VOLCANO ISLAND

Pack your bags and set a course for adventure! An ancient evil, known only as the Mawgu, has taken control of Volcano Island and only the Nicktoons heroes can stop him. Deep in his volcano lair, the Mawgu feeds off the world's energy, growing in size and power while corrupting all of the Island's inhabitants.

Navigate the perils and pitfalls of this once peaceful tropical paradise to reach the volcano and defeat the monstrous Mawgu once and for all. But be warned, the Island is crawling with hideous creatures, untold dangers, and treacherous toxic ooze that turns everything it touches into pure evil.

So slap on the sunscreen and take a stand in the sand, the fate of Volcano Island – and the entire Universe – is in your hands!
