**WARNING: READ BEFORE USING YOUR PLAYSTATION®2 COMPUTER ENTERTAINMENT SYSTEM.**

A very small percentage of individuals may experience epileptic seizures when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a television screen or while playing video games, including games played on the PlayStation 2 console, may induce an epileptic seizure in these individuals. Certain conditions may induce previously undetected epileptic symptoms even in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition, consult your physician prior to playing. If you experience any of the following symptoms while playing a video game — dizziness, altered vision, eye or muscle twitches, loss of awareness, disorientation, any involuntary movement, or convulsions — **IMMEDIATELY** discontinue use and consult your physician before resuming play.

**WARNING TO OWNERS OF PROJECTION TELEVISIONS:**

Do not connect your PlayStation 2 console to a projection TV without first consulting the user manual for your projection TV, unless it is of the LCD type. Otherwise, it may permanently damage your TV screen.

**USE OF UNAUTHORIZED PRODUCT:**

The use of software or peripherals not authorized by Sony Computer Entertainment America may damage your console and/or invalidate your warranty. Only official or licensed peripherals should be used in the controller ports or memory card slots.

## ...THE CHARACTERS

### BILL

One bird stands out amongst the flock - Bill. A quirky, smaller than average duck with a big imagination and a secret fun-loving side. Bill wants to discover his inner duck. He wants to see what lies beyond Ducktown. And, above all, he wants to fly!

Play as Bill, and become the hero of your game!

### ALDO

Bill's best friend is Aldo. He's a big lumbering bull-in-a-china-shop alligator, chock-full of rough edges. Aldo is a tough guy with a soft center. This unlikely friendship between these two creatures on opposite ends of the food chain sets the scene for unique challenges...and a lot of fun!

You can also play a number of other characters from the TV series in the Multiplayer mode : Bev, Cecil, Clair, Ed, Oly, Waddle, Fred...

## THE STORY

"Sitting Ducks" takes place in the whimsical world of Ducktown, a town much like any other except its inhabitants are feathered.

Ducktown, a small, seemingly peaceful, community. And not far away, Swampwood, a city inhabited by alligators, for whom ducks are a delicacy. Ducks and alligators don't ordinarily get on well together, yet Bill, our feathered hero, has become friends with Aldo the alligator.
