

MX vs. ATV UNTAMED

⚠ WARNING: PHOTSENSITIVITY/EPILEPSY/SEIZURES

READ BEFORE USING YOUR PLAYSTATION®2 COMPUTER ENTERTAINMENT SYSTEM.

A very small percentage of individuals may experience epileptic seizures or blackouts when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a television screen or when playing video games may trigger epileptic seizures or blackouts in these individuals. These conditions may trigger previously undetected epileptic symptoms or seizures in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition or has had seizures of any kind, consult your physician before playing. IMMEDIATELY DISCONTINUE use and consult your physician before resuming gameplay if you or your child experience any of the following health problems or symptoms:

- dizziness
- altered vision
- eye or muscle twitches
- loss of awareness
- disorientation
- seizures
- any involuntary movement or convulsion

RESUME GAMEPLAY ONLY ON APPROVAL OF YOUR PHYSICIAN.

Use and handling of video games to reduce the likelihood of a seizure

- Use in a well-lit area and keep as far away as possible from the television screen.
 - Avoid large screen televisions. Use the smallest television screen available.
 - Avoid prolonged use of the PlayStation 2 system.
Take a 15-minute break during each hour of play.
 - Avoid playing when you are tired or need sleep.
-

Stop using the system immediately if you experience any of the following symptoms: lightheadedness, nausea, or a sensation similar to motion sickness; discomfort or pain in the eyes, ears, hands, arms, or any other part of the body. If the condition persists, consult a doctor.

WARNING TO OWNERS OF PROJECTION TELEVISIONS:

Do not connect your PlayStation 2 system to a projection TV without first consulting the user manual for your projection TV, unless it is of the LCD type. Otherwise, it may permanently damage your TV screen.

HANDLING YOUR PLAYSTATION 2 FORMAT DISC:

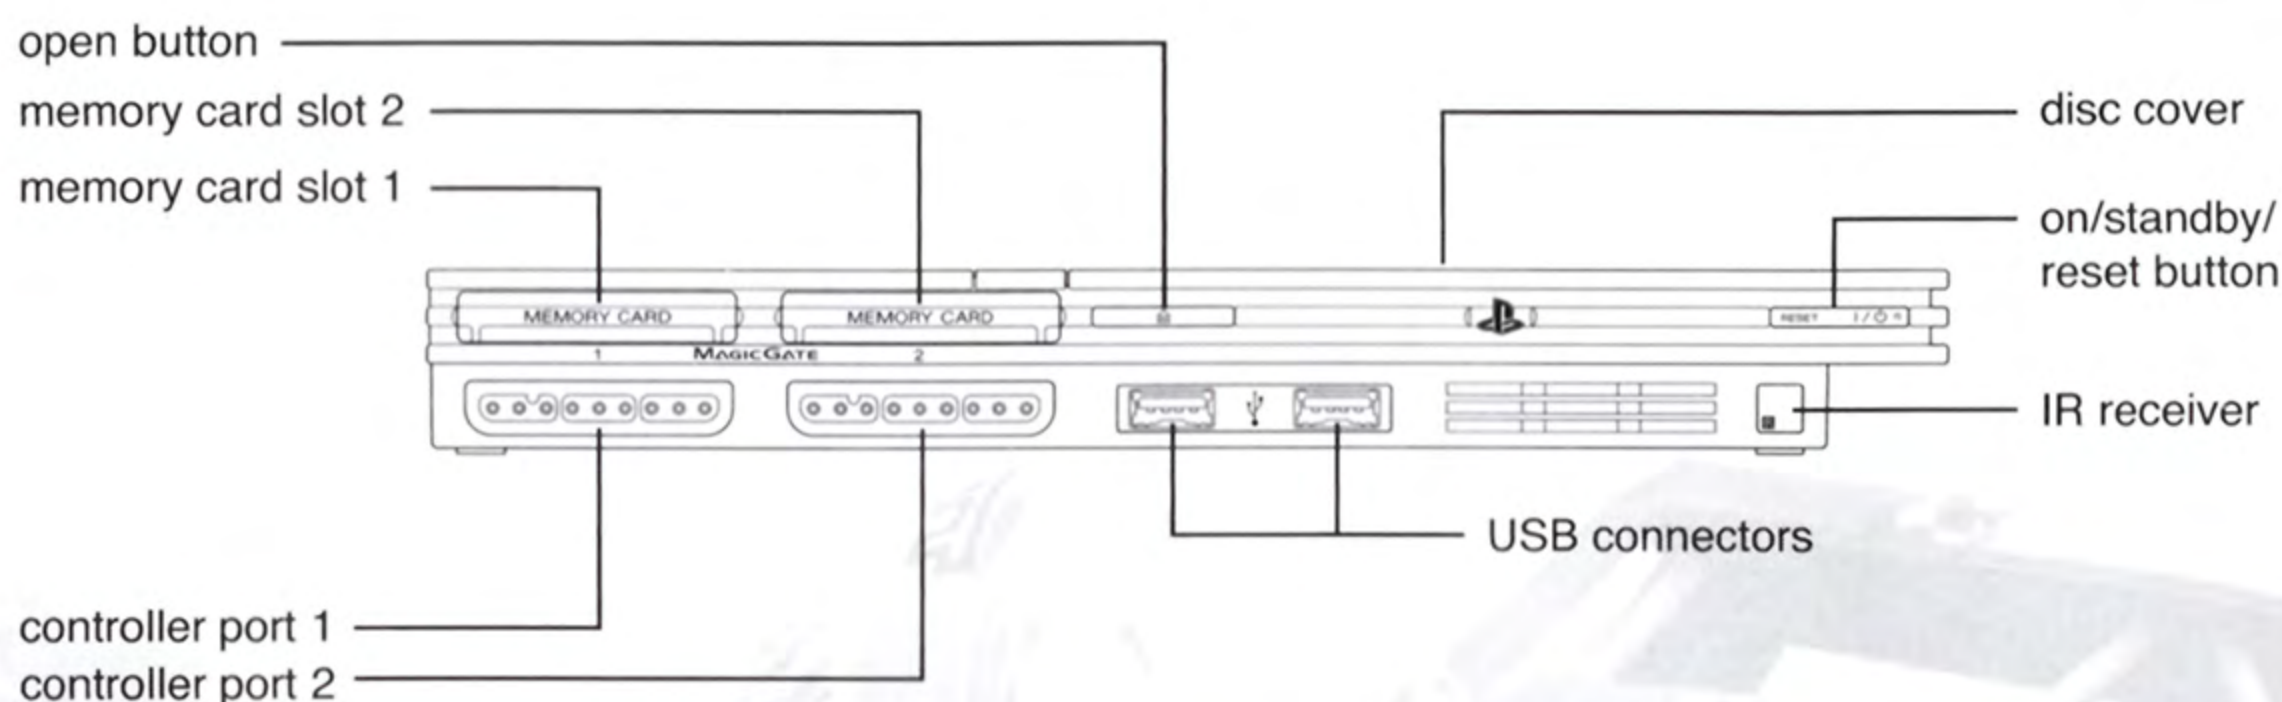

- This disc is intended for use only with PlayStation 2 consoles with the NTSC U/C designation.
- Do not bend it, crush it or submerge it in liquids.
- Do not leave it in direct sunlight or near a radiator or other source of heat.
- Be sure to take an occasional rest break during extended play.
- Keep this compact disc clean. Always hold the disc by the edges and keep it in its protective case when not in use. Clean the disc with a lint-free, soft, dry cloth, wiping in straight lines from center to outer edge. Never use solvents or abrasive cleaners.

The motorcycles and all terrain vehicles (ATVs) included in this game may be different from the actual motorcycles and ATVs in terms of movement and performance. The racing and tricks in this game are intended to be fantasy. DO NOT IMITATE THE RIDING AND MOVEMENTS SHOWN IN THIS GAME. The manufacturers and distributors of the motorcycles and ATVs shown in this game recommend that all riders take a motorcycle and ATV training course. When riding a motorcycle or ATV, always wear a helmet, goggles and protective gear. Always supervise young riders. Always avoid excessive speeds and be careful on difficult terrain. And remember, when riding a motorcycle or ATV in real life, always ride it safely

GETTING STARTED

SETTING UP YOUR PLAYSTATION®2 CONSOLE

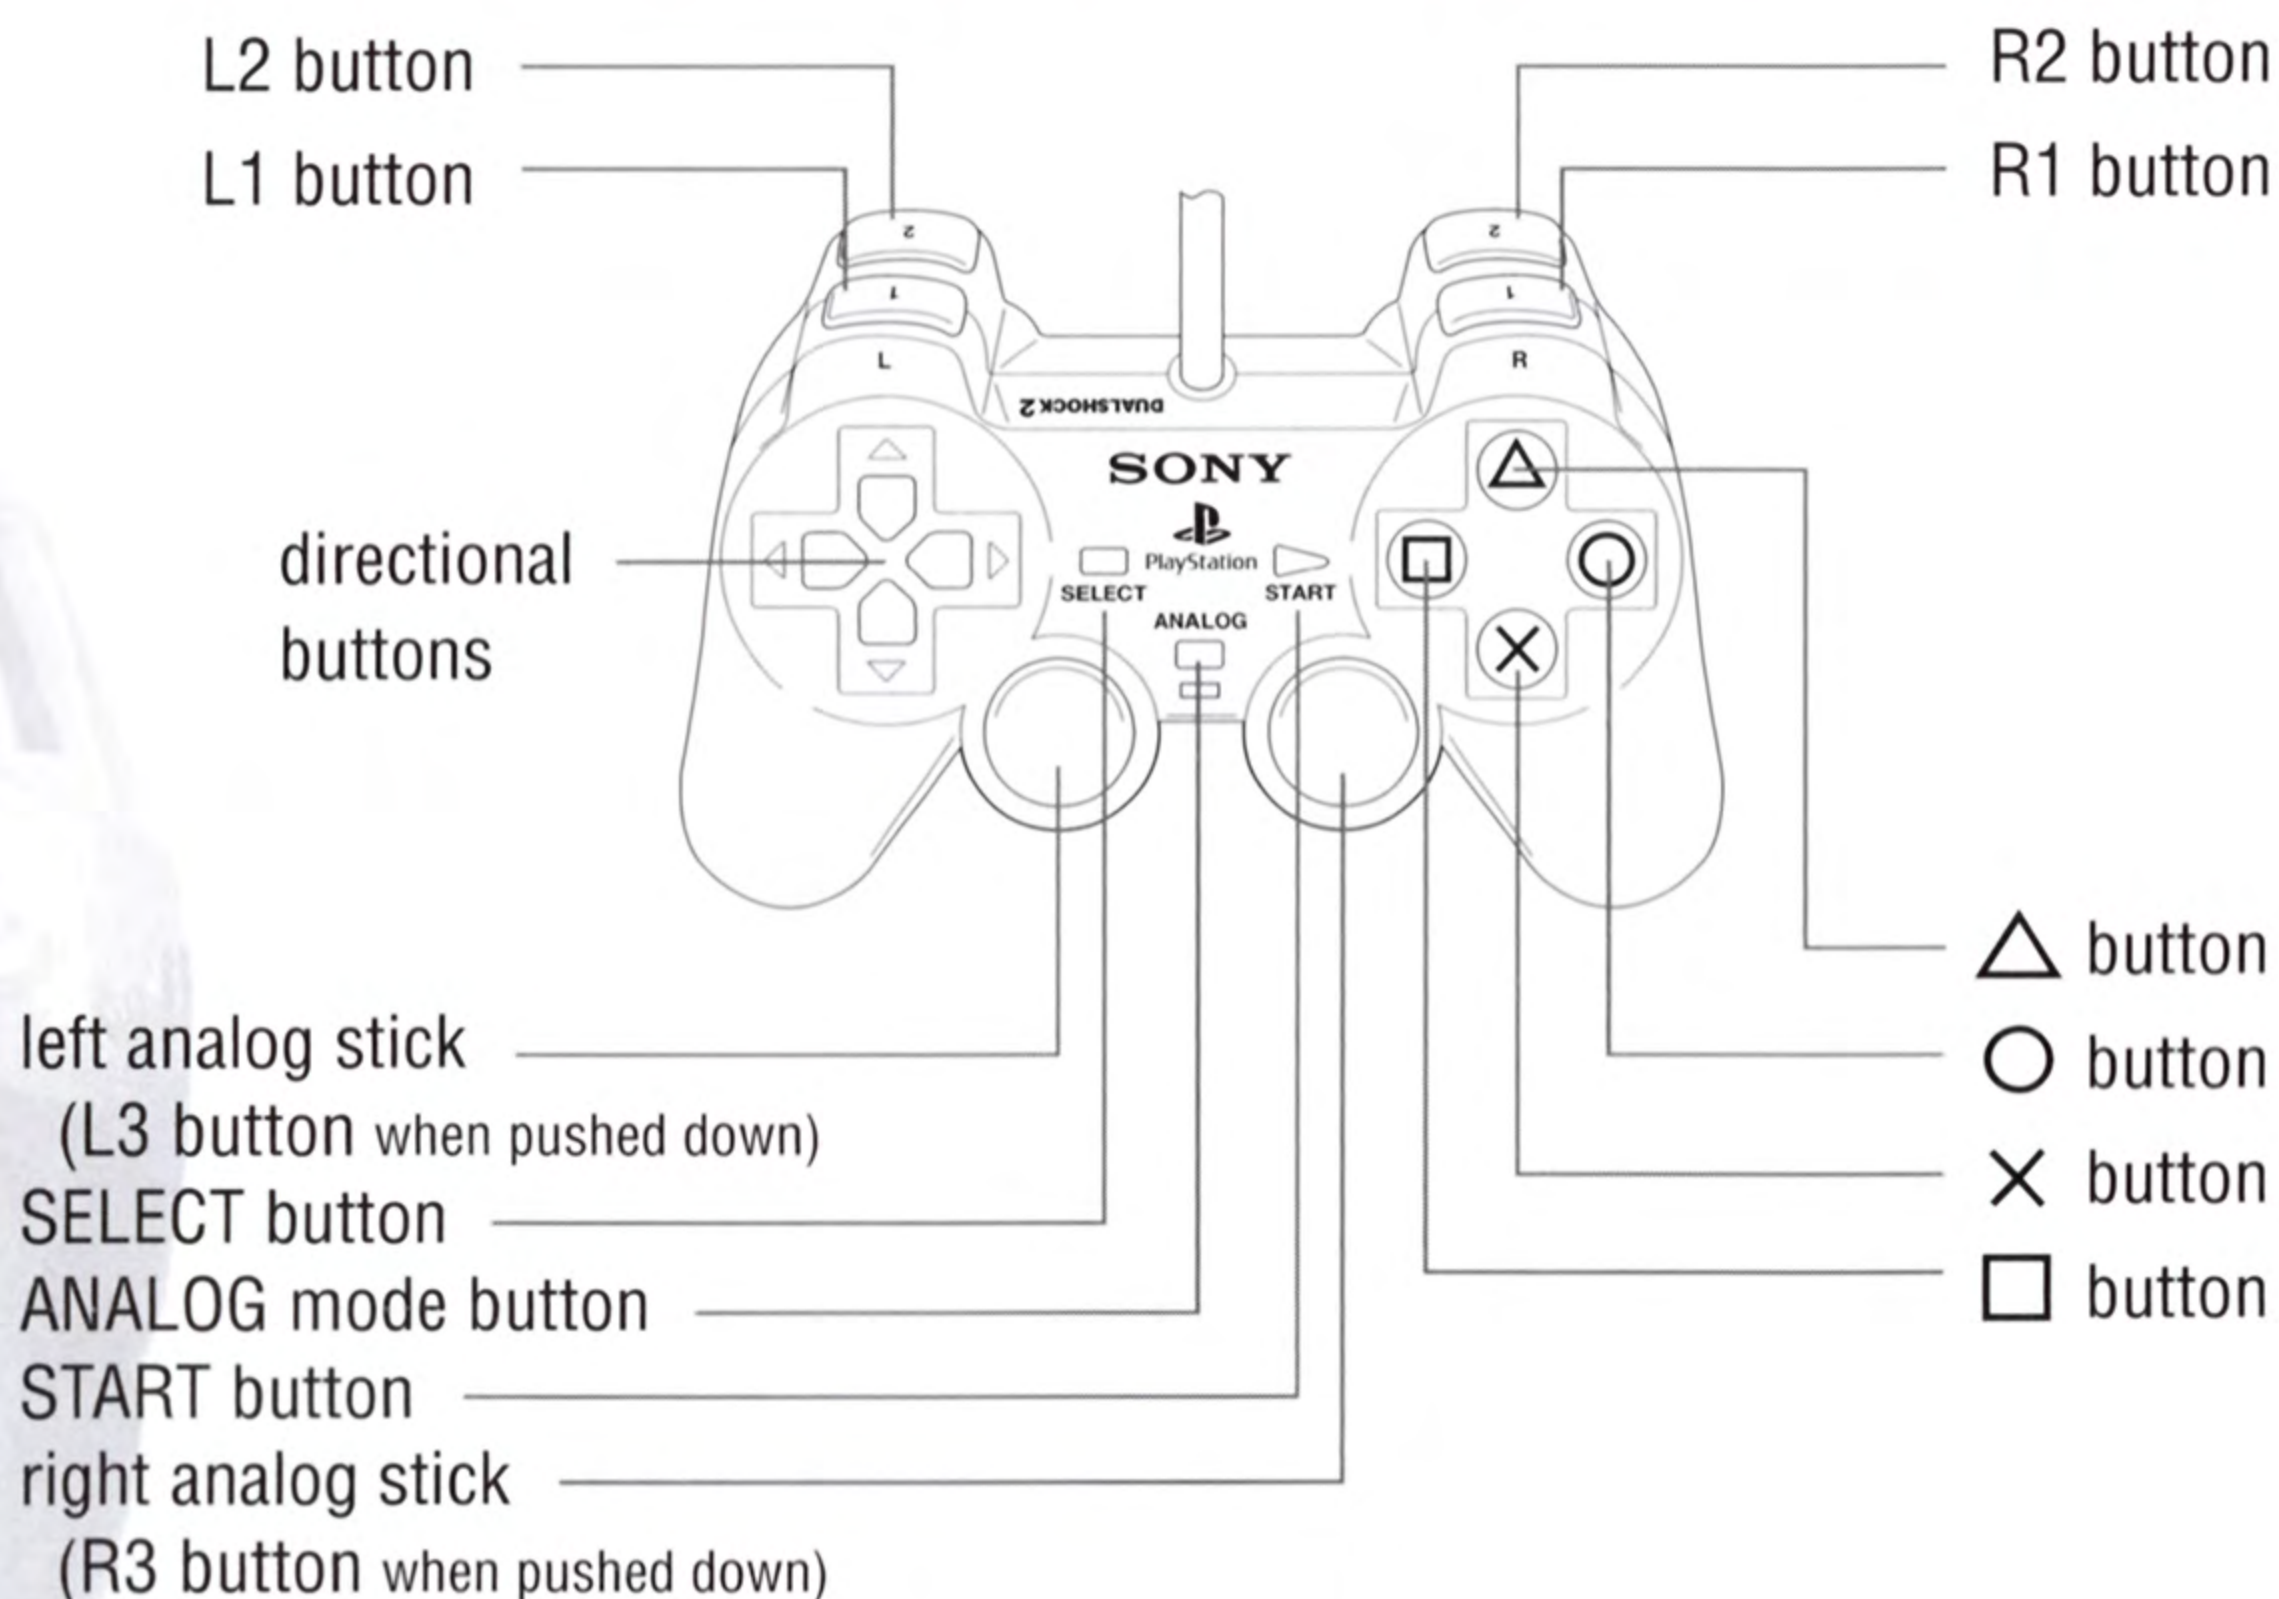

Set up your PlayStation®2 computer entertainment system according to the instructions supplied with your system. Check that the system is turned on (the on/standby indicator is green). Insert the **MX vs ATV Untamed** disc in the system with the label side facing up. Attach game controllers and other peripherals as appropriate. Follow the on-screen instructions and refer to this manual for information on using the software.

MEMORY CARD (8MB) (FOR PLAYSTATION®2)

To save game settings and progress, insert a memory card (8MB) (for PlayStation®2) into MEMORY CARD slot 1 of your PlayStation®2 system. You can load saved game data from the same memory card or any memory card (8MB) (for PlayStation®2) containing previously saved games.

STARTING A NEW GAME

MAIN MENU

Press the  button at the Title Screen to be taken to the Main Menu. Use the directional buttons  and  to highlight a game mode or option and press the  button to confirm. To go back or return to a higher set of options, press the  button.

SINGLE PLAYER

Tackle the world of MX and ATV in various events and tournaments that include QUICK RACE, X-CROSS, CHAMPIONSHIP, and GAPS. The more you compete and win, the more vehicles and other goodies will become unlocked. This is where the training wheels come off and you become an off-road champ.

MULTIPLAYER

Select SPLIT SCREEN for two people to play on the same system simultaneously via a split screen, or choose ONLINE to go online and race against the best of the online community.

STORE

Head over to the Store to purchase new vehicles and gear.

OPTIONS

Manage your profile and adjust the game options. For more information, see Options, pg. 12.

Note: Playing without a Profile will result in any progress, achievements, collectibles, preferences, or changes you make being lost.

SINGLE PLAYER

Select SINGLE PLAYER from the Main Menu. Use the directional buttons ◀ and ▶ to select a racing event and press the ⊗ button to confirm your selection.

QUICK RACE

Jump right into the fray for the quickest way to MX and ATV action. Event Type, Racing Track, and Vehicle Type can be selected. Press the ▣ button to randomize the game options. When you're ready, press the ⊗ button to begin the game.

X-CROSS TOURNAMENT

Master the controls of each vehicle and the rhythm of every course as each new series tests your mettle among them. Rewards abound as you make your way through the Divisions to receive your trophy at the end. Along the way, each series offers new opportunities for victory and even more opportunities for defeat, including new event types and the infamous "Challenges". This is where you can unlock new gear, vehicles, cash, and even pro-riders—that is, if you can compete against the best on all levels in every type of event. Use the directional buttons to highlight a series and press the ⊗ button to confirm your choice.

CUSTOM EVENT

Fully customize your challenge in any event type. Consider this area as the training ground to master all the different events and rides before moving on to competing in official tournaments.

Choose the track, then move on to the Event Options Menu and select the Race Mode, Difficulty, number of Laps, number of Opponents, Vehicle type, and Vehicle Class. Once finalized, press the ⊗ button to continue to the next menu where you can select the Vehicle Group. Press the ⊗ button to begin the game.

NATIONALS

Outdoor, lap-based racing courses cast in beautifully detailed environments. Less technical and more about top speed, these races are prone to big jumps and significant rhythm sections.

SUPERCROSS

Considered to be where the best riders compete, Supercross pushes your skills the hardest in these stadium-based locations where the tracks are more technical in nature.

SUPERMOTO

Paved road-courses mark the way for both MX and ATV riders to compete against each other. These courses have plenty of twists and turns to make you succumb to the competition.

OPENCROSS

Race through treacherous outdoor trails against various types of vehicles — big and small. To win, you must master the environments before the environments master you.

FREESTYLE

It's all about pulling off the most difficult tricks in succession to gain first place. Choose a Freestyle Mode before selecting the other event options.

FREE RIDE

Feel free to explore the world and hunt for hidden and hard to get sprockets within the environment.

WAYPOINT

Instead of cones and stakes outlining a specific route, there's only the expansive outdoors and key waypoint gates to mark your way to the finish.

OPEN CLASS

Feel the wind whip through your hair as you ride a series of difficult outdoor tracks and challenge all classes of vehicles.

HILL CLIMB

Become king of the hill in this race to the top.

CHALLENGES

Put your skills to the test with various Challenges in this section. Come out on top and you'll be rewarded with sweet swag. Just select a Challenge and you're off and riding.

CHAMPIONSHIP

Championship Competition across 12 tracks awaits you in the Championships. Your race position for each track is combined to determine your overall standing for the week. Gain the highest standing across all 12 weeks to be declared the Champ. First select the Event Type, and then choose the Championship Type.

If it is the first week of the Championship, you will need to also select the Opponent Difficulty, number of Laps per race, and Vehicle Class. Remember that these selections cannot be changed after the first week of competition.

GAPS

Ride free and explore the open landscape where you can find hidden jumps and runs! First select the track and then press the  button to continue to the next screen. There you will choose the race mode, difficulty, duration, vehicle type and vehicle class. Then press the  button to begin riding.

RECORDS

Check your progress and ability by selecting an Event type, Track, and Record type. The top three scores for your selection are shown underneath. Whenever you get a better score or lap time, these Records will upgrade, showing everyone how seriously you know how to ride!

MULTIPLAYER

(SPLITSCREEN & NETWORK)

Up to two can play on Split Screen while up to six people can compete at once on Network. QUICK EVENT and CUSTOM EVENT are available for both Split Screen and Network.

Log in to Network play by first setting up a Network Configuration. Then enter your Gamespy Network information, such as Username, Email, and Password. Or if you do not have an ID, you can create one here.

QUICK EVENT

Jump right into the fray for the quickest way to MX and ATV action. Event Type, Event Duration, Vehicle Class, and Vehicle Type are all randomized so you don't have to sit through the selection process. Press the  button to reshuffle the game options, and then when you're ready, press the  button to begin the game.

CUSTOM EVENT

Fully customize your challenge in any event type. The events include: Free Ride, National, Supercross, Freestyle, Opencross, Supermoto, Waypoint.

GAMESPY NETWORK

Up to six people can compete at once in either QUICK MATCH or CREATE MATCH.

Note: MX vs. ATV requires a Profile for online play.

QUICK MATCH

Here is instant access to MX and ATV Untamed action. Event Type, Event Duration, Vehicle Class, and Vehicle Type are all randomized so you don't have to sit through the selection process. Press the  button to reshuffle the game options, and then press the  button to begin the game.

CREATE MATCH

Create a match and join others to play your creation. First select the session type, vehicle type, and number of players. Then press the  button and continue to the next menu where you select your personal vehicle type, class, and physics type. Press the  button again to select the event type, then move on to select the event, and next the track. Last is the number of laps. Press the  button to head off to the races.

SEARCH

Search for a specific event based on number of players, event, or track.

BUDDY LIST

See how your online friends are doing. Here you can check their online status.

SCOREBOARDS

Check your stats and high scores and compare your scores to others from around the globe in the WORLD BEST SCORES section. Here you can also reset your scores.

LOG OFF

Log off online play and return to the Multiplayer Menu.

STORE

Visit the store to purchase new ATVs, MX Bikes, Gear, Machines, and all new Environments!
