just wanna  
They just wanna, they just wanna  
Oh girls, girls just want to have fun  
When the working  
When the working day is done

Well tell me do you think it'd be alright  
If I could just crash here tonight  
You can see I'm in no shape for driving  
And anyway I've got no place to go  
And you know it might not be that bad  
You were the best I'd ever had  
If I hadn't blown the whole thing years ago  
I might not be alone

Tomorrow we can drive around this town  
And let the cops chase us around  
The past is gone but something might be found  
To take its place  
Hey jealousy, hey jealousy  
Hey jealousy, hey jealousy

You can trust me not to think  
And not to sleep around  
And if you don't expect too much from me  
You might not be let down  
'Cause all I really want's to be with you  
Feeling like I matter too  
And if I hadn't blown the whole thing years ago  
I might be here with you

Tomorrow we can drive around this town  
And let the cops chase us around  
The past is gone but something might be found  
To take its place  
Hey jealousy

Tomorrow we can drive around this town  
And let the cops chase us around  
The past is gone but something might be found

Well you're a real tough cookie with a long history  
Of breaking little hearts, like the one in me  
That's okay, let's see how you do it  
Put up your dukes, let's get down to it

Hit me with your best shot  
Why don't you hit me with your best shot  
Hit me with your best shot  
Fire away

You come on with a come on, you don't fight fair  
That's okay, see if I care  
Knock me down, it's all in vain  
I get right back on my feet again

Hit me with your best shot  
Why don't you hit me with your best shot  
Hit me with your best shot  
Fire away

You're a real tough cookie with a long history  
Of breaking little hearts, like the one in me  
Before I put another notch in my lipstick case  
You better make sure you put me in my place

Hit me with your best shot

Never made it as a wise man  
I couldn't cut it as a poor man stealin'  
Tired of livin' like a blind man  
I'm sick of sight without a sense of feeling  
And this is how you remind me  
This is how you remind me of what I really am  
This is how you remind me of what I really am

It's not like you say sorry  
I was waiting on a different story  
This time I'm mistaken  
For handing you a heart worth breaking  
And I've been wrong, I've been down  
Been to the bottom of every bottle  
These five words in my head  
Scream are we having fun yet  
Yeah, yeah, yeah, no no, yeah, yeah, yeah, no no

It's not like you didn't know that  
I said I love you and I swear I still do  
And it must have been so bad  
Cause livin' with me must have damn near killed you  
And this is how you remind me of what I really am  
This is how you remind me of what I really am

It's not like you say sorry  
I was waiting on a different story  
This time I'm mistaken  
For handing you a heart worth breaking  
And I've been wrong, I've been down

I'm coming out, I'm coming out

I'm coming out  
I want the world to know, got to let it show  
I'm coming out  
I want the world to know, got to let it show

There's a new me coming out  
And I just have to live, I just wanna give  
I'm completely positive  
I think this time around  
I am gonna do it, like you never knew it  
Ooh, I'll make it through

The time has come for me to break out of the shell  
I have to shout, that I am coming out

I'm coming out  
I want the world to know, got to let it show  
I'm coming out  
I want the world to know, got to let it show

I've got to show the world  
All I wanna be, all my abilities  
There's so much more to me  
Somehow, I have to make them  
Just understand, I've got it well in hand  
Oh how I've planned

I'm spreadin' love, there is no need to fear  
And I just feel so good, every time I hear

I'm coming out  
I want the world to know, got to let it show  
I'm coming out  
I want the world to know, got to let it show

(Repeat Chorus)

That's great it starts with an earthquake  
Birds and snakes, an aeroplane  
Lenny Bruce is not afraid

Eye of a hurricane, listen to yourself churn  
World serves its own needs, dummy serve your own needs  
Feed it off an aux speak, grunt no strength  
The ladder starts to clatter with fear fight down height  
Wire in a fire representing seven games in a  
Government for hire and a combat site  
Left of west and coming in a hurry with the furies  
Breathing down your neck

Team by team reporters baffled, trumped, tethered, cropped  
Look at that low playing, fine, then  
Uh oh, overflow, population, common food  
But it'll do, save yourself, serve yourself  
World serves its own needs, listen to your heart bleed  
Dummy with the rapture and the revered and the right, right  
You vitriolic, patriotic, slam, fight, bright light  
Feeling pretty psyched

It's the end of the world as we know it  
It's the end of the world as we know it  
It's the end of the world as we know it and I feel fine

Six o'clock, TV hour, don't get caught in foreign towers  
Slash and burn, return, listen to yourself churn  
Lock him in, uniforming, book burning, blood letting  
Every motive escalate, automotive 'cinerate  
Light a candle, light a votive, step down, step down  
Watch your heel crush, crushed, uh oh  
This means no fear, cavalier, renegade, steer clear  
A tournament, a tournament, a tournament of lies  
Offer me solutions, offer me alternatives  
And I decline

It's the end of the world as we know it  
It's the end of the world as we know it  
It's the end of the world as we know it and I feel fine  
I feel fine  
(Repeat Chorus)

The other night I dreamt of knives, continental drift divide  
Mountains sit in a line, Leonard Bernstein  
Leonid Breshnev, Lenny Bruce and Lester Bangs  
Birthday party, cheesecake, jelly bean, boom  
You symbiotic, patriotic, slam book neck, right, right

It's the end of the world as we know it  
It's the end of the world as we know it  
It's the end of the world as we know it and I feel fine  
(Repeat Chorus)

Kiss me, out of the bearded barley  
Nightly, beside the green, green grass  
Swing swing, swing the spinning step  
You wear those shoes and I will wear that dress

# *Song Lyrics*

Oh kiss me, beneath the milky twilight  
Lead me, out on the moonlit floor  
Lift your open hand  
Strike up the band and make the fireflies dance  
Silver moon's sparkling  
So kiss me

Kiss me, down by the broken tree house  
Swing me, up on its hanging tire  
Bring bring, bring your flowered hat  
We'll take the trail marked on your father's map

Oh kiss me, beneath the milky twilight  
Lead me, out on the moonlit floor  
Lift your open hand  
Strike up the band and make the fireflies dance  
Silver moon's sparkling  
So kiss me

Kiss me, beneath the milky twilight  
Lead me, out on the moonlit floor  
Lift your open hand  
Strike up the band and make the fireflies dance  
Silver moon's sparkling  
So kiss me, so kiss me, so kiss me

Oh yes it's ladies night, and the feeling's right  
Oh yes it's ladies night, oh what a night  
Oh yes it's ladies night, and the feeling's right  
Oh yes it's ladies night, oh what a night

Romantic lady, single baby  
Mmm sophisticated mama  
Come on you disco lady yeah  
Stay with me tonight mama

If you hear any noise  
It ain't the boys it's ladies night uh huh

Oh yes it's ladies night, and the feeling's right  
Oh yes it's ladies night, oh what a night  
Oh yes it's ladies night, and the feeling's right  
Oh yes it's ladies night, oh what a night

On disco lights your name will be seen  
You can fulfill all your dreams  
Party here, party there, everywhere  
This is your night baby, you've got to be there, well

This is your night, tonight  
Everything's gonna be alright  
This is your night, tonight  
Everything's gonna be alright

## ***Like a Virgin***

BILLY STEINBERG (ASCAP) 50%, TOM KELLY (ASCAP) 50%  
SONY/ATV TUNES LLC (ASCAP) 100%

I made it through the wilderness  
Somehow I made it through  
Didn't know how lost I was  
Until I found you  
I was beat, incomplete  
I'd been had, I was sad and blue  
But you made me feel  
Yeah you made me feel  
Shiny and new

Like a virgin, touched for the very first time  
Like a virgin, when your heart beats, next to mine

Gonna give you all my love boy  
My fear is fading fast  
Been saving it all for you  
'Cause only love can last  
You're so fine and you're mine  
Make me strong, yeah you make me bold  
Oh your love thawed out  
Yeah your love thawed out  
What was scared and cold

Like a virgin, touched for the very first time  
Like a virgin, with your heartbeat next to mine  
Whoa, whoa, whoa

You're so fine and you're mine  
I'll be yours 'til the end of time  
'Cause you made me feel  
Yeah you made me feel  
I've nothing to hide

Like a virgin, touched for the very first time  
Like a virgin, with your heartbeat next to mine  
Like a virgin, ooh, like a virgin  
Feels so good inside  
When you hold me and your heart beats and you love me

It's been one week since you looked at me  
Cocked your head to the side and said I'm angry  
Five days since you laughed at me, saying  
Get that together come back and see me  
Three days since the living room  
I realized it's all my fault, but couldn't tell you  
Yesterday you'd forgiven me, but it'll  
Still be two days 'til I say I'm sorry

Hold it now and watch the hoodwink  
Does it make you stop, think  
You'll think you're looking at Aquaman  
I summon fish to the dish, although I like the Chalet Swiss  
I like the sushi 'cause it's never touched a frying pan  
Hot like wasabi when I bust rhymes  
Big like LeAnn Rimes

# Song Lyrics

Because I'm all about value  
Bert Kaempfert's got the mad hits  
You try to match wits  
You try to hold me but I bust through  
Gonna make a break and take a fake  
I'd like a stinkin' achin' shake  
I like vanilla, it's the finest of the flavors  
Gotta see the show, cause then you'll know  
The vertigo is gonna grow  
Cause it's so dangerous you'll have to sign a waiver

How can I help it if I think you're funny when you're mad  
Trying hard not to smile though I feel bad  
I'm the kind of guy who laughs at a funeral  
Can't understand what I mean, well you soon will  
I have a tendency to wear my mind on my sleeve  
I have a history of taking off my shirt

It's been one week since you looked at me  
Threw your arms in the air and said you're crazy  
Five days since you tackled me  
I've still got the rug burns on both my knees  
It's been three days since the afternoon  
You realized it's not my fault, not a moment too soon  
Yesterday you'd forgiven me  
And now I sit back and wait 'til you say you're sorry

Chickity China the Chinese chicken  
You have a drumstick and your brain stops tickin'  
Watchin' X-Files with no lights on  
We're dans la maison  
I hope the Smoking Man's in this one  
Like Harrison Ford I'm getting frantic  
Like Sting I'm tantric  
Like Snickers guaranteed to satisfy  
Like Kurasawa I make mad films, 'k I don't make films  
But if I did, they'd have a samurai  
Gonna get a set a' better clubs gonna find the kind with tiny nubs  
Just so my irons aren't only flying off the back swing  
Get in tune with Sailor Moon  
'Cause that cartoon has got the boom anime babes  
That make me think the wrong thing

How can I help if I think you're funny when you're mad  
Trying hard not to smile though I feel bad  
I'm the kind of guy who laughs at a funeral  
Can't understand what I mean, you soon will  
I have a tendency to wear my mind on my sleeve  
I have a history of losing my shirt

It's been one week since you looked at me  
Dropped your arms to the sides and said I'm sorry  
Five days since I laughed at you and said  
You just did just what I thought you were gonna do  
Three days since the living room  
We realized we were both to blame, but what could we do  
Yesterday you just smiled at me  
Cause it'll still be two days 'til we say we're sorry  
It'll still be two days 'til we say we're sorry  
It'll still be two days 'til we say we're sorry

Red, red wine, goes to my head  
Makes me forget that I still need her so  
Red, red wine, it's up to you  
All I can do I've done  
Memories won't go, memories won't go

I'd have sworn, that with time  
Thoughts of you would leave my head  
I was wrong, now I find  
Just one thing makes me forget

Red, red wine, stay close to me  
Don't let me be alone  
It's tearing apart, my blue heart

I'd have sworn, that with time  
Thoughts of you would leave my head  
I was wrong, now I find  
Just one thing makes me forget

Red, red wine, stay close to me  
Don't let me be alone  
It's tearing apart, my blue, blue heart  
Red, red wine

Go on and close the curtains  
'Cause all we need is candlelight  
You and me and the bottle of wine  
And hold you tonight  
Well we know I'm going away  
How I wish, I wish it weren't so  
So take this wine and drink with me  
Let's delay our misery

Save tonight and fight the break of dawn  
Come tomorrow, tomorrow I'll be gone  
Save tonight and fight the break of dawn  
Come tomorrow, tomorrow I'll be gone

There's a log on the fire  
And it burns like me for you  
Tomorrow comes with one desire  
To take me away  
It ain't easy to say goodbye  
Darling please don't start to cry  
'Cause girl you know I've got to go  
And Lord I wish it wasn't so

Save tonight and fight the break of dawn  
Come tomorrow, tomorrow I'll be gone  
Save tonight and fight the break of dawn  
Come tomorrow, tomorrow I'll be gone

# Song Lyrics

Tomorrow comes to take me away  
I wish that I, that I could stay  
But girl you know I've got to go, oh  
And Lord I wish it wasn't so

Save tonight and fight the break of dawn  
Come tomorrow, tomorrow I'll be gone

(Repeat Chorus)

Tomorrow I'll be gone  
Tomorrow I'll be gone  
Tomorrow I'll be gone

I'm a science genius girl  
I won the science fair  
I wear a white lab coat  
DNA strands in my hair

When I clone a human being  
It will want to hold my hand  
When I clone a human being  
It will be a member of my band  
It will be a member of my band  
It will be a member of my band

Scientific method girl  
The theorems speak to me  
Microscope is in my hand  
Times 1, times 2, times 3

When I clone a human being  
It will want to hold my hand  
When I clone a human being  
It will be a member of my band  
It will be a member of my band  
It will be a member of my band

Measure out the chemicals  
Safety goggles on my eyes  
Turn the Bunsen burner on  
My creation comes alive

I have cloned a human being  
It is here and holds my hand  
I have cloned a human being  
It is now a member of my band  
It is now a member of my band  
It is now a member of my band  
I have cloned a human being  
It is here and holds my hand  
I have cloned a human being  
It is now a member of my band

She never mentions the word addiction  
In certain company  
Yeah, she'll tell you she's an orphan  
After you meet her family  
She paints her eyes as black as night now  
She pulls those shades down tight  
Yeah, she gives a smile when the pain comes  
The pain gonna make everything alright

Says she talks to angels  
Call her out by her name  
Oh yeah, she talks to angels  
Says they call her out by her name

She keeps a lock of hair in her pocket  
She wears a cross around her neck  
Yes the hair is from a little boy  
And the cross is someone she has not met, not yet

Says she talks to angels  
Says they all know her name  
Oh yeah, she talks to angels  
Says they call her out by her name

She don't know no lover  
None that I ever seen  
And to her that ain't nothing  
But to me it means, means everything

She paints her eyes as black as night now  
She pulls those shades down tight  
Oh yeah there's a smile when the pain comes  
The pain gonna make everything alright  
Alright, yeah yeah yeah

She talks to angels  
Says they call her out by name  
Oh yeah, yeah, angels  
Call her out by her name  
Oh oh, angels  
They call her out by her name  
Oh oh she talks to angels  
Call her out, yeah, call her out  
Don't you know that they call her out by her name

As he came into the window  
Was a sound of a crescendo  
He came into her apartment  
Left the bloodstains on the carpet  
She was sitting at the table  
You could see she was unable  
So she ran into the bedroom  
She was struck down, it was her doom

Annie are you OK, you OK, you OK Annie (4x)  
Annie are you OK  
Would you tell us that you're OK  
Put a sign in the window  
That he struck you, a crescendo Annie  
He came into your apartment  
Left the bloodstains on the carpet  
And then you ran into the bedroom  
You were struck down, it was your doom

Annie are you OK, you OK, you OK Annie (3x)  
You've been hit by  
You've been struck by a smooth criminal

So he came into the outway  
It was Sunday, what a black day  
I could make a salutation  
Sounding heartbeat, intimidation

Annie are you OK, you OK, you OK Annie (4x)  
Annie are you OK  
Would you tell us that you're OK  
Put a sign in the window  
That he struck you, a crescendo Annie  
He came into your apartment  
Left the bloodstains on the carpet  
And then you ran into the bedroom  
You were struck down, it was your doom

Annie are you OK, you OK, you OK Annie  
You've been hit by  
You've been struck by a smooth criminal

Would you tell us that you're OK  
Put a sign in the window  
That he struck you, a crescendo Annie

## *Son of a Preacher Man*

JOHN HURLEY (BMI) 50%, RONNIE WILKINS (BMI) 50%  
SONY/ATV TREE PUBLISHING (BMI) 100%

Billy Ray was a preacher's son  
And when his daddy would visit he'd come along  
When they gathered 'round and started talkin'  
That's when Billy would take me walkin'  
Out through the backyard we'd go walkin'  
Then he'd look into my eyes  
Lord knows to my surprise

The only one who could ever reach me  
Was the son of a preacher man  
The only boy who could ever teach me  
Was the son of a preacher man  
Yes he was, he was, ooh yes he was

Bein' good isn't always easy  
No matter how hard I try  
When he started sweet talkin' to me  
He'd come'n tell me everything is alright  
He'd kiss and tell me everything is alright  
Can I get away again tonight

The only one who could ever reach me  
Was the son of a preacher man  
The only boy who could ever teach me  
Was the son of a preacher man  
Yes he was, he was, ooh yes he was

How well I remember  
The look that was in his eyes  
Stealin' kisses from me on the sly  
Takin' time to make time  
Tellin' me that he's all mine  
Learnin' from each other's knowin'  
Lookin' to see how much we've grown and

The only one who could ever reach me  
Was the son of a preacher man  
The only boy who could ever teach me  
Was the son of a preacher man  
Yes he was, he was, oh yes he was

(The only one who could ever reach me)  
Was the sweet talkin' son of a preacher man  
(The only boy who could ever teach me)  
Was the son of a preacher man  
(The only one who could ever reach me)

The power of love is a curious thing  
Make a one man weep make another man sing  
Change a hawk to a little white dove  
More than a feeling that's the power of love

Tougher than diamonds rich like cream  
Stronger and harder than a bad girl's dream  
Make a bad one good mmm make a wrong one right  
Power of love will keep you home at night

Don't need money don't take fame  
Don't need no credit card to ride this train  
It's strong and it's sudden and it's cruel sometimes  
But it might just save your life  
That's the power of love, that's the power of love

First time you feel it, it might make you sad  
Next time you feel it, it might make you mad  
But you'll be glad baby when you've found  
That's the power makes the world go 'round

It don't take money don't take fame  
Don't need no credit card to ride this train  
It's strong and it's sudden it can be cruel sometimes  
But it might just save your life

They say that all in love is fair  
Yeah but you don't care  
But you know what to do, when it gets hold of you  
And with a little help from above  
You feel the power of love, you feel the power of love  
Can you feel it, mmmm

Don't take money don't take fame  
Don't need no credit card to ride this train  
Tougher than diamonds and stronger than steel  
You won't feel nothin' 'til you feel  
You feel the power just feel the power of love  
That's the power that's the power of love  
You feel the power of love  
You feel the power of love  
You feel the power of love

Oh yeah  
Like a movie scene, in the sweetest dream  
I pictured us together  
Now to feel your lips, on my fingertips  
Got to say is even better  
Than I ever thought it could possibly be  
It's perfect, it's passion, it's setting me free  
From all of my sadness, the tears that I've cried  
I have spent all of my life

Waiting for tonight, oh  
When you would be here in my arms  
Waiting for tonight, oh  
I've dreamed of this love for so long  
Waiting for tonight, oh, oh

Tender words you say, take my breath away  
Love me now and leave me never  
Found a sacred place, lost in your embrace  
I wanna stay in this forever  
I think of the day when the sun used to set  
On my empty heart, all alone in my bed  
Tossing and turning, emotions were strong  
I knew I had to hold on

Waiting for tonight, oh  
When you would be here in my arms  
Waiting for tonight, oh  
I've dreamed of this love for so long  
Waiting for tonight, oh  
When you would be here in my arms  
Waiting for tonight, oh  
I've dreamed of this love for so long  
Waiting for tonight, oh, oh  
Oh, oh, oh, Oh, oh, oh, Oh, oh, oh

Gone are the days when the sun used to set  
On my empty heart, all alone in my bed  
Tossing and turning, emotions were strong  
I knew I had to hold on

Waiting for tonight, oh  
When you would be here in my arms  
Waiting for tonight, oh  
I've dreamed of this love for so long

When a man loves a woman  
Can't keep his mind on nothing else  
He'll change the world  
For a good thing he found  
If she is mad he can't see it  
She can do no wrong  
Turn his back on his best friend  
If he put her down

When a man loves a woman  
Spend his very last dime  
Tryin' to hold on to what he needs  
He'll give up all of his comforts  
And sleep out in the rain  
If she says that's the way it ought to be

Well this man loves his woman  
I gave you everything I had  
Tryin' to hold on to your high class love  
Baby please don't treat me bad

When a man loves a woman  
Down deep in his soul  
She can bring him such misery  
If she plays him for a fool  
He's the last one to know  
Lovin' eyes can never see

When a man loves a woman  
He can do her no wrong  
He can never want some other girl  
When a man loves a woman  
I know exactly how he feels  
Cause baby baby baby, you're my world

Oh oh whoa oh oh, oh  
It must have been cold there in my shadow  
To never have sunlight on your face  
You were content to let me shine, that's your way  
You always walked a step behind  
So I was the one with all the glory  
While you were the one with all the strain  
A beautiful face without a name, for so long  
A beautiful smile to hide the pain

Did you ever know that you're my hero  
And everything I would like to be  
I could fly higher than an eagle  
For you are the wind beneath my wings

It might have appeared to go unnoticed  
But I've got it all here in my heart  
I want you to know I know the truth, of course I know it  
I would be nothing without you

Did you ever know that you're my hero  
You're everything I wish I could be  
I could fly higher than an eagle  
For you are the wind beneath my wings

Did I ever tell you you're my hero  
You're everything, everything I wish I could be  
Oh and I, I could fly higher than an eagle  
For you are the wind beneath my wings  
'Cause you are the wind beneath my wings  
Oh, the wind beneath my wings  
You, you, you  
You are the wind beneath my wings  
Fly, fly, fly away  
You let me fly so high  
Oh, you, you, you  
The wind beneath my wings  
Oh, you, you, you  
The wind beneath my wings  
Fly, fly, fly high against the sky  
So high I almost touch the sky  
Thank you, thank you, thank God for you  
The wind beneath my wings

Girl, you really got me now  
You got me so I don't know what I'm doin'  
Girl, you really got me now  
You got me so I can't sleep at night

Girl, you really got me now  
You got me so I don't know where I'm goin', yeah  
Oh yeah, you really got me now  
You got me so I can't sleep at night

You really got me  
You really got me  
You really got me

Please, don't ever let me be  
I only wanna be by your side  
Please, don't ever let me be  
I only wanna be by your side

Girl, you really got me now  
You got me so I don't know what I'm doin, yeah  
Oh yeah, you really got me now  
You got me so I can't sleep at night

You really got me  
You really got me  
You really got me

Girl, you really got me now  
You got me so I don't know what I'm doin'  
Girl, you really got me now  
You got me so I can't sleep at night

I got chills, they're multiplyin'  
And I'm losing control  
Cause the power, you're supplyin'  
It's electrifyin'  
You better shape up, 'cause I need a man  
And my heart is set on you  
You better shape up, you better understand  
To my heart I must be true

You're the one that I want  
Ooh ooh ooh, honey  
The one that I want  
Ooh ooh ooh, honey  
The one that I want  
Ooh ooh ooh, the one I need  
Oh, yes indeed

If you're filled with affection  
You're too shy to convey  
Meditate, my direction  
Feel your way  
I better shape up, 'cause you need a man  
Who can keep me satisfied  
I better shape up, if I'm gonna prove  
That my fate is justified  
Yes I'm sure down deep inside

You're the one that I want  
Ooh ooh ooh, honey  
The one that I want  
Ooh ooh ooh, honey  
The one that I want  
Ooh ooh ooh, the one I need  
Oh, yes indeed

(Repeat Chorus)
