⚠ WARNING: PHOTSENSITIVITY/EPILEPSY/SEIZURES

READ BEFORE USING YOUR PLAYSTATION®2 COMPUTER ENTERTAINMENT SYSTEM.

A very small percentage of individuals may experience epileptic seizures or blackouts when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a television screen or when playing video games may trigger epileptic seizures or blackouts in these individuals. These conditions may trigger previously undetected epileptic symptoms or seizures in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition or has had seizures of any kind, consult your physician before playing. IMMEDIATELY DISCONTINUE use and consult your physician before resuming gameplay if you or your child experience any of the following health problems or symptoms:

- dizziness
- altered vision
- eye or muscle twitches
- loss of awareness
- disorientation
- seizures
- any involuntary movement or convulsion

RESUME GAMEPLAY ONLY ON APPROVAL OF YOUR PHYSICIAN.

Use and handling of video games to reduce the likelihood of a seizure

- Use in a well-lit area and keep as far away as possible from the television screen.
 - Avoid large screen televisions. Use the smallest television screen available.
 - Avoid prolonged use of the PlayStation®2 system. Take a 15-minute break during each hour of play.
 - Avoid playing when you are tired or need sleep.
-

Stop using the system immediately if you experience any of the following symptoms: lightheadedness, nausea, or a sensation similar to motion sickness; discomfort or pain in the eyes, ears, hands, arms, or any other part of the body. If the condition persists, consult a doctor.

WARNING TO OWNERS OF PROJECTION TELEVISIONS:

Do not connect your PlayStation®2 system to a projection TV without first consulting the user manual for your projection TV, unless it is of the LCD type. Otherwise, it may permanently damage your TV screen.

HANDLING YOUR PLAYSTATION®2 FORMAT DISC:

- This disc is intended for use only with PlayStation®2 consoles with the NTSC U/C designation.
- Do not bend it, crush it or submerge it in liquids.
- Do not leave it in direct sunlight or near a radiator or other source of heat.
- Be sure to take an occasional rest break during extended play.
- Keep this compact disc clean. Always hold the disc by the edges and keep it in its protective case when not in use. Clean the disc with a lint-free, soft, dry cloth, wiping in straight lines from center to outer edge. Never use solvents or abrasive cleaners.

GAME MODES

The Association – Here's your chance to control every aspect of the team. You are the General Manager, the coach, and the players on the court. Scout players, sign free agents, view the big board as you look to get college talent in the draft, hire coaches and assistants, and much more. You aren't limited to just one season. You are building a dynasty here!

Season – Select the season length and see if you can guide your team to the NBA Finals.

Playoffs – Skip the regular season and enter your team into the playoffs.

Street – Participate in full court, half court, one-on-one, and games of 21. Do you have what it takes to beat the best in the NBA in these special game modes?

Tournament – Set up a tournament for you and your friends. Select from 4 to 16 team tournaments, select a fantasy draft, adjust the quarter length, and the sim quarter length.

Practice – Practice your moves and hone your skills before you move onto the court for a real game.

Situation – Can you come back down 8 points with under 3 minutes left to play? Find out in situation mode. Adjust the score, who's got possession of the ball, how many timeouts remain, and more.

THE ASSOCIATION

Can you guide your team to the NBA Finals? In The Association mode, you are in charge of every aspect of your team. Hire & fire scouts, trade players, bring along your prospects, and much more.

Be careful, though, as the season goes on. When you pick your team at the start of The Association mode, the game will give you a short description of the team owner.

Each owner has different goals. Meet the goals, and your owner will be happy. Fail to meet the goal and your job could be in jeopardy (if you turned Owner Firing on when you set up your Association Mode).

New for NBA 2K9 is the addition of the Player Ambitions system and NBA.com. See what interests your players as you try to balance the team's chemistry through a grueling 82-game NBA season.

NBA TRIVIA

Before each game starts, the game will ask you a trivia question as it loads. Test your knowledge of the NBA.

ONLINE

Put your skills to the ultimate test by signing Online and challenging opponents all over the country! Note that you must have room on your memory card (8MB)(for PlayStation®2) for Your Network Configuration File (94KB). Once you connect Online you'll be shown a menu with the following options:

Quick Match

This is the quickest way to find a game, and allows you to search for ranked matches. Press the **X button** to return to the main Online menu. Once you find a match, you will be brought to the Team Setup screen, which functions the same as it does in Exhibition (select your team, uniforms, etc.).

Lobbies

Choose from Beginner, Advanced, or the Street Lobby to meet up with friends, scout opponents, and find the match you want. Press the **X button** to send a challenge. Press the **right analog stick UP / DOWN** to view challenges. Press the **X button** to return to the main Online menu.

Once you accept a challenge or your challenge is accepted, you will be brought to the Team Setup screen, which functions the same as it does in Exhibition (select your team, uniforms, etc.).

Leaderboards

View the stats leaders of everyone Online! Use the **L2 button** and **R2 button** to scroll the pages up and down. Press the **X button** to return to the main Online menu..

Friends

Choose this option to view your friends list. Press the **left analog stick UP/DOWN** to highlight any of your friends. Press the **X button** to bring up a list of options for that friend. Options include inviting to a game, sending/receiving messages, and removing or blocking people on your friends list.

Downloadable Content

Occasionally, updated rosters will be available for download to reflect changes that happen to teams during the basketball season, and those rosters can be downloaded here. Press the **X button** to see a list of available downloads, and the **Circle button** to go back to the main Online menu.

NOTE: If you experience difficulty joining an online game in NBA and are using an Internet sharing device (e.g. broadband router or firewall) you may need to enable Port Forwarding (sometimes called Virtual Server) on the device. Please refer to the manual that came with your Internet sharing device for specific setup instructions. You will need to forward both UDP and TCP port to the IP address assigned to your PlayStation®2 system. This may require changing your network settings from an "Automatic" IP address (DHCP) to a "Manual" IP address.

NBA 2K9 includes a Network Configuration GUI for setting up and modifying these files. If you continue to experience difficulty joining online games, try bypassing your Internet sharing device by connecting your PlayStation®2 system directly to your DSL or cable modem. In this case, you may need to reconfigure your Network Configuration before your PlayStation®2 system will connect to the Internet.
